## MAINE'S CHOICE PLUS HMO FOR INDIVIDUAL MEMBERS *MAINE*

This certificate does not provide pediatric dental benefits. You must purchase an exchange certified stand-alone pediatric dental plan through the carrier of your choice.

This certificate is also available as a child only certificate.

**IMPORTANT NOTICE:** This plan includes a tiered provider network called the "Maine's Choice Plus" Network. In this plan, Members pay different levels of Copayments, Coinsurance or Deductibles depending on the affiliation of the provider delivering a Covered Benefit. You must choose a PCP from either the Preferred Network or the Standard Network. Preferred Network PCPs are located in the state of Maine. Standard Network PCPs may be located outside the state of Maine. Plan Providers other than PCPs may be found in the Preferred Network and Standard Network, and may be located outside the state of Maine. If a Provider changes affiliations at anytime, the tier of that Provider may also change. Please consult the Maine's Choice Plus HMO Provider Directory or visit the provider search tool at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) prior to your services to determine into which tier your provider or facility falls. Please review benefit handbook section *I.D.5. Medical Emergency Services* for more information about your coverage in a Medical Emergency.

# INTRODUCTION

Welcome to the Maine's Choice Plus HMO for Individual Members Plan (the Plan) offered by Harvard Pilgrim Health Care. Thank you for choosing us to help meet your health care needs.

When we use the words "we," "us," and "our" in this Handbook, we are referring to Harvard Pilgrim Health Care. When we use the words "you" or "your" we are referring to Members as defined in the Glossary.

## Renewing Your Coverage

When renewing your premium, your coverage renews. Your coverage is renewable unless (1) you are no longer eligible for the Plan, (2) you can be terminated for cause, or (3) HPHC discontinues the Plan. Premiums may change. We will notify you of any changes to your premium and the date the changes will occur. Please see IX. *Termination and Transfer to Other Coverage* for more information.

## 10 Day Policy Review

You may return the policy within 10 days of delivery if you are not satisfied for any reason. You will be refunded any premium paid.

## Using your Plan

Your health care under the Plan is arranged through our Maine's Choice Plus Provider Network. The Maine's Choice Plus Provider Network includes two benefit levels or tiers known as (1) Preferred Network and (2) Standard Network.

The Preferred Network includes Primary Care Physicians (PCPs) and a variety of specialists, Hospitals and other providers and facilities.

The Standard Network includes all remaining PCPs, specialists, Hospitals and other providers and facilities in the Harvard Pilgrim multi-state provider network.

You'll pay less to see providers in the Preferred Network and more to see providers in the Standard Network. Regardless of the network of your provider, all Harvard Pilgrim providers meet our strict quality standards. Please refer to your Maine's Choice Plus HMO Provider Directory to determine the network of your provider.

When you enroll, you must choose a PCP for yourself and each covered person in your family. You may choose a PCP from either the Preferred Network or the Standard Network. When choosing a PCP, it is important to consider his/her tier placement as your PCP will be providing or coordinating most of your care.

When you enroll, you receive the covered health care services described in this Handbook, the Schedule of Benefits, the Prescription Drug Brochure and any riders or amendments to those documents. These services must be provided or arranged by your PCP, except as described in section I.D.1. *Your PCP Manages Your Health Care*.

As a Member, you can take advantage of a wide range of helpful online tools and resources. For instance, **your secure online account** offers you a secure place to help manage your health care. You are able to check your Schedule of Benefits and Benefit

Handbook, review prescription drug and medical claim histories, change PCPs, compare Hospitals and much more! For details on how to register **your secure online account**, log on to **[www.harvardpilgrim.org](http://www.harvardpilgrim.org)**.

You may also call the Member Services Department if you have any questions. Member Services staff are available to help you with questions about the following:

- Selecting a PCP
- Your Benefit Handbook
- Your benefits
- Your enrollment
- Your claims
- Pharmacy management procedures
- Provider information
- Requesting a Provider Directory
- Requesting a Member Kit
- Requesting ID cards
- Registering a complaint

We can usually accommodate questions from non-English speaking Members, as we offer language interpretation services in more than 180 languages.

Deaf and hard-of-hearing Members who use a Teletypewriter (TTY) may communicate with the Member Services Department. For TTY service, please call **711**.

As we value your input, we would appreciate hearing from you with any comments or suggestions that will help us further improve the quality of service we bring you.

## **Medical Necessity Guidelines**

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our Medical Necessity Guidelines applicable to a service or procedure for which coverage is requested. Medical Necessity Guidelines may be obtained by calling the Member Services Department **1-877-907-4742** or going to **[www.harvardpilgrim.org](http://www.harvardpilgrim.org)**.

**Exclusions or Limitations for Preexisting Conditions.** The Plan does not impose any restrictions, limitations or exclusions related to preexisting conditions on your Covered Benefits.

# I. How the Plan Works

This section describes how to use your Benefit Handbook and how your coverage works under the Maine's Choice Plus HMO for Individual Members (the Plan).

## A. HOW TO USE THIS BENEFIT HANDBOOK

### 1. Why This Benefit Handbook Is Important

This Benefit Handbook, Schedule of Benefits, the Prescription Drug Brochure and any applicable riders and amendments (collectively referred to as the Evidence of Coverage) make up the legal agreement stating the terms of the Plan.

The Benefit Handbook describes how your membership works. It's also your guide to the most important things you need to know, including:

- Covered Benefits
- Exclusions
- The requirement to receive services from a Plan Provider
- The requirement to go to your PCP for most services

You can view your Benefit Handbook, Schedule of Benefits, Prescription Drug Brochure, any applicable pediatric dental riders and amendments online by using **your secure online account** at [www.harvardpilgrim.org](http://www.harvardpilgrim.org).

### 2. Words With Special Meaning

Some words in this Handbook have a special meaning. These words are capitalized and are defined in the *Glossary*.

### 3. How To Find What You Need To Know

This Handbook's Table of Contents will help you find the information you need. The following is a description of some of the important sections of the Handbook.

We put the most important information first. For example, this section explains important requirements for coverage. By understanding Plan rules, you can avoid denials of coverage.

Benefit details are described in section *III. Covered Benefits* and are in the same order as in your Schedule of Benefits. You must review section *III. Covered Benefits* and your Schedule of Benefits for a complete understanding of your benefits.

The Handbook provides detailed information on how to appeal a denial of coverage or file a complaint. This information is in section *VI. Appeals and Complaints*.

## B. HOW TO USE YOUR MAINE'S CHOICE PLUS HMO PROVIDER DIRECTORY

The Maine's Choice Plus HMO Provider Directory identifies the Plan's PCPs, specialists, Hospitals and other providers you must use for most services. It lists providers by state and town, specialty, and languages spoken and whether the provider is a Preferred Provider or a Standard Provider. You may view the Maine's Choice Plus HMO Provider Directory online at our website, [www.harvardpilgrim.org](http://www.harvardpilgrim.org). You can also get a copy of the Maine's Choice Plus HMO Provider Directory, free of charge, by calling the Member Services Department at **1-877-907-4742**. We will refer to the Maine's Choice Plus HMO Provider Directory simply as the Provider Directory throughout the remainder of this handbook.

The online Provider Directory enables you to search for providers by name, gender, specialty, Hospital affiliations, languages spoken, office locations and whether the provider is a Preferred Provider or a Standard Provider. You can also obtain information about whether a provider is accepting new patients. Because it is updated in accordance with state and Federal laws, the information in the online directory will be more current than the paper directory.

**Please Note:** Plan Providers participate through contractual arrangements that can be terminated either by a provider or by us. In addition, a provider may leave the network because of retirement, relocation or other reasons. This means that we cannot guarantee that the Physician you choose will continue to participate in the network for the duration of your membership. If your PCP leaves the network for any reason, we will make every effort to notify you at least 60 days in advance, and will help you find a new Plan Provider. You may be eligible for transition services if your provider leaves the network (please see section *I.F. SERVICES PROVIDED BY A DISENROLLED OR NON-PLAN PROVIDER* for details).

## C. MEMBER OBLIGATIONS

### 1. Choose a Primary Care Provider (PCP)

When you enroll in the Plan you must choose a Primary Care Provider (PCP) from either the

Preferred Network or the Standard Network for yourself and each covered person in your family. You may choose a different PCP for each family member. If you do not choose a PCP when you first enroll, or if the PCP you select is not available, we will assign a PCP to you.

A PCP may be a Physician specializing in internal medicine, family practice, general practice, pediatrics, obstetrics and gynecology, a Physician assistant licensed by the by the Board of Osteopathic Licensure or the Board of Licensure In Medicine, or a certified Nurse practitioner licensed by the Maine Board of Nursing, supervised by a doctor in one of those specialties. PCPs are listed in the Provider Directory. You can access our website at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or call the Member Services Department to confirm that the PCP you select is available.

If you have not seen your PCP before, we suggest you call your PCP for an appointment. **Please do not wait until you are sick.** Your PCP can take better care of you when he or she is familiar with your health history.

You may change your PCP at any time. Just choose a new PCP from the Provider Directory. You can change your PCP online by using **your secure online account** at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling the Member Services Department. The change is effective immediately.

## 2. Obtain Referrals to Specialists

In order to be eligible for coverage by the Plan, most care must be provided or arranged by your PCP. For more information, please see section *I.D. HOW TO OBTAIN CARE*.

If you need to see a specialist, you must contact your PCP for a Referral prior to the appointment. For exceptions, see *I.D.1. Your PCP Manages Your Health Care*. In most cases, a Referral will be given to a Plan Provider who is affiliated with the same Hospital as your PCP or who has a working relationship with your PCP. Referrals to Plan Providers must be given or in writing. Please consult the Provider Directory or visit the provider search tool at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) prior to your services to determine into which network your provider or facility falls.

## 3. Show Your Identification Card

You should show your identification (ID) card every time you request health services. If you do not show your ID card, the Provider may not bill us for Covered Benefits, and you may be responsible

for the cost of the service. You can order a new ID card online by using **your secure online account** at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling the Member Services Department.

## 4. Share Costs

You are required to share the cost of Covered Benefits provided under the Plan. Your Member Cost Sharing may include one or more of the following:

- Copayments
- Coinsurance
- Deductibles

Your Plan also has an Out-of-Pocket Maximum that limits the amount of Member Cost Sharing you will be required to pay. Your specific Member Cost Sharing responsibilities are listed in your Schedule of Benefits. See section *I.E. MEMBER COST SHARING* for more information on Copayments, Coinsurance, Deductibles and Out-of-Pocket Maximums.

## 5. Be Aware that your Plan Does Not Pay for All Health Services

There may be health products or services you need that are not covered by the Plan. Please review section *IV. Exclusions* for more information. In addition, some services that are covered by the Plan are limited. Such limitations are needed to maintain reasonable premium rates for all Members. Please see your Schedule of Benefits for any specific limits that apply to your Plan.

## D. HOW TO OBTAIN CARE

### IMPORTANT POINTS TO REMEMBER

- 1) You and each Member of your family must select a PCP from either the Preferred Network or the Standard Network.
- 2) In order to receive Covered Benefits you must use Plan Providers, except as noted below.
- 3) When you receive Covered Benefits from a provider in the Preferred Network, your Member Cost Sharing is lower.
- 4) When you receive Covered Benefits from a provider in the Standard Network, your Member Cost sharing is higher.
- 5) If you need care from a specialist, you must contact your PCP for a Referral. For exceptions, see *I.D.1. Your PCP Manages Your Health Care* and *I.D.7. Services That Do Not Require a Referral* below.
- 6) In the event of a Medical Emergency, you should go to the nearest emergency facility or call 911 or other local emergency number. You do not need a Referral for Medical Emergency Services.

### 1. Your PCP Manages Your Health Care

When you need care, call your PCP. In order to be eligible for coverage by the Plan, most services must be provided or arranged by your PCP. The only exceptions are:

- Care in a Medical Emergency.
- Care when you are temporarily traveling outside of the state where you live as described below.
- Mental health care, which may be arranged by calling the Behavioral Health Access Center at **1-888-777-4742**. The telephone number for the Behavioral Health Access Center is also listed on your ID card. Please see section *III. Covered Benefits, Mental Health and Substance Use Disorder Treatment* for information on this benefit.
- Special services that do not require a Referral that are listed below.
- Covered Benefits with a Plan Provider with a referral from a Direct Primary Care Provider.

