

Schedule of Benefits

Harvard Pilgrim Health Care of New England, Inc.

ElevateHealthSM HMO Gold

NEW HAMPSHIRE

IMPORTANT INFORMATION: This policy reflects the known requirements for compliance under The Affordable Care Act as passed on March 23, 2010. As additional guidance is forthcoming from the U.S. Department of Health and Human Services, and the New Hampshire Insurance Department, those changes will be incorporated into your health insurance policy.

Coverage under this Plan is under the jurisdiction of the New Hampshire Insurance Commissioner.

Important Notice: This plan provides access to a network that is smaller than HPHC's full provider network. There are two types of providers that make up the ElevateHealth Provider Network: (1) Easy Access Providers and (2) Authorized Access Providers. Your Provider's status may change at any time throughout the year. For example, an Easy Access Provider may change to an Authorized Access Provider or may become a Non-Plan Provider. Please consult the Provider Directory or visit the provider search tool at www.harvardpilgrim.org to confirm the status of your provider prior to each visit or to determine which providers are included in the ElevateHealth Provider Network.

You have thirty (30) days from receipt of this Policy to review this document. If you are not satisfied for any reason with the Policy, you have the right to return the Policy to Harvard Pilgrim and have your premium returned.

This Schedule of Benefits states any Benefit Limits and Member Cost Sharing amounts you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

Certain capitalized words in this Schedule of Benefits have special meaning. Unless indicated otherwise, please refer to *Section II: Glossary* of your Benefit Handbook for more information.

In a Medical Emergency you should go to the nearest emergency facility or call 911 or other local emergency access number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in the tables below.

Clinical Review Criteria

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our clinical review criteria on our website at www.harvardpilgrim.org or by calling 1-888-888-4742.

Copayment Levels

There are two types of office visit Copayments that apply to your Plan: a lower Copayment, known as "Level 1" and a higher Copayment known as "Level 2."

EFFECTIVE DATE: 01/01/2021

FORM

#PD100001_SOB_59025NH0380023+00

Level 1 applies to covered outpatient professional services from the following types of providers: all Primary Care Providers (PCPs); obstetricians and gynecologists; Licensed Mental Health Professionals; certified midwives; and nurse practitioners.

Level 2 applies to most outpatient specialty care.

If a provider is categorized as both a Level 1 provider and a Level 2 provider, Level 1 applies. For example, if a provider is both a PCP and a cardiologist, you will be responsible for a Level 1 Copayment.

Your Plan may have other Copayment amounts. Please see the benefit table below for specific Copayment requirements.

Covered Benefits

Your Covered Benefits are administered on a Calendar Year basis. Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For example, for services provided in a physician's office, see "Physician and Other Professional Office Visits." For services provided in a hospital emergency room, see "Emergency Room Care," and for outpatient surgical procedures, please see "Surgery-Outpatient."
