Important Questions	Answers	Why this matters
What is the overall deductible?	**In-Network:** $3,000 member / $6,000 family **Out-of-Network:** $6,000 member / $12,000 family Benefits are administered on a Plan Year basis.	Generally you must pay all the costs up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the policy, the overall family **deductible** must be met before the **plan** begins to pay.
Are there services covered before you meet your deductible?	Yes. Certain preventive drugs, and the following **In-Network** services: **preventive care** and routine eye exams are covered before you meet your **deductible**.	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But, a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost-sharing** and before you meet your **deductible**. See a list of covered **preventive services** at **https://www.healthcare.gov/coverage/preventive-care-benefits/**.
Are there other deductibles for specific services?	No.	You don't have to meet **deductibles** for specific services
What is the out–of–pocket limit for this plan?	**In-Network:** $6,850 member / $13,700 family **Out-of-Network:** $13,700 member / $27,400 family	The **out-of-pocket limit** is the most you could pay in a year of covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limit** until the overall family **out-of-pocket limit** has been met.

Important Questions	Answers	Why this matters
What is not included in the out–of–pocket limit?	Pediatric Dental Care, premiums, balance-billed charges, penalties for failure to obtain **preauthorization** for services and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the **out–of–pocket limit**.
Will you pay less if you use a network provider?	Yes. See **https://www.harvardpilgrim.org/public/find-a-provider** or call **1-888-333-4742** for a list of **preferred providers**.	This **plan** uses a **provider network**. You will pay less if you use a **provider** in the plan's **network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the provider's charge and what your **plan** pays (**balance-billing**). Be aware, your **network provider** might use an **out-of-network provider** for some services (such as lab work). Check with your **provider** before you get services.
Do you need a referral to see a specialist?	No	You can see the **specialist** you choose without a **referral**.

All **copayment** and **coinsurance** cost shown in this chart are after your **deductible** has been met, if a **deductible** applies.