Either your PCP or a covering Plan Provider is available to direct your care 24 hours a day. Talk to your PCP and find out what arrangements are available for care after normal business hours. Some PCPs may have covering Physicians after hours and others may have extended office or clinic hours.

You may change your PCP at any time. Just choose a new PCP from the Provider Directory. You can change your PCP online by using **your secure online account** at **[www.harvardpilgrim.org](http://www.harvardpilgrim.org)** or by calling the Member Services Department. The change is effective immediately. If you select a new PCP, all Referrals from your prior PCP become invalid. Your new PCP will need to assess your condition and provide new Referrals.

### 2. Referrals for Hospital and Specialty Care

When you need Hospital or specialty care, you must first call your PCP, who will coordinate your care. For exceptions, see *I.D.1. Your PCP Manages Your Health Care*. Your PCP generally uses one Hospital for inpatient care. This is where you will need to go for coverage, unless it is Medically Necessary for you to get care at a different Hospital.

When you need specialty care, your PCP will refer you to a Plan Provider who is affiliated with the Hospital your PCP uses or who has a working relationship with your PCP. For exceptions, see *I.D.1. Your PCP Manages Your Health Care*. This helps your PCP coordinate and maintain the quality of your care. Please ask your PCP about the Referral networks that he or she uses. Please consult the Provider Directory or visit the provider search tool at **[www.harvardpilgrim.org](http://www.harvardpilgrim.org)** prior to your services to determine into which tier your provider or facility falls.

Plan Providers with recognized expertise in specialty pediatrics are covered with a Referral from your PCP. For exceptions, see *I.D.1. Your PCP Manages Your Health Care*. Pediatric mental health care may be obtained by calling the Behavioral Health Access Center at **1-888-777-4742**.

Your PCP may authorize a standing Referral with a specialty care provider when:

- 1) The PCP determines that the Referral is appropriate;
- 2) The specialty care provider agrees to a treatment plan for the Member and provides the PCP with necessary clinical and administrative information on a regular basis; and
- 3) The services provided are Covered Benefits as described in this Handbook and your Schedule of Benefits.

There are certain specialized services for which you will be directed to a Center of Excellence for care. Please see section *I.D.4. Centers of Excellence* for more information.

Certain specialty services may be obtained without involving your PCP. For more information please see section *I.D.7. Services That Do Not Require a Referral*.

You may receive Covered Benefits from a Plan Provider with a referral from a Direct Primary Care Provider.

### 3. Using Plan Providers

Covered Benefits must be received from a Plan Provider to be eligible for coverage. However, there are specific exceptions to this requirement. Covered Benefits from a provider who is not a Plan Provider will be covered if one of the following exceptions applies:

1. The service was received in a Medical Emergency. (Please see section *I.D.5. Medical Emergency Services* below for information on your coverage in a Medical Emergency.)
2. The service was received while you were outside of the state where you live and coverage is available under the benefit for temporary travel. Please see section *I.D.6. Coverage for Services When You Are Temporarily Traveling Outside of the State Where You Live* for information on this benefit.
3. No Plan Provider has the professional expertise needed to provide the Medically Necessary Covered Benefit. In this case, services by a Non-Plan Provider require Prior Approval in advance by us, unless one of the exceptions above applies.
4. Your Physician is disenrolled as a Plan Provider and one of the exceptions stated in section *I.F. SERVICES PROVIDED BY A DISENROLLED OR NON-PLAN PROVIDER* applies. Please refer to that section for the details of these exceptions.

In these instances, you will receive these out-of-network services subject to your applicable in-network cost sharing.

To find out if a provider is in the Plan network, see the Provider Directory. The Provider Directory is available online at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling our Member Services Department at **1-877-907-4742**.

**Please Note:** When care cannot be provided by a Plan Provider, HPHC will apply the highest cost tier listed in your Schedule of Benefits for covered services.

### 4. Centers of Excellence

Certain specialized services are only covered when received from designated Plan Providers with special

training, experience, facilities or protocols for the service. We refer to these Plan Providers as “Centers of Excellence.”

Centers of Excellence are selected by us based on the findings of recognized specialty organizations or government agencies such as Medicare.

In order to receive benefits for the following service, you must obtain care at a Plan Provider that has been designated as a Center of Excellence:

- Weight loss surgery (bariatric surgery)

**Important Notice:** No coverage is provided for the service listed above unless it is received from a Plan Provider that has been designated as a Center of Excellence. To verify a Provider’s status, see the Provider Directory. The Provider Directory is available online at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or call our Member Services Department at **1-877-907-4742**.

We may revise the list of services that must be received from a Center of Excellence upon 30 days’ notice to Members. Services or procedures may be added to the list when we identify services in which significant improvements in the quality of care may be obtained through the use of selected providers. Services or procedures may be removed from the list if we determine that significant advantages in quality of care will no longer be obtained through the use of a specialized panel of providers.

### 5. Medical Emergency Services

In a Medical Emergency, including a mental health condition, you should go to the nearest emergency facility or call 911 or other local emergency number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in your Schedule of Benefits. Please remember that if you are hospitalized, you must call the Plan at **1-877-907-4742** within 48 hours or as soon as you can. This telephone number can also be found on your ID card. If notice of hospitalization is given to the Plan or PCP by an attending emergency Physician no further notice is required. Your PCP will help to arrange for most follow-up care you may need. See the *Glossary* for additional information on Medical Emergency Services.

### 6. Coverage for Services When You Are Temporarily Traveling Outside of the State Where You Live

When you are temporarily traveling outside of the state where you live, the Plan covers urgently needed Covered Benefits for Sickness or injury. You do not have to call your PCP before getting care. However, the following services are not covered:

- Care you could have foreseen the need for before traveling outside of the state where you live;
- Routine examinations and preventive care, including immunizations;
- Follow-up care that can wait until your return.

If you are hospitalized, you must call the Plan at **1-877-907-4742** within 48 hours, or as soon as you can. This telephone number can also be found on your ID card. If notice of hospitalization is given to the Plan or PCP by an attending emergency Physician no further notice is required. Your PCP will help to arrange for most follow-up care you may need.

You must file a claim whenever you obtain services from a Non-Plan Provider. For more information, please see section *V. Reimbursement and Claims Procedures*. Member Cost Sharing amounts will be applied as listed in your Schedule of Benefits.

### **7. Services That Do Not Require a Referral**

While in most cases you will need a Referral from your PCP to get covered care from any other Plan Provider, you do not need a Referral for the services listed below. However, you must get these services from a Plan Provider. Plan Providers are listed in the Provider Directory. We urge you to keep your PCP informed about such care so that your medical records are up-to-date and your PCP is aware of your entire medical situation.

#### **i. Family Planning Services:**

- Contraceptive monitoring
- Family planning consultation, including pregnancy testing
- Tubal ligation
- Voluntary termination of pregnancy

#### **ii. Outpatient Maternity Services**

- Routine outpatient prenatal and postpartum care
- Consultation for expectant parents to select a PCP for the child

#### **iii. Gynecological Services**

- Annual gynecological exam, including routine pelvic and clinical breast exam
- Cervical cryosurgery
- Colposcopy with biopsy
- Excision of labial lesions
- Follow-up care provided by an obstetrician or gynecologist for obstetrical or gynecological

conditions identified during maternity care or annual gynecological visit

- Laser cone vaporization of the cervix
- Loop electrosurgical excisions of the cervix (LEEP)
- Treatment of amenorrhea
- Treatment of condyloma

#### **iv. Dental Services:**

- Emergency Dental Care
- Extraction of teeth impacted in bone

#### **v. Other Services:**

- Acupuncture treatment for injury or illness
- Chiropractic care
- Nutritional counseling
- Routine eye examination
- Urgent eye care
- Urgent Care services

### **E. MEMBER COST SHARING**

Below are descriptions of Member Cost Sharing that may apply under the Plan. See your Schedule of Benefits for Cost Sharing details that are specific to your Plan. There may be two types of office visit cost sharing that apply to your Plan: a lower cost sharing known as "Level 1" and a higher cost sharing known as "Level 2." Member Cost Sharing may include Copayments, Coinsurance, or Deductible amounts, as described throughout this section. Please consult your Schedule of Benefits for the applicable Member Cost Sharing. Preferred Providers will have lower Member Cost Sharing than Standard Providers. However, if a Plan Provider is listed in both the Preferred Network and Standard Network, your Member Cost Sharing will depend on the affiliation of the provider.

Members are only responsible for their Member Cost Sharing for services rendered by Plan Providers. Plan Providers are prohibited from balance billing Members.

#### **1. Copayment**

A Copayment is a fixed dollar amount that you must pay for certain Covered Benefits. Copayments are due at the time of service or when billed by the Plan Provider.

If your Plan Provider is a Standard Provider, please consult your Schedule of Benefits for the applicable Member Cost Sharing. However, if a Plan Provider

is listed in both the Preferred Network and Standard Network, your Member Cost Sharing will depend on the affiliation of the provider.

Your Plan may have other Copayment amounts. For more information about Copayments under your Plan, including your specific Copayment requirements, please refer to your Schedule of Benefits.

## **2. Deductible**

A Deductible is a specific dollar amount that is payable by a Member for Covered Benefits received each Calendar Year before any benefits subject to the Deductible are payable by the Plan. If a family Deductible applies, it is met when any combination of Members in a covered family incur expenses for services to which the Deductible applies. Deductible amounts are incurred on the date of service. You may have different Deductibles that apply to different Covered Benefits under your Plan. If a Deductible applies to your Plan, it will be listed in your Schedule of Benefits.

If your Plan has a Deductible, it will have both an individual Deductible and a family Deductible. However, please note that a family Deductible only applies if you have Family Coverage. Unless a family Deductible applies, you are responsible for the individual Deductible for Covered Benefits each Calendar Year. If you are a Member with Family Coverage, the Deductible can be satisfied in one of two ways:

- a. If a Member of a covered family meets an individual Deductible, then that Member has no additional Deductible Member Cost Sharing for Covered Benefits the remainder of the Calendar Year.
- b. If any number of Members in a covered family collectively meet the family Deductible, then all Members of the covered family have no additional Deductible Member Cost Sharing for Covered Benefits for the remainder of the Calendar Year. No one family member may contribute more than the individual Deductible amount to the family Deductible.

Once a Deductible is met, coverage by the Plan is subject to any other Member Cost Sharing that may apply.

If a Member changes to Family Coverage from Individual Coverage or to Individual Coverage from Family Coverage within a Calendar Year, expenses that Member incurred for Covered Benefits toward the Deductible under the prior coverage will apply toward

the Deductible limit under his/her new coverage. If the previously incurred Deductible amount is greater than the new Deductible limit, the member or family will only be responsible for applicable Copayment or Coinsurance amounts listed in his/her Schedule of Benefits.

Some Plans include a Deductible Rollover. A Deductible Rollover allows you to apply any Deductible amount incurred for Covered Benefits during the last three (3) months of a year toward the Deductible for the next year. In order for a Deductible Rollover to apply, the Member (or Family) must have had continuous coverage under the Plan through the same Employer Group at the time the charges for the prior year were incurred. If a Deductible Rollover applies, it will be stated in your Schedule of Benefits.

## **3. Coinsurance**

After the appropriate Deductible amount is met, you may be responsible for paying a Coinsurance amount, which is a percentage of the Allowed Amount or the Recognized Amount, if applicable. When using Plan Providers, the Allowed Amount is based on the contracted rate between HPHC and the Plan Provider. Coinsurance amounts are listed in your Schedule of Benefits.

## **4. Out-of-Pocket Maximum**

Your coverage includes an Out-of-Pocket Maximum. An Out-of-Pocket Maximum is the total amount of Copayments, Deductible or Coinsurance payments for which a Member or a family is responsible in a Calendar Year. Once the Out-of-Pocket Maximum has been reached, no further Copayment, Deductible or Coinsurance amounts will be payable by the Member and HPHC will pay 100% of the Allowed Amount for the remainder of the Calendar Year. Once a family Out-of-Pocket Maximum has been met in a Calendar Year, the Out-of-Pocket Maximum is deemed to have been met by all Members in a family for the remainder of the Calendar Year.

Certain expenses do not apply to the Out-of-Pocket Maximum. Penalty amounts and charges above the Allowed Amount never apply to the Out-of-Pocket Maximum.

In most cases where an Out-of-Pocket Maximum is included in the Plan, you have both an individual Out-of-Pocket Maximum and a family Out-of-Pocket Maximum. If you are a Member with Family Coverage, your Out-of-Pocket Maximum can be reached in one of two ways:

- a. If a Member of a covered family meets an individual Out-of-Pocket Maximum, then that Member has no additional Member Cost Sharing for the remainder of the Calendar Year.
- b. If any number of Members in a covered family collectively meet the family Out-of-Pocket Maximum, then all Members of the covered family have no additional Member Cost Sharing for the remainder of the Calendar Year.

If a Member changes to Family Coverage from Individual Coverage or to Individual Coverage from Family Coverage within a Calendar Year, expenses that Member incurred for Covered Benefits toward the Out-of-Pocket Maximum under the prior coverage will apply toward the Out-of-Pocket Maximum limit under the Member's new coverage. If the incurred Out-of-Pocket Maximum amount is greater than the new Out-of-Pocket Maximum limit, the Member will have no additional cost sharing for that Calendar Year.

## **F. SERVICES PROVIDED BY A DISENROLLED OR NON-PLAN PROVIDER**

### **1. Disenrollment of a Plan Provider**

If your Provider is disenrolled as a Plan Provider for reasons unrelated to fraud or quality of care, we will use our best efforts to provide you with written notice at least 60 days prior to the date of your Plan Provider's disenrollment. That notice will also explain the process for selecting a new Plan Provider. You may be eligible to continue to receive coverage for services provided by the disenrolled Plan Provider, under the terms of this Handbook and your Schedule of Benefits, for at least 60 days after the disenrollment date.

You may also be eligible to continue to receive coverage for the following services from the disenrollment date or the date you receive notice of disenrollment (whichever is later):

#### **i. Active Course of Treatment**

Except for pregnancy and terminal illness as described below, if you are undergoing an active course of treatment for an illness, injury or condition, we may authorize additional coverage through the active course of treatment or up to 90 days (whichever is shorter). An active course of treatment includes when a member has a "serious and complex condition", is currently undergoing a course of institutional or inpatient care, or has scheduled nonelective surgery including any related postoperative care.

The term "serious and complex condition" is an acute illness that is serious enough to require specialized

medical treatment to avoid the reasonable possibility of death or permanent harm; or is a chronic illness that is (a) life-threatening, degenerative, potentially disabling, or congenital; and (b) requires specialized medical care over a prolonged period of time.

#### **ii. Pregnancy**

If you are a female Member and are pregnant, you may continue to receive coverage for services from your disenrolled provider through delivery and up to 12 months of postpartum visits immediately following childbirth.

#### **iii. Terminal Illness**

A Member with a terminal illness may continue to receive coverage for services delivered by the disenrolled provider until the Member's death.

### **2. New Membership**

If you are a new Member, we will provide coverage for services delivered by a physician who is not a Plan Provider, under the terms of this Handbook and your Schedule of Benefits, for up to 60 days from your effective date of coverage if the physician is providing you with an ongoing course of treatment. We will provide you with written notice explaining the process for obtaining an alternate Plan Provider.

With respect to a Member in her second or third trimester of pregnancy, this provision shall apply to services rendered through the first postpartum visit. With respect to a Member with a Terminal Illness, this provision shall apply to services rendered until death.

### **3. Conditions for Coverage of Services by a Disenrolled or Non-Plan Provider**

Services received from a disenrolled or Non-Plan Provider as described in the paragraphs above, are only covered when the physician agrees to:

- Accept reimbursement from us at the rates applicable prior to the start of the transitional period as payment in full and not to impose Member Cost Sharing with respect to the Member in an amount that would exceed the Member Cost Sharing that could have been imposed if the provider had not been terminated;
- Adhere to our policies and procedures, including procedures regarding Referrals, obtaining Prior Approval and providing Covered Benefits pursuant to a treatment plan, if any, approved by us.

## G. MEDICAL NECESSITY GUIDELINES

---

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our Medical Necessity Guidelines applicable to a service or procedure for which coverage is requested. Medical Necessity Guidelines may be obtained by calling **1-877-907-4742** or going to [www.harvardpilgrim.org](http://www.harvardpilgrim.org)

## H. PROVIDER FEES FOR SPECIAL SERVICES (CONCIERGE SERVICES)

---

Certain Physician practices charge extra fees for special services or amenities, in addition to the benefits covered by the Plan. Examples of such special Physician services might include: telephone access to a Physician 24-hours a day; waiting room amenities; assistance with transportation to medical appointments; guaranteed same day or next day appointments when not Medically Necessary; or providing a Physician to accompany a patient to an appointment with a specialist. Such services are not covered by the Plan. The Plan does not cover fees for any service that is not included as a Covered Benefit under this Evidence of Coverage.

In considering arrangements with Physicians for special services, you should understand exactly what services are to be provided and whether those services are worth the fee you must pay. For example, the Plan does not require Plan Providers to be available by telephone 24-hours a day. However, the Plan does require PCPs to provide both an answering service that can be contacted 24-hours a day and prompt appointments when Medically Necessary.

## I. BUNDLED PAYMENT ARRANGEMENTS

---

The Plan may participate in bundled payment arrangements with certain Providers under which a specific service or treatment is paid for based on a fixed sum for all of the Covered Benefits you receive. Member Cost Sharing for Covered Benefits under a bundled payment arrangement may be less than if the Covered Benefits were received without the bundled payment arrangement. Please refer to [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or call the Member Services Department at **1-877-907-4742** for a list of Providers who have bundled payment arrangements with Harvard Pilgrim and their corresponding services. We may revise the list of Providers or services who have bundled payment arrangements upon 30 days notice to Members.

## J. COUNSELING PROGRAMS

---

Harvard Pilgrim offers certain counseling programs to Members receiving care covered under the Plan. These services may include counseling sessions held in person, virtually by telephone or video, or online through secure digital messaging. C counseling sessions are designed to treat depression, anxiety or stress that may accompany chronic conditions or life events. These counseling sessions may be available to you at lower Member Cost Sharing. Please log into your secure online account at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or call the Member Services Department at **1-877-907-4742** for more information concerning these programs and their Member Cost Sharing obligations.

## K. CARE MANAGEMENT PROGRAMS

---

The Plan provides care management programs for Members with certain illnesses and injuries. These programs are designed to encourage the use of the most appropriate and cost-effective treatment and to provide support for the Member's care. Care management may include programs for medical and behavioral health care including, but not limited to, cancer; heart; lung and kidney diseases; severe traumatic injuries; behavioral health disorders; substance use disorders; high risk pregnancies and newborn care. The Plan may work with certain providers to establish care management programs. The Plan or providers affiliated with the care management program may identify and contact Members that may be candidates for its programs. The Plan or providers may also contact Members to assist with enrollment, develop treatment plans, establish goals or determine alternatives to a member's current treatment plan. Covered Benefits provided through a care management program may apply Member Cost Sharing.

## II. Glossary

This section lists words with special meaning within the Handbook.

### **Accident or Accidental Injury**

Accidental bodily injury sustained by the insured person that is the direct cause of the condition for which benefits are provided and that occurs while the insurance is in force.

**Activities of Daily Living** The basic functions of daily life include bathing, dressing, and mobility, including, but not limited to, transferring from bed to chair and back, walking, sleeping, eating, taking medications and using the toilet.

**Adverse Benefit Determination** Any of the following, including but not limited to (1) an Adverse Health Care Treatment Decision or (2) a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a Covered Benefit, including an action based on a determination of a Member's ineligibility to participate in the Plan.

**Adverse Health Care Treatment Decision** A health care treatment decision made by or on behalf of HPHC denying in whole or in part payment for a provision of otherwise Covered Benefits requested by or on behalf of a Member. Adverse Health Care Treatment Decision includes a rescission determination and an initial coverage eligibility determination.

**Allowed Amount** The Allowed Amount is the maximum amount the Plan will pay for Covered Benefits minus any applicable Member Cost Sharing.

The Allowed Amount depends upon whether a Covered Benefit is provided by a Plan Provider or a Non-Plan Provider, as follows:

1. **Plan Providers.** If a Covered Benefit is provided by a Plan Provider, the Allowed Amount is the contracted rate HPHC has agreed to pay Plan Providers. The Plan Providers are not permitted to charge the Member

any amount for Covered Benefits, except the applicable Member Cost Sharing amount for the service, in addition to the Allowed Amount.

2. **Non-Plan Providers.** Most services that are Covered Benefits under your Plan must be provided by a Plan Provider to be covered by HPHC. However, there are exceptions. These include: (i) care in a Medical Emergency; and (ii) care while traveling outside of the state where you live.

If services provided by a Non-Plan Provider are Covered Benefits under your Plan, the Allowed Amount for such services depends upon where the Member receives the service, as explained below.

- a. If a Member receives Covered Benefits from a Non-Plan Provider in the states of Massachusetts, New Hampshire, Maine, Rhode Island, Vermont or Connecticut, the Allowed Amount is defined as follows:

The Allowed Amount is the lower of the Provider's charge or a rate determined as described below:

An amount that is consistent, in the judgment of the Plan, with the normal range of charges by health care Providers for the same, or similar, products or services provided to a Member. If the Plan has appropriate data for the area, the Plan will determine the normal range of charges in the geographic area where the product or services were provided to the Member. If the Plan does not have data to reasonably determine the normal range of charges where the products or services were provided, the Plan will utilize the normal range of charges in Boston, Massachusetts. Where services are provided by non-Physicians but the data on provider charges available to the Plan is based on charges

for services by Physicians, the Plan will, in its discretion, make reasonable reductions in its determination of the allowable charge for such non-Physician Providers.

- b. If a Member receives Covered Benefits from a Non-Plan Provider outside of Massachusetts, New Hampshire, Maine, Rhode Island, Vermont or Connecticut, the Allowed Amount is defined as follows:

The Allowed Amount is the lower of the Provider's charge or a rate determined as described below:

The Allowed Amount is determined based on 150% of the published rates allowed by the Centers for Medicare and Medicaid Services (CMS) for Medicare for the same or similar service within the geographic market.

When a rate is not published by CMS for the service, we use other industry standard methodologies to determine the Allowed Amount for the service as follows:

For services other than Pharmaceutical Products, we use a methodology called a relative value scale, which is based on the difficulty, time, work, risk and resources of the service. The relative value scale currently used is created by Optuminsight, Inc. If the Optuminsight, Inc. relative value scale becomes no longer available, a comparable scale will be used.

For Pharmaceutical Products, we use industry standard methodologies that are similar to the pricing methodology used by CMS and produce fees based on published acquisition costs or average wholesale price for the pharmaceuticals. These methodologies are currently created by RJ Health Systems, Thomson Reuters (published in its Red Book), or UnitedHealthcare based on an

internally developed pharmaceutical pricing resource.

When a rate is not published by CMS for the service and no industry standard methodology applies to the service, or the provider does not submit sufficient information on the claim to pay it under CMS published rates or an industry standard methodology, the Allowed Amount will be 50% of the provider's billed charge, except that the Allowed Amount for certain mental health and substance use disorder treatment will be 80% of the billed charge.

Pricing of the Allowed Amount will be conducted by UnitedHealthcare, Inc. United Healthcare, updates the CMS published rate data on a regular basis when updated data from CMS becomes available. These updates are typically implemented within 30 to 90 days after CMS updates its data.

As stated above, the Allowed Amount is the maximum amount the Plan will pay for Covered Benefits minus any applicable Member Cost Sharing. Most Non-Plan Providers are permitted to charge amounts for Covered Benefits in excess of the Allowed Amount. In that event, the Plan is responsible for payment of the Allowed Amount, minus any applicable Member Cost Sharing. The Member is responsible for paying the applicable Member Cost Sharing amount and any additional amount charged by the Non-Plan Provider.

**Anniversary Date** The date upon which your yearly premium rate is adjusted and benefit changes become effective. This *Handbook*, *Schedule of Benefits* and *Prescription Drug Brochure* will terminate unless renewed on the Anniversary Date.

✓ FOR EXAMPLE: If your Anniversary Date is January 1st, this is the date when the Plan goes into effect and begins to pay for Covered Benefits.

**Behavioral Health Access Center** The organization, designated by us, that is responsible for arranging for the provision of services for Members in need of mental health and substance use disorder treatment. You may

contact the Behavioral Health Access Center by calling **1-888-777-4742**. The Behavioral Health Access Center will assist you in finding an appropriate Plan Provider and arranging the services you require.

**Benefit Handbook (or Handbook)**

This document that describes the terms and conditions of the Plan, including but not limited to, Covered Benefits and exclusions from coverage.

**Benefit Limit** The day, visit or dollar limit maximum that applies to certain Covered Benefits. Once the Benefit Limit has been reached, no more benefits will be paid for such services or supplies. If you exceed the Benefit Limit, you are responsible for all charges incurred. The Benefit Limits applicable to your Plan are listed in your Schedule of Benefits.

✓ FOR EXAMPLE: If your Plan offers 30 visits per Calendar Year for physical therapy services, once you reach your 30 visit limit for that Calendar Year, no additional benefits for that service will be covered by the Plan.

**Calendar Year** The one-year period beginning on January 1 for which benefits are purchased and administered. Benefits for which limited yearly coverage is provided renew at the beginning of the Calendar Year. Benefits for which limited coverage is provided every two years renew at the beginning of every second Calendar Year.

**Centers of Excellence** Certain specialized services are only covered when received from designated providers with special training, experience, facilities or protocols for the service. Centers of Excellence are selected by us based on the findings of recognized specialty organizations or government agencies such as Medicare.

**Clinical Peer** A Physician or other licensed health care practitioner who holds a non-restricted license in a state in the U.S., is board certified in the same or similar specialty as typically manages the medical condition, procedure, or treatment under review,

and whose compensation does not depend, directly or indirectly, upon the quantity, type, or cost of the medical condition, procedure, or treatment that the practitioner approves or denies on behalf of the Plan.

**Coinsurance** A percentage of the Allowed Amount, or Recognized Amount, if applicable, for certain Covered Benefits that must be paid by the Member. Coinsurance amounts are in addition to any Deductible and any applicable Copayment. Coinsurance amounts applicable to your Plan are stated in your Schedule of Benefits.

✓ FOR EXAMPLE: If the Coinsurance for a service is 20%, you pay 20% of the Allowed Amount while we pay the remaining 80%.

**Copayment** A fixed dollar amount you must pay for certain Covered Benefits. The Copayment is usually due at the time services are rendered or when billed by the provider. Your specific Copayment amounts, and the services to which they apply, are listed in your Schedule of Benefits.

Occasionally the Copayment may exceed the contract rate payable by the Plan for a service. If the Copayment is greater than the contract rate, you are responsible for the full Copayment, and the provider keeps the entire Copayment.

✓ FOR EXAMPLE: If your Plan has a \$20 Copayment for outpatient visits, you'll pay \$20 at the time of the visit or when you are billed by the provider.

**Cosmetic Services** Cosmetic Services are surgery, procedures or treatments that are performed primarily to reshape or improve the individual's appearance.

**Covered Benefit(s)** The products and services that a Member is eligible to receive, or obtain payment for, under the Plan.

**Custodial Care** Services provided to a person for the primary purpose of meeting non-medical personal needs (e.g., bathing, dressing, preparing

meals, including special diets, taking medication, assisting with mobility).

**Deductible** A specific dollar amount that is payable by a Member for Covered Benefits received each Calendar Year before any benefits subject to the Deductible are payable by the Plan. There may be an individual Deductible and a family Deductible, and you may have different Deductibles that apply to different Covered Benefits under your Plan. If a family Deductible applies to your Plan, it will be stated in your Schedule of Benefits. The Deductible does not apply to non-Covered Benefits.

 **FOR EXAMPLE:** If your Plan has a \$500 Deductible and you have a claim with the Allowed Amount of \$1,000, you will be responsible for the first \$500 to satisfy your Deductible requirement before the Plan begins to pay benefits.

**Dental Care** Any service provided by a licensed dentist involving the diagnosis or treatment of any disease, pain, injury, deformity or other condition of the human teeth, alveolar process, gums, jaw or associated structures of the mouth. However, surgery performed by an oral maxillofacial surgeon to correct positioning of the bones of the jaw (orthognathic surgery) is not considered Dental Care within the meaning of this definition.

**Dependent** A Member of the Subscriber's family who (1) meets the eligibility requirements as described in section VII.A.3. *Dependent Eligibility* for coverage through a Subscriber and (2) is enrolled in the Plan.

**Direct Primary Care Provider** An individual who is a licensed physician or osteopathic physician or other advanced health care practitioner who is a non-Plan Provider, who is authorized to engage in independent medical practice in Maine, who is qualified to provide primary care services and who chooses to practice direct primary care by entering into a direct primary care service agreement with patients. The term includes, but is not limited to, an individual primary

care provider or a group of primary care providers.

**Please Note:** A referral can be made by a Direct Primary Care Provider who is not included in the Plan's provider network, subject to confirmation of the Direct Primary Care Provider's relationship with the Member.

**Enrollment Area** The geographic area in which you must live in order to be eligible to enroll as a Member under the Plan. The Enrollment Area includes the counties of Androscoggin, Cumberland, Franklin, Kennebec, Knox, Lincoln, Oxford, Sagadahoc, Waldo, and York. We may add or delete counties from the Enrollment Area from time to time.

**Evidence of Coverage** The legal documents, including the Benefit Handbook, Schedule of Benefits, Prescription Drug Brochure, and any applicable riders and amendments which describe the services covered by the Plan, and other terms and conditions of coverage.

**Experimental, Unproven, or Investigational** Any products or services, including, but not limited to, drugs, devices, treatments, procedures, and diagnostic tests, will be deemed Experimental, Unproven, or Investigational by us under this Benefit Handbook for use in the diagnosis or treatment of a particular medical condition if any the following is true:

- a. The product or service is not recognized in accordance with generally accepted medical standards as being safe and effective for the use in the evaluation or treatment of the condition in question. In determining whether a service has been recognized as safe or effective in accordance with generally accepted evidence-based medical standards, primary reliance will be placed upon data from published reports in authoritative medical or scientific publications that are subject to established peer review by qualified medical or scientific experts prior to publication. In

the absence of any such reports, it will generally be determined that a service, procedure, device or drug is not safe and effective for the use in question.

- b. In the case of a drug, the drug has not been approved by the United States Food and Drug Administration (FDA) (this does not include off-label uses of FDA approved drugs) or if approved for lawful marketing by the FDA and reliable scientific evidence does not support that the treatment is effective in improving health outcomes or that appropriate patient selection has not been determined.

**Family Coverage** Coverage for a Member and one or more Dependents.

**Habilitation Services** Health care services that help a person keep, learn, or improve skills and functioning for daily living. These services may include physical and occupational therapies and speech-language services.

**Harvard Pilgrim Health Care (HPHC)** Harvard Pilgrim Health Care is a Massachusetts corporation that is licensed as a Health Maintenance Organization (HMO) in the state of Maine. HPHC provides or arranges for health care benefits to Members through a network of Primary Care Providers, specialists and other providers.

**Hospital** An inpatient facility that is licensed to operate pursuant to law and that is primarily and continuously engaged in providing or operating (either on its premises or in facilities available to the Hospital on a prearranged basis and under the supervision of a staff of licensed Physicians) medical, diagnostic, and major surgical facilities for the medical care and treatment of sick or injured persons on an inpatient basis for which a charge is made.

**Individual Coverage** Coverage for a Subscriber only. No coverage for Dependents is provided.

**Maine's Choice Plus HMO Provider Directory** A directory that identifies

Plan Providers. We may revise the Maine's Choice Plus HMO Provider Directory from time to time without notice to Members. We will also refer to the Maine's Choice Plus HMO Provider Directory simply as the Provider Directory throughout this handbook. The most current listing of Plan Providers is available on [www.harvardpilgrim.org](http://www.harvardpilgrim.org).

**Medical Drugs** A prescription drug that is administered to you either (1) in a doctor's office or other outpatient medical facility, or (2) at home while you are receiving home health care services or receiving drugs administered by home infusion services. Medical Drugs cannot be self-administered. The words "cannot be self-administered" mean that the active participation of skilled medical personnel is always required to take the drug. When a Member is receiving drugs in the home, the words "cannot be self-administered" will also include circumstances in which a family member or friend is trained to administer the drug and ongoing supervision by skilled medical personnel is required.

**Medical Emergency** The sudden and, at the time, unexpected onset of a physical or mental health condition, including severe pain, manifesting itself by symptoms of sufficient severity, regardless of the final diagnosis that is given, that would lead a prudent layperson, possessing an average knowledge of medicine and health, to believe that the absence of immediate medical attention for the Member could reasonably be expected to result in: (a) placing the Member's physical and/or mental health in serious jeopardy (or with respect to pregnant woman, the health of the woman or her unborn child); (b) serious impairment to bodily functions; or (c) serious dysfunction of any bodily organ or part. Examples of Medical Emergencies are: heart attack or suspected heart attack, stroke, shock, major blood loss, choking, severe head trauma, loss of consciousness, seizures, and convulsions. A Medical Emergency includes a situation involving a pregnant woman who

is having contractions where there is either inadequate time to safely transfer her to another Hospital before delivery or any transfer may pose a threat to the safety of the woman or unborn child.

**Medically Necessary or Medical Necessity** Health care services or products provided to a Member for the purpose of preventing, diagnosing or treating an illness, injury or disease or the symptoms of an illness, injury or disease in a manner that is: (a) consistent with generally accepted standards of medical practice, (b) clinically appropriate in terms of type, frequency, extent, location of service and duration, (c) demonstrated through scientific evidence to be effective in improving health outcomes, (d) representative of best practices in the medical profession, and (e) not primarily for the convenience of the enrollee or Physician or other health care provider.

**Please Note:** To determine coverage of Medically Necessary services, we use Medical Necessity Guidelines (MNG) created using clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of the Medical Necessity Guideline(s) applicable to a service or procedure for which coverage is requested by going online or calling **1-877-907-4742**.

**Medicare** The Health Insurance for the Aged Act, Title XVIII of the Social Security Amendments of 1965 as then constituted or later amended.

**Member** Any Subscriber or Dependent covered under the Plan.

**Member Cost Sharing** The responsibility of Members to assume a share of the cost of the benefits provided under the Plan. Member Cost Sharing may include Copayments, Coinsurance and Deductibles. Please refer to your Schedule of Benefits for the specific Member Cost Sharing that applies to your Plan. There may be two types of office visit cost sharing that apply to your Plan: a lower cost sharing known as "Level 1" and a higher cost

sharing known as "Level 2." Preferred Providers will have lower Member Cost Sharing than Standard Providers. However, if a Plan Provider is listed in both the Preferred Network and Standard Network, your Member Cost Sharing will depend on the affiliation of the provider.

**Medical Emergency Services** Services provided during a Medical Emergency, including:

- A medical screening examination (as required under section 1867 of the Social Security Act or as would be required under such section if such section applied to an independent freestanding emergency department) that is within the capability of the emergency department of a Hospital, or an independent freestanding emergency department, as applicable, including ancillary services routinely available to the emergency department to evaluate such Medical Emergency, and
- Further medical examination and treatment, within the capabilities of the staff and facilities available at the Hospital or independent freestanding emergency department, as applicable, as are required under section 1867 of the Social Security Act, or as would be required under such section if such section applied to an independent freestanding emergency department, to stabilize the patient (regardless of the department of the hospital in which such further exam or treatment is provided).
- Items and services, otherwise covered under the Plan, that are provided by a Non-Plan Provider or facility (regardless of the department of the Hospital in which the items and services are provided) after the Member is stabilized and as part of an inpatient stay or outpatient services that are connected to the original Medical Emergency,

## MAINE'S CHOICE PLUS HMO FOR INDIVIDUAL MEMBERS - MAINE

unless each of the following conditions are met:

- a. The Provider or facility, as described above, determines the Member is able to travel using non-medical transportation or non-emergency medical transportation.
- b. The Provider furnishing the additional items and services satisfies notice and consent criteria in accordance with applicable law.
- c. The patient is in such a condition to receive information as stated in b) above and to provide informed consent in accordance with applicable law.
- d. Any other conditions as specified by the Secretary.

**Network** Providers of health care services, including but not limited to, Physicians, Hospitals and other health care facilities that are under contract with us to provide services to Members.

**Non-Plan Provider** A provider of health care services that is not under contract with us to provide care to Members.

**Nurse** A person duly licensed as a Nurse, including a registered Nurse, licensed practical Nurse, and a licensed Nurse who is certified by the American Nurses' Association as a clinical specialist in adult psychiatric and mental health nursing or as a clinical specialist in child and adolescent psychiatric and mental health nursing that provides services within the scope of an applicable statute or administrative rules of the licensing or registry board of the applicable state.

**Out-of-Network Rate** With respect to a Surprise Bill, the total amount paid by the Plan to a Non-Plan Provider for Covered Benefits under section 2799A-1 and 2799A-2 of the Public Service Act and their implementing regulations for: (1) Emergency Medical Services, (2) non-emergency ancillary services, (3) non-emergency, non-ancillary services, and (4) air

ambulance services. The amount is based on: (1) Applicable state law, (2) an All Payer Model Agreement if adopted, (3) the initial payment made by us or the amount subsequently agreed to by the Non-Plan Provider and us, or (4) the amount determined by Independent Dispute Resolution between us and the Non-Plan Provider.

**Out-of-Pocket Maximum** An Out-of-Pocket Maximum is a limit on the amount of Copayments, Coinsurance and Deductibles that you must pay for Covered Benefits in a Calendar Year. The Out-of-Pocket Maximum is specified in your Schedule of Benefits.

**Please Note:** Charges above the Allowed Amount never apply to the Out-of-Pocket Maximum.

✓ **FOR EXAMPLE:** If your plan has a Standard Network individual Out-of-Pocket Maximum of \$1,000, this is the most Member Cost Sharing you will pay for out-of-pocket costs for that Calendar Year. As an example, the Out-of-Pocket Maximum can be reached by the following: \$500 in Deductible expenses, \$400 in Coinsurance expenses and \$100 in Copayment expenses.

### Physical Functional Impairment

A condition in which the normal or proper action of a body part is damaged, and affects the ability to participate in Activities of Daily Living. Physical Functional Impairments include, but are not limited to, problems with ambulation, communication, respiration, swallowing, vision, or skin integrity.

A physical condition may impact an individual's emotional well-being or mental health. However such impact is not considered in determining whether or not a Physical Functional Impairment exists. Only the physical consequences of a condition are considered.

## V. Reimbursement and Claims Procedures

The information in this section applies when you receive services from a non-Plan Provider. This should happen only when you get care:

- In a Medical Emergency; or
- When you are temporarily traveling outside of the state where you live.

In most cases, you should not receive bills from a Plan Provider.

### A. BILLING BY PROVIDERS

If you get a bill for a Covered Benefit you may ask the provider to:

- 1) Bill us on a standard health care claim form (such as the CMS 1500 or the UB-04 form); and
- 2) Send it to the address listed on the back of your Plan ID card.

If you receive a Surprise Bill, you are only responsible for the applicable Member Cost Sharing based on the Recognized Amount. HPHC will reimburse Non-Plan Providers at the Out-of-Network Rate unless otherwise agreed to by the Provider and HPHC. You will not be billed for any charges other than the applicable Member Cost Sharing based on the Recognized Amount. You are not responsible, and a Non-Plan Provider cannot bill you for:

- Amounts in excess of your Member Cost Sharing, based on the Recognized Amount, for non-emergency ancillary Covered Benefits received at certain In-network facilities by a Non-Plan Provider.
- Amounts in excess of your Member Cost Sharing, based on the Recognized Amount, for non-emergency, non-ancillary Covered Benefits received at certain In-network facilities from a Non-Plan Provider who has not satisfied the notice and consent criteria of section 2799B-2(d) of the Public Service Act.
- Amounts in excess of your Member Cost Sharing, based on the Recognized Amount, for Covered Benefits that are Medical Emergency Services provided by a Non-Plan Provider.
- Amounts in excess of your applicable Member Cost Sharing, based on the rates that would apply if the service was provided by a Plan Provider, for Covered Benefits that are air ambulance services provided by a Non-Plan Provider.

You can obtain information about your applicable Member Cost Sharing online at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling the Member Services Department at **1-877-907-4742**.

### B. REIMBURSEMENT FOR BILLS YOU PAY

If you pay a provider who is not a Plan Provider for a Covered Benefit, we will reimburse you less your applicable Member Cost Sharing. Claim reimbursements must be submitted to the following addresses:

**Claims for Mental Health and Substance Use Disorder Treatment:**

**Behavioral Health Access Center**  
**P.O. Box 30602**  
**Salt Lake City, UT 84130-0602**

**Pharmacy Claims:**

**OptumRx**  
**Manual Claims**  
**P.O. Box 29044**  
**Hot Springs, AR 71903**

**All Other Claims:**

**HPHC Claims**  
**P.O. Box 699183**  
**Quincy, MA 02269-9183**

To obtain reimbursement for a bill you have paid, other than for pharmacy items, you must submit an HPHC medical reimbursement form with the provider or facility information. A legible claim form from the provider or facility that provided your care may also be included but is not required. The medical reimbursement form must include all of the following information:

- The Member's full name and address
- The Member's date of birth
- The Member's Plan ID number (on the front of the Member's Plan ID card)
- The name and address of the person or facility providing the services for which a claim is made and their Tax Identification Number (TIN) or National Provider Identification (NPI) number
- The Member's diagnosis description, diagnosis code, or ICD 10 code

## MAINE'S CHOICE PLUS HMO FOR INDIVIDUAL MEMBERS - MAINE

- The date the service was rendered
- The CPT code (or a brief description of the illness or injury) for which payment is sought
- The amount of the provider's charge
- Proof that you have paid the bill
- Other insurance information

If you request a claim form from HPHC's Member Services Department, one will be provided to you within 15 days.

A medical reimbursement form can be obtained online at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling the Member Services Department at **1-877-907-4742**.

**Important Notice:** We may need more information for some claims. If you have any questions about claims, please call our Member Services Department at **1-877-907-4742**.

### 1. International Claims

If you are requesting reimbursement for services received while outside of the United States, you must submit an HPHC medical reimbursement claim form along with an itemized bill and proof of payment. We may also require you to provide additional documentation, including, but not limited to: (1) records from financial institutions clearly demonstrating that you have paid for the services that are the subject of the claim; (2) the source of funds used for payment; and (3) an English translated description of the services received.

### 2. Pharmacy Claims

To obtain reimbursement for pharmacy bills you have paid, you must submit a Prescription Claim Form. The form can be obtained online at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling the Member Services Department.

In addition to the Prescription Claim Form you must send a drug store receipt showing the items for which reimbursement is requested.

The following information must be on the Prescription Claim Form:

- The Member's name and Plan ID number
- The name of the drug or medical supply
- The quantity
- The number of days supply of the medication provided
- The date the prescription was filled

- The prescribing Provider's name
- The pharmacy name and address
- The amount you paid

**Important Notice:** Please see your Prescription Drug Brochure for more information about reimbursement for prescription drugs.

If you have a question regarding your reimbursement, you should contact the Member Services Department at **1-877-907-4742**.

## C. LIMITS ON CLAIMS

---

To be eligible for payment, we must receive claims within one year of the date care was received, unless the Member can show that due to physical or mental incapacity it was impossible for them or their designee to send the claim in that time.

In accordance with Maine law, we will send you reimbursement within 30 days of receipt of all information needed to process your claims.

We limit the amount we will pay for services that are not rendered by Plan Providers. The most we will pay for such services is the Allowed Amount, unless it is a Surprise Bill. You may have to pay the balance if the claim is for more than the Allowed Amount, unless it is a Surprise Bill.

Please contact the Member Services Department at **1-877-907-4742** or call **711** for TTY service if you have questions about the Allowed Amount that may be permitted by HPHC for a service provided by a Non-Plan Provider.

## D. MISCELLANEOUS CLAIMS PROVISIONS

---

HPHC will have a right, where not prohibited by law, to have an autopsy performed. Any such examination or autopsy will be conducted by a licensed Physician chosen by HPHC and at its expense.

## VI. Appeals and Complaints

This section explains our procedures for processing appeals and complaints and the options available if an appeal is denied.

### A. BEFORE YOU FILE AN APPEAL

On occasion, claim denials result from a misunderstanding with a provider or a claim processing error. Since these problems can be easy to resolve, we recommend that Members contact a Member Service Representative before filing an appeal. A Member Service Representative can be reached toll-free at **1-877-907-4742** or call **711** for TTY service. The Member Service Representative will investigate the claim and either resolve the problem or explain why the claim is being denied. If you are dissatisfied with the response of the Member Service Representative, you may file an appeal using the procedures outlined below.

### B. OUR MEMBER APPEAL PROCEDURES

If you receive an Adverse Benefit Determination, you may appeal. We have established the following steps to ensure that you receive a timely and fair review of your appeal.

#### 1. Initiating Your Appeal

To initiate your appeal, please mail or fax a letter to us or call us about the coverage you are requesting and why you feel it should be granted. Please be as specific as possible. We need all the important details in order to make a fair decision, including pertinent medical records and itemized bills. A request for appeal must be filed within 180 days of the date of service, or payment for a service, when denied.

Please send your appeal to the following address:

**HPHC Appeals and Grievances Department**  
**1 Wellness Way**  
**Canton, MA 02021**  
**Telephone: 1-877-907-4742**  
**Fax: 1-617-509-3085**

If you are deaf or hard of hearing or visually impaired, you may request appeal procedure materials in an appropriately accessible format by calling Member Services toll free at **1-877-907-4742** or call **711** for TTY service.

Appeals concerning mental health and substance use disorder treatment should be submitted to:

**United Behavioral Health**  
**Attn: Appeals Department**  
**P.O. Box 30512**  
**Salt Lake City, UT 84130-0512**  
**Telephone: 1-877-447-6002**  
**Fax: 1-855-312-1470**

When we receive your appeal, we will assign an Appeals and Grievances Analyst to manage your appeal throughout the entire appeal process, including the second-level appeal process described below. We will send you a letter identifying your Appeals and Grievances Analyst within three business days of receiving your appeal. That letter will include detailed information on the first and the second level appeal processes described below, as well as your right to independent external review and your right to contact the Maine Bureau of Insurance. Your Appeals and Grievances Analyst is available to answer any questions you may have about your appeal and the review process.

In addition to the appeals process, we utilize mediation to resolve some coverage disputes. Both the Plan and you must agree to mediation. Your Appeals and Grievances Analyst will inform you if we feel that your appeal is appropriate for mediation.

#### 2. First-Level Appeal Process

**Standard Review Procedure:** Your Appeals and Grievances Analyst will investigate your appeal, determine if additional information is required and request any needed information from you. Such information may include statements from your doctors, medical records and bills and receipts for services you have received. If your appeal involves a medical determination, an appropriate Clinical Peer will review it. An independent review will be conducted by Clinical Peers not involved in the previous decision.

After we receive all the information needed to make a decision, your Appeals and Grievances Analyst will inform you in writing of whether we have approved or denied your appeal. We will review your appeal and send you a written decision within 30 days of receiving your appeal. If we cannot reasonably meet the 30 day time frame due to an inability to obtain necessary information from non-participating providers, we will inform you in writing of the reason for the delay and that we need more time to make a decision.

**Expedited Review Procedure:** If your appeal involves services which, if delayed, could seriously jeopardize your health or your ability to regain maximum function, please inform us and we will provide an expedited review. We will grant an expedited review to any appeal for services concerning (1) an inpatient admission, (2) availability of care, or (3) continued health care or services for a Member who has received emergency services and has not been discharged from the Hospital where emergency care was provided. You, your representative or your doctor may request an expedited review.

We will investigate and decide expedited appeals as quickly as possible, but in all cases we will respond within 72 hours of the receipt of your appeal. Your help in promptly providing all necessary information is essential for us to provide you with an expedited review. For expedited appeals involving (1) continued emergency services to screen or stabilize a Member, or (2) continued care under an authorized admission or course of treatment, coverage will be continued without liability to the Member until the Member has been notified of the expedited appeal decision. To ensure a timely response, we may inform you of our decision on your expedited appeal by telephone. Following telephone notice, we also will provide you with a written decision within two working days after this phone call.

**Adverse Determination of Appeal:** If we deny your first-level appeal (standard or expedited) in whole or in part, we will provide you with a written decision that includes: (1) the names, titles and credentials of the reviewers who decided your appeal; (2) a statement of the reviewers' understanding of the issues and all the relevant facts; (3) reference to the specific Plan provisions and evidence or documents upon which the decision is based, including the Medical Necessity Guidelines used to make the determination; (4) the reviewers' decision and the basis for that decision, including the clinical rationale, if any; (5) a reference to the evidence or documentation used as the basis for the decision; (6) notice of your right to contact the Maine Bureau of Insurance by telephone at **1-800-300-5000** or **1-207-624-8475**, or by mail at 34 State House Station, Augusta, ME 04333 as required by Maine law; (7) a description of the process to obtain a second-level review; and (8) notice of your right to contact the ombudsman, Consumers for Affordable Health Care by telephone at **1-800-965-7476** or by mail at P.O. Box 2490, Augusta, ME 04338-2490.

### 3. Second-Level Appeal Process

If you are dissatisfied with the decision of the first level appeal process, you may ask that your appeal be reviewed by our review committee. You have a right to attend the meeting to discuss your case with the review committee. Just let your Appeals and Grievances Analyst know if you wish to attend. Please be advised that an attorney representative from the health plan will be present and you have the right to obtain your own legal representation. You may also participate in the meeting by telephone if you wish. We will hold a review meeting within 45 days after receiving your request for a second-level appeal. You will be notified in writing at least 15 days in advance of the review meeting. You may submit supporting materials before and at the review meeting. You also may be represented by someone at the review meeting. You may also obtain your medical file and information relevant to the appeal free of charge upon request. The decision of the review committee will be sent to you in writing within 5 working days of the meeting. The decision of the review committee is the final decision, subject to any right to external review as discussed below.

If you elect not to attend the review committee meeting in person or participate by telephone, you will be provided with a written response to your appeal within 30 calendar days of your request for a second-level appeal.

If we deny your second-level appeal in whole or in part, we will provide you with a written decision that includes: (1) the names, titles credentials of the reviewers who decided your appeal; (2) a statement of the reviewers' understanding of the issues and all the relevant facts; (3) reference to the specific Plan provisions and evidence or documents upon which the decision is based, including the Medical Necessity Guidelines used to make the determination; (4) the reviewers' decision and the basis for that decision, including the clinical rationale, if any; (5) a reference to the evidence or documentation used as the basis for the decision; (6) notice of your right to contact the Maine Bureau of Insurance by telephone at **1-800-300-5000** or **1-207-624-8475**, or by mail at 34 State House Station, Augusta, ME 04333 as required by Maine law; (7) a description of the process to request an external review of your appeal as discussed below; and (8) notice of your right to contact the ombudsman, Consumers for Affordable Health Care by telephone at **1-800-965-7476** or by mail at P.O. Box 2490, Augusta, ME 04338-2490.

You may waive your right to a second-level appeal. You have the right to instead request an external review after the first level appeal decision.

### C. INDEPENDENT EXTERNAL REVIEW OF APPEALS

Appeal decisions involving an Adverse Health Care Treatment Decision by the Plan are eligible for review by an independent review organization designated by the Maine Bureau of Insurance. You are required to complete our first level appeals process to be eligible for external review. You may be eligible for an independent external review if (1) Harvard Pilgrim has failed to make a decision on your first or second level appeal in the time frames noted above; (2) you and the Plan mutually agree to bypass the member appeals process; (3) your life or health is in jeopardy; (4) the Member for whom external review is requested has died; or (5) the Adverse Health Care Treatment Decision to be reviewed concerns an admission, availability of care, a continued stay or health care services when the Member has received emergency services but has not been discharged from the facility that provided the emergency services.

External review of Adverse Health Care Treatment Decisions for Experimental, Unproven or Investigational treatments or services have at least all of the protections that are available for external reviews based on Medical Necessity, appropriateness, health care setting, level of care, or effectiveness of a Covered Benefit.

Requests for external review must be in writing to the Maine Bureau of Insurance at 34 State House Station, Augusta, ME 04333 and must be made within 12 months of our final denial of Covered Benefits prior to the initiation of the appeals process. You also may name someone you trust to file an appeal for you. However, you must give that person written permission to do so.

The review organization designated by the Maine Bureau of Insurance will consider all relevant clinical information submitted by you and us. In addition, the review organization will consider any concerns you express about your health status. You have the right to attend the external review meeting at which time you may ask questions of our representative present at the meeting. You also are entitled to obtain information relating to the adverse decision under review. You may use outside assistance for the external review process. This assistance is your own financial responsibility.

The external review decision will be made as quickly as required by the medical condition at issue. If the

appeal relates to a serious medical condition and delay would jeopardize the Member's life health or ability to regain maximum function, the external review decision will be made within 72 hours of receipt of completed request. All other decisions will be made within at least 30 days of a completed request for external review. You will receive a written decision from the review organization. We will pay the fees of the independent review organization for conducting the review. If the independent review organization decides in your favor, we will cover the services approved.

**Note:** Payment disputes are not eligible for external review, except when the appeal is filed to determine if Surprise Bill protections are applicable.

### D. MEMBER COMPLAINTS

If you have any complaints about your care under the Plan or about our service, we want to know about it. We are here to help. For all complaints, except mental health and substance use disorder treatment complaints, please call or write to us at:

**HPHC Appeals and Grievances Department**  
**1 Wellness Way**  
**Canton, MA 02021**  
**Telephone: 1-877-907-4742**  
**Fax: 1-617-509-3085**  
**[www.harvardpilgrim.org](http://www.harvardpilgrim.org)**

Complaints concerning mental health and substance use disorder treatment should be submitted to:

**HPHC Behavioral Health Complaints**  
**c/o Optum Behavioral Health Complaints**  
**P.O. Box 30768**  
**Salt Lake City, UT 84130-0768**  
**Telephone: 1-888-777-4742**  
**Fax: 1-248-524-7603**

We will respond to you as quickly as we can. Most complaints can be investigated and responded to within thirty (30) days.

You may also contact the Maine Bureau of Insurance Superintendent's office at:

**Maine Bureau of Insurance**  
**34 State House Station**  
**Augusta, ME 04333**  
**Telephone: 1-800-300-5000 or 1-207-624-8475**  
**Fax: 1-207-624-8599**

**TTY: 1-888-577-6690**

## **E. INCONTESTABILITY**

---

Any statement made by the Member in applying for insurance under this Plan, other than a fraudulent misstatement, will be considered a representation and not a warranty. No such statement will be used to contest a claim for benefits under this Plan unless the statement is in writing and a copy is or has been furnished to the Member.

No such statement will be used in contesting the validity of a Member's coverage under this Plan once such coverage has been in effect for two years during the Member's lifetime.

## VII. Eligibility

This section describes eligibility requirements for Members who receive no employer financial contribution toward the cost of health care premiums under this Plan.

Eligible Subscribers and Dependents can enroll in a plan, or change their existing plan, during their annual open enrollment period.

### A. MEMBER ELIGIBILITY

---

#### 1. Residence Requirement

To be eligible for coverage under this Plan, you must live, and maintain a permanent residence, within the Enrollment Area for at least nine months of the year.

If you have any questions about these requirements, you may call the Member Services Department. They can give you a current list of the cities and towns in the Enrollment Area.

#### 2. Subscriber Eligibility

To be a Subscriber under this Plan, you must:

- 1) Be a resident in the Enrollment Area, and
- 2) Not be enrolled in Medicare or Medicaid.

HPHC reserves the right to request proof of residency at any time.

#### 3. Dependent Eligibility

A Dependent must meet one of the requirements for coverage listed below to be eligible for coverage under the Plan. The eligibility requirements are as follows.

To be eligible as a Dependent, an individual must be one of the following:

- 1) The legal spouse of the Subscriber, including a domestic partner.
- 2) A child (including an adopted child or stepchild) of the Subscriber or spouse of the Subscriber until the end of the month in which the child turns 26.

- 3) A child (including an adopted child or stepchild) of the Subscriber or spouse of the Subscriber, age 26 years or older who meets each of the following requirements: (a) is currently Disabled; (b) was Disabled on his or her 26th birthday ; and (c) lives either with the Subscriber or spouse or in a licensed institution. The term "Disabled" means unable to engage in any substantial gainful activity by reason of a specific medically determinable physical or mental impairment which can be expected to last, or has lasted, for at least 12 months or result in death.
- 4) A child up to the age of 19 years for whom the Subscriber or Subscriber's spouse is the court appointed legal guardian. Proof of guardianship must be submitted to HPHC prior to enrollment.
- 5) The child of an eligible Dependent of the Subscriber until such time as the parent is no longer a Dependent.

Reasonable evidence of eligibility may be required from time to time.

### B. EFFECTIVE DATE - NEW DEPENDENTS AND EXISTING DEPENDENTS

---

New Dependents may be added, and coverage will be effective as of the date of:

- 1) Marriage;
- 2) Birth;
- 3) Adoption;
- 4) Legal guardianship; or
- 5) The Subscriber becoming legally responsible for a Dependent's health care coverage.

Please see section *VII.E. SPECIAL ENROLLMENT RIGHTS* for more information.

We must receive notice of the new Dependent within 60 days of the effective date of the qualifying event. If we are not notified within 60 days of the effective date of the qualifying event, Dependents may be added only on the Anniversary Date.

Coverage for a newborn child is effective from the moment of birth for up to 31 days. Coverage includes the Covered Benefits in this Handbook, including Medical Emergency Services and the necessary care and treatment of medically diagnosed

congenital defects and birth abnormalities. No coverage is provided after the 31-day period, unless the Subscriber obtains Family Coverage within 60 days of the date of birth.

**Please Note:** Generally newborn coverage is bundled with the mother's maternity coverage. When the mother is not an HPHC member, HPHC needs to be put on the notice of delivery in order to manage the newborn's care. HPHC recognizes that coverage under the terms of this Handbook must be provided for the first 31 days of life regardless of whether the newborn is enrolled. To add a new Dependent, please contact HPHC.

### C. EFFECTIVE DATE - ADOPTIVE DEPENDENTS

An adoptive child who has been living with you, and for whom you have been receiving foster care payments, may be covered from the date the child is placed for adoption with you or your spouse. "Placed for adoption" means the assumption and retention of a legal obligation for the total or partial support of a child in anticipation of adoption of the child. If the legal obligation ceases to exist, the child is no longer considered placed for adoption.

### D. CHANGE IN STATUS

It is your responsibility to inform HPHC of all changes that affect Member eligibility. These changes include: address changes, marriage of a Dependent, death of a Member and loss of Dependent eligibility as described above. If you purchased coverage through CoverMe.gov, please see section VII.H. MARKETPLACE MEMBERSHIP below for information applicable to your plan.

**Please Note:** We must have your current address on file in order to correctly process claims.

### E. SPECIAL ENROLLMENT RIGHTS

A special enrollment period is a period during which an eligible individual or enrollee, or Dependent where applicable, experiences certain qualifying events or changes in eligibility that permit enrollment, or a change in enrollment, outside of the annual open enrollment period. Unless specifically stated otherwise, an eligible individual or enrollee, or Dependent where applicable, must select a plan within sixty (60) days of the following triggering events:

- Loss of minimum essential coverage or other qualifying health coverage\*
- Change in primary place of living\*

- Gains access to an individual coverage Health Reimbursement Account (ICHRA) or a Qualified Small Employer Health Reimbursement Arrangement (QSEHRA)\*
- Change in eligibility for Marketplace coverage\*
- Change in eligibility for the Premium Tax Credit or other cost sharing reductions\*
- Gains a new Dependent or becomes a Dependent through marriage, birth, adoption or placement for adoption
- If you purchased coverage through the Marketplace, you may have additional special enrollment rights as determined by the Marketplace, including but not limited to:
  - Change in eligibility for Medicaid or the Children's Health Insurance Program (CHIP)
  - Gaining or maintaining status as a member of a federally recognized tribe or a shareholder in an Alaska Native Corporation
  - Gains status as a U.S. citizen, national, or lawfully present individual
  - Meets eligibility guidelines for Exceptional Circumstances as determined by the Marketplace

\*An eligible individual or enrollee, or a Dependent where applicable, may have sixty (60) days before or after the triggering event to select a plan.

These special enrollment rights comply with the Affordable Care Act (45 CFR 155.420) and Maine state law (24-A MRSA Sec. 2736-C).

If you need more information or have questions about special enrollment rights or special enrollment periods, please contact the Member Services Department at 1-877-907-4742.

### F. HOW YOU'RE COVERED IF MEMBERSHIP BEGINS WHILE YOU'RE HOSPITALIZED

If your membership happens to begin while you are hospitalized, coverage starts on the day membership is effective. To obtain coverage, you must call both your PCP and the Plan and allow us to manage your care. This may include transfer to a Plan affiliated facility, if medically appropriate. All other terms and conditions of coverage under this Handbook will apply.

### G. PARENTAL NOTIFICATION

If the Member is a parent of a Dependent child, the Member may request that we provide:

## **MAINE'S CHOICE PLUS HMO FOR INDIVIDUAL MEMBERS - MAINE**

1. An explanation of the payment or denial of any claim filed on behalf of the Dependent child, except to the extent that the Dependent child has the right to withhold consent and does not affirmatively consent to notifying the parent;
2. An explanation of any proposed change in the terms of the Plan; and
3. Reasonable notice that the Plan may lapse, but only if the Member has provided us with the address where notice should be delivered. The Member may also provide us with information about a claim relating to the Member's Dependent child so that we may process the claim.

### **H. MARKETPLACE MEMBERSHIP**

---

Individuals purchasing coverage through the Maine State-Based Health Insurance Marketplace must submit their application and enroll directly through the Marketplace. Administrative changes concerning coverage under this plan, including changes in address, effective dates of coverage or termination of coverage must be made through the Marketplace.

## VIII. Premiums

### A. PREMIUM AMOUNT

---

You are responsible for paying the premium for Covered Benefits under the Policy. Your initial premium payment for January 1st coverage under this policy is due by January 10th. If you purchase coverage through a Special Enrollment Period (SEP) through the Maine State-Based Health Insurance Marketplace, your initial premium payment is due 30 days from the day we receive your enrollment application from the Marketplace or the effective date of the coverage period, whichever is later. Premium payment for coverage thereafter is due by the date stated on your invoice which is generally the 1st day of the month.

Any misrepresentation or omission on your application may cause HPHC to change your premium retroactive back to the effective date. If the age of a Member under this Policy has been misstated, all amounts payable under the Policy shall be such as the premium paid that the Member would have purchased at the current age.

The rates provided are guaranteed for the twelve (12) month period following the 1st day of your effective date or renewal date, except that the premium will change when you add or remove a Member from the Plan or when you change your coverage.

### B. GRACE PERIOD

---

If you are a Subscriber who does not receive Advance Premium Tax Credit (APTC) assistance, this Policy has a 31 day grace period in which to pay your premium following the due date. This means that if any premium is not paid by the due date, it may be paid during the next 31 days. During the grace period, this Policy will remain in force. If the premium is not paid before the grace period ends, this Policy will lapse and will be terminated as of the paid through date.

If you are a Subscriber who receives APTC assistance and at least one month's premium has been paid, HPHC will provide a grace period of at least three consecutive months (90 days). During the grace period HPHC must apply any payment received to the first billing cycle in which payment was delinquent and continue to collect the APTC from the federal government. If full premium is not received during the 90-day grace period, the policy will be terminated retroactively back to the last day of the first month of the 3 consecutive month grace period. HPHC must pay claims during the first month of the grace period

but may pend claims in the second and third months subject to our right to cancel the Policy as described in this Policy. You will be liable for the premium payment due including those for the grace period and for any claims payments made for services incurred after the date through which the premium is paid.

## IX. Termination and Transfer to Other Coverage

### A. TERMINATION BY THE SUBSCRIBER

---

You may end your membership under this Handbook at any time. We must receive notification in writing within 15 days of the date you want your membership to end. HPHC will refund you any premiums paid for coverage beyond the termination date. If you have coverage through the Maine State-Based Health Insurance Marketplace, you must contact the Health Insurance Marketplace to cancel your policy. Termination may be processed for the same day that you notify the Health Insurance Marketplace or a later date of your choosing.

### B. TERMINATION FOR LOSS OF ELIGIBILITY

---

HPHC may end a Member's coverage under this Handbook for failing to meet any of the specified eligibility requirements. You will be notified if individual coverage is ending for loss of eligibility. We will inform you in writing.

### C. TERMINATION FOR CAUSE

---

HPHC may end a Member's coverage for any of the following causes:

- misrepresentation of a material fact on an application for membership;
- failure to meet any of the specified eligibility requirements. This includes relocating outside the Enrollment Area;
- obtaining or attempting to obtain benefits under this Handbook for a person who is not a Member; or
- termination for nonpayment of premium by the Subscriber.

Termination of membership for misrepresentation or fraud to the Plan may go back to the Member's effective date or the date of the misrepresentation or fraud as determined by the Plan. It is a crime to knowingly provide false, incomplete or misleading information to an insurance company for the purpose of defrauding the company. Termination of membership for the other causes will be effective thirty (30) days after notice. Premium paid for periods after the effective date of termination will be refunded. Termination for nonpayment of premium by the Subscriber will be effective retroactive back to the point of nonpayment. A 30 day grace period exists during which time your coverage continues in force.

Maine Health Insurance Marketplace Members Receiving Advance Premium Tax Credits (APTCs): Maine Health Insurance Marketplace Members who receive premium assistance are entitled to a three-month grace period during which time coverage is continued. We are required to pay all claims during the first month of the grace period.

Termination for nonpayment of premium by the Subscriber will be effective retroactive back to the last day of the first month of the grace period. All claims previously paid during the second and third months of the grace period will be reprocessed and the member will be responsible for paying for services provided during this time period.

### D. TERMINATION DUE TO PRODUCT DISCONTINUANCE

---

HPHC may terminate this coverage by giving written notice to the Subscriber at least 90 days prior to the date HPHC will cease to offer the Plan in Maine. In the event of termination due to the product discontinuance, the Subscriber may purchase any other individual health coverage HPHC offers in Maine for which the Subscriber is eligible.

### E. TERMINATIONS FOR OTHER REASONS

---

HPHC may also end a Member's coverage under the Plan for any of the following other reasons:

- If HPHC elects to discontinue this Plan or type of coverage in one or more markets in Maine, on ninety (90) days notice, in accordance with the requirements of Maine law.
- If HPHC elects to discontinue all coverage, including under this Plan, for one or more markets in Maine, on one hundred eighty (180) days notice, in accordance with the requirements of Maine law.

### F. MEMBERS WHO MOVE OUT OF THE ENROLLMENT AREA

---

Your coverage will end if you move out of the Enrollment Area. You may be eligible to enroll for coverage under another HPHC health plan. HPHC offers individual health plans for Massachusetts, Maine, and New Hampshire residents. Individuals may enroll only in a plan offered in their state of residence and must satisfy all eligibility guidelines. Your state of residence will have specific rules about

eligibility and the new coverage may differ from the coverage under your previous Plan. You may contact the HPHC's Member Services Department for more information.

cognitive impairment or functional incapacity at the time of cancellation.

## **G. REINSTATEMENT**

---

If you're purchasing coverage through the Maine State-Based Health Insurance Marketplace there is no reinstatement of this policy unless the coverage was terminated due to an error on the part of HPHC or the Maine State-Based Health Insurance Marketplace.

If your premium is not paid before the applicable grace period ends (90 days for Members with APTC assistance and 31 days for all other Members), this Policy will lapse. Later acceptance of premium, along with a required reinstatement fee of up to \$50, by HPHC or by an agent duly authorized by HPHC to accept such premium, without requiring an application for reinstatement, shall reinstate this Policy. If HPHC requires an application for reinstatement, it must be submitted to HPHC along with the required premium payment. Reinstatement of the Policy is subject to approval by HPHC. If the application is disapproved, this Policy will not be reinstated. If the application and the applicable premium payment are received by HPHC and the application is not disapproved in writing, this Policy will be reinstated upon the date of the receipt of the application. A reinstated Policy will provide coverage for services you incurred after the date of reinstatement. In all other respects your rights and the rights of HPHC will remain the same, subject to any provisions noted on or attached to the reinstated Policy if you suffer from cognitive impairment or functional incapacity and the ground for cancellation was for nonpayment of premium or other lapse or default on your part pursuant to Maine law so long as such request for reinstatement is made within 90 days of cancellation.

If you suffer from cognitive impairment or functional incapacity, you may designate someone to receive notice of cancellation with a "Third Party Notice Request Form." This form will be sent to you within 10 days of your request. Notice will be provided to you or the designee 10 days prior to cancellation.

If you suffer from a cognitive impairment or functional incapacity, and you do not have a third party designated prior to your policy's cancellation due to nonpayment of premium, you or your authorized representative have 90 days request reinstatement after such cancellation. Harvard Pilgrim may require a medical demonstration that you suffered from

## X. When You Have Other Coverage

This section explains how benefits under the Plan will be paid when another company or individual is also responsible for payment for health services a Member has received. This can happen when there is other insurance available to pay for health services, in addition to that provided by the Plan. It can also happen when a third party is legally responsible for an injury or illness suffered by a Member.

Nothing in this section should be interpreted as providing coverage for any service or supply that is not expressly covered under the Handbook, Schedule of Benefits and Prescription Drug Brochure or to increase the level of coverage provided.

### A. BENEFITS IN THE EVENT OF OTHER INSURANCE

Benefits under this Handbook, Schedule of Benefits, and Prescription Drug Brochure will be coordinated to the extent permitted by law with other plans covering health benefits, including: motor vehicle insurance, medical payment policies, homeowners' insurance, governmental benefits (including Medicare), and all Health Benefit Plans. The term "Health Benefit Plan" means all group HMO and other group prepaid health plans, medical or Hospital service corporation plans, commercial health insurance and self-insured health plans. There is no coordination of benefits with Medicaid plans or with Hospital indemnity benefits.

Coordination of benefits will be based upon the Allowed Amount, or Recognized Amount, if applicable, for any service that is covered at least in part by any of the plans involved. If benefits are provided in the form of services, or if a provider of services is paid under a capitation arrangement, the reasonable value of these services will be used as the basis for coordination. No duplication in coverage of services will occur among plans. For prescription drug claims, we will coordinate benefits pursuant to our secondary payer allowed amount in all cases.

When a Member is covered by two or more Health Benefit Plans, one will be "primary" and the other plan (or plans) will be secondary. The benefits of the primary plan are determined before those of secondary plan(s) and without considering the benefits of secondary plan(s). The benefits of secondary plan(s) are determined after those of the primary plan and may be reduced because of the primary plan's benefits.

In the case of Health Benefit Plans that contain provisions for the coordination of benefits, the

following rules will determine which health benefit plans are primary or secondary:

#### 1. Employee/Dependent

The benefits of the plan that covers the person as an employee, Member or Subscriber are determined before those of the plan that covers the person as a dependent.

#### 2. Dependent Children

##### i. A Dependent Child Whose Parents Are Not Separated or Divorced

The order of benefits is determined as follows:

- 1) The benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year; but,
- 2) If both parents have the same birthday, the benefits of the plan that covered the parent longer are determined before those of the plan that covered the other parent for a shorter period of time;
- 3) However, if the other plan does not have the rule described in (1) above, but instead has a rule based upon the gender of the parent, and if, as a result, the plans do not agree on the order of benefits, the other plan will determine the order of benefits.

##### ii. Dependent Child/Separated or Divorced Parents

Unless a court order, of which HPHC has knowledge of, specifies one of the parents as responsible for the health care benefits of the child, the order of benefits is determined as follows:

- 1) First the plan of the parent with custody of the child;
- 2) Then, the plan of the spouse of the parent with custody of the child;
- 3) Finally, the plan of the parent not having custody of the child.

#### 3. Active Employee or Retired or Laid-Off Employee

The benefits of a plan that covers the person as an active employee or as a dependent of an active employee are determined before those of the plan that covers the person as an individual who is retired

or laid off or as a dependent of an individual who is retired or laid off.

#### 4. COBRA or State Continuation

The benefits of a plan that covers the person as an employee, member, subscriber or retiree, or as a dependent thereof, are determined before those of the plan that covers the person as an individual under COBRA or other right to continuation of coverage under state or federal law.

#### 5. Longer/Shorter Length of Coverage

If none of the above rules determines the order of benefits, the benefits of the plan that covered the employee, Member or Subscriber longer are determined before those of the plan that covered that person for the shorter time.

If you are covered by a health benefit plan that does not have provisions governing the coordination of benefits between plans, that plan will be the primary plan.

### B. PAYMENT WHEN HPHC COVERAGE IS PRIMARY OR SECONDARY

When HPHC is primary, HPHC is responsible for processing and paying claims for Covered Benefits first. Coverage will be provided to the full extent of benefits available under this Handbook, Schedule of Benefits and Prescription Drug Brochure.

When HPHC is secondary, HPHC is responsible for processing claims for Covered Benefits after the primary plan has been issued a benefit determination. HPHC will first review the primary plan's benefit determination. HPHC will then pay or provide Covered Benefits as the secondary payor. HPHC's benefits will be reduced so that the total amount paid by all plans for a Covered Benefit will not exceed the amount payable under this Handbook. HPHC may recover any payments made for services in excess of HPHC's liability as the secondary plan, either before or after payment by the primary plan.

When a member is covered under more than one expense-incurred health plan, payments made by the primary plan, payments made by the member and payments made from a health savings account or similar fund for benefits covered under the secondary plan will be credited toward the deductible of the secondary plan, except where the secondary plan is designed to supplement the primary plan.

### C. WORKER'S COMPENSATION/GOVERNMENT PROGRAMS

If HPHC has information indicating that services provided to you are covered under Worker's Compensation, employer's liability or other program of similar purpose, or by a federal, state or other government agency, HPHC may suspend payment for such services until a determination is made whether payment will be made by such program, unless a notice of controversy has been filed with the Workers' Compensation Board contesting the work-relatedness of the claimant's condition and no decision has been made by the Board. If HPHC provides or pays for services for an illness or injury covered under Worker's Compensation, employer's liability or other program of similar purpose, or by a federal, state or other government agency, HPHC will be entitled to recovery of its expenses from the provider of services or the party or parties legally obligated to pay for such services.

### D. SUBROGATION AND REIMBURSEMENT

Subrogation is a means by which HPHC and other health plans recover expenses of services where a third party is legally responsible for a Member's injury or illness.

If another person or entity is, or may be, liable to pay for services related to a Member's illness or injury, which have been paid for or provided by HPHC, HPHC will be subrogated and succeed to all rights of the Member to recover against such person or entity 100% of the value of the services paid for or provided by the Plan, subject to the provisions of the following paragraph. HPHC will have the right to seek such recovery from, among others, the person or entity that caused the injury or illness, his/her liability carrier, excluding casualty insurance, or the Member's own auto insurance carrier, in cases of uninsured or underinsured motorist coverage. HPHC's recovery will be made from any recovery the Member receives from an insurance company or any third party, subject to the provisions of the following paragraph. HPHC will also be entitled to recover from a Member 100% of the value of services provided or paid for by HPHC when a Member has been, or could be, reimbursed for the cost of care by another party, subject to the provisions of the following paragraph. The subrogation and recovery provisions in this section apply whether or not the Member recovering money is a minor.

All subrogation payments made under this Section shall be made on a just and equitable basis. A just and equitable basis means that any factors that diminish the potential value of the enrollee's claim may likewise reduce the share in the claim for those claiming payment for services or reimbursement. Such factors include, but are not limited to:

1. Legal defenses. Questions of liability and comparative negligence or other legal defenses;
2. Exigencies of trial. Exigencies of trial that reduce a settlement or award in order to resolve the claim; and
3. Limits of coverage. Limits on the amount of applicable insurance coverage that reduce the claim to an amount recoverable by the insured.

In the event of a dispute as to the application of any such provision or the amount available for payment to those claiming payment for services or reimbursement, that dispute must be determined, if the action is pending, before the court in which it is pending; or if no action is pending, by filing an action in any court for determination of the dispute.

To enforce its subrogation rights under this Handbook, HPHC will have the right to take legal action, with or without the Member's consent, against any party to secure recovery of the value of services provided or paid for by HPHC for which such party is, or may be, liable. By signing your application requesting coverage under the Plan, you have authorized HPHC's right of subrogation.

#### **E. MEDICAL PAYMENT POLICIES**

---

For Members who are entitled to benefits under the medical payment benefit of a motor vehicle, motorcycle, boat, homeowners, hotel, restaurant or other insurance policy, HPHC has the right to coordinate with other insurance carriers under its subrogation rights. The benefits under this Handbook shall not duplicate any benefits to which the Member is entitled under any medical payment policy or benefit. All sums payable for services provided under this Handbook to Members that are covered under any medical payment policy or benefit are payable to HPHC.

#### **F. MEMBER COOPERATION**

---

You agree to cooperate with HPHC in exercising its rights of subrogation and coordination of benefits under this Handbook. Such cooperation will include, but not be limited to, a) the provision of all

information and documents requested by HPHC, b) the execution of any instruments deemed necessary by HPHC to protect its rights, c) the prompt assignment to HPHC of any monies received for services provided or paid for by HPHC, and d) the prompt notification to HPHC of any instances that may give rise to HPHC's rights. You further agree to do nothing to prejudice or interfere with HPHC's rights to subrogation or coordination of benefits.

#### **G. HPHC'S RIGHTS**

---

Nothing in this Handbook shall be construed to limit HPHC's right to utilize any remedy provided by law to enforce its rights to subrogation or coordination of benefits under this agreement.

#### **H. MEMBERS ENROLLED IN MEDICARE**

---

When a Member is enrolled in Medicare and receives Covered Benefits that are eligible for coverage by Medicare as the primary payor, the claim must be submitted to Medicare before payment by HPHC. HPHC will be liable for any amount eligible for coverage that is not paid by Medicare. The Member shall take such action as is required to assure payment by Medicare, including presenting his or her Medicare card at the time of service.

## XI. Plan Provisions and Responsibilities

### A. IF YOU DISAGREE WITH RECOMMENDED TREATMENT

---

You enroll in the Plan with the understanding that Plan Providers are responsible for determining treatment appropriate to your care. You may disagree with the treatment recommended by Plan Providers for personal or religious reasons. You may demand treatment or seek conditions of treatment that Plan Providers judge to be incompatible with proper medical care. In the event of such a disagreement, you have the right to refuse the recommendations of Plan Providers. Benefits for such non-recommended treatment will be subject to all Plan provisions.

### B. LIMITATION ON LEGAL ACTIONS

---

Any legal action against HPHC for failing to provide Covered Benefits must be brought within three years of the initial denial of any benefit. No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

### C. ACCESS TO INFORMATION

---

You agree that, except where restricted by law, we may have access to (1) all health records and medical data from health care providers providing services covered under this Handbook and (2) information concerning health coverage or claims from all providers of motor vehicle insurance, medical payment policies, homeowners' insurance and all types of health benefit plans. We will comply with all laws restricting access to special types of medical information including, but not limited to, HIV test data, and drug and alcohol use rehabilitation and mental health care records.

You can obtain a copy of the Notice of Privacy Practices through the Harvard Pilgrim website, [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling the Member Services Department at 1-877-907-4742.

### D. SAFEGUARDING CONFIDENTIALITY

---

HPHC values individuals' privacy rights and is committed to safeguarding protected health information (PHI) and personal information (PI). To support this commitment, HPHC has established a number of Privacy and Security policies, including

those describing the administration of its privacy and security programs, requirements for staff training, and permitted uses and disclosures of PHI and PI. We may collect, use, and disclose financial and medical information about you when doing business with you or with others. We do this in accordance with our privacy policies and applicable state and federal laws. HPHC also requires its business partners who administer health care coverage to you on our behalf to protect your information in accordance with applicable state and federal laws.

You can obtain a copy of the Notice of Privacy Practices through the Harvard Pilgrim website, [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling the Member Services Department at 1-877-907-4742.

### E. NOTICE

---

Any Member mailings, including but not limited to, notices, plan documents, invoices, and activity statements will be sent to the Member's last address on file with HPHC. It is the Member's responsibility to notify HPHC of an address change to ensure mailed materials are sent to the appropriate address. HPHC is not responsible for mailed materials being sent to the incorrect address if a Member has not updated his/her address with HPHC prior to the materials being mailed out. Notice to HPHC, other than a request for Member appeal, should be sent to:

**HPHC Member Services Department  
1 Wellness Way  
Canton, MA 02021**

For the addresses and telephone numbers for filing appeals, please see section VI. *Appeals and Complaints*.

We will give written notice to Members of any rate increase sixty (60) days prior to your Anniversary Date or the effective date of any increase.

### F. MODIFICATION OF THIS HANDBOOK

---

This Benefit Handbook, Schedule of Benefits, Prescription Drug Brochure and applicable riders, may be amended by us upon sixty (60) days written notice to the Subscriber. Amendments do not require the consent of Members.

This Benefit Handbook, the Schedule of Benefits, Prescription Drug Brochure, applicable riders and amendments comprise the entire contract between you and the Plan. The responsibilities of HPHC to

the Member are only as stated in those documents. They can only be modified in writing by an authorized officer of the Plan. No other action by us, including the deliberate non-enforcement of any benefit limit shall be deemed to waive or alter any part of these documents.

## G. OUR RELATIONSHIP WITH PLAN PROVIDERS

---

Our relationship with Plan Providers is governed by separate agreements. They are independent contractors. Such Providers may not modify this Handbook or Schedule of Benefits, Prescription Drug Brochure, and any applicable riders, or create any obligation for HPHC. We are not liable for statements about this Handbook by them, their employees or agents. We may change our arrangements with service Providers, including the addition or removal of Providers, without notice to Members.

## H. WELLNESS INCENTIVES

---

As a member of the Plan, you may be able to receive incentives for participation in wellness and health improvement programs. HPHC may provide incentives, including reimbursement for certain fees that you pay for when participating in fitness or weight loss programs, or other wellness incentive programs. The award of incentives is not contingent upon the outcome of the wellness or health improvement program. Please visit our website at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) for more information or see your Schedule of Benefits or other Plan documents for the amount of incentives, if any, available under your Plan. For tax information, please consult with your tax advisor.

## I. IN THE EVENT OF A MAJOR DISASTER

---

We will try to provide or arrange for services in the case of a major disaster. This might include war, riot, epidemic, public emergency, or natural disaster. Other causes include the partial or complete destruction of our facility(ies) or the disability of service providers. If we cannot provide or arrange services due to a major disaster, we are not responsible for the costs or outcome of this inability.

## J. EVALUATION OF NEW TECHNOLOGY

---

We have a dedicated team of staff that evaluates new diagnostics, testing, interventional treatment, therapeutics, medical/behavioral therapies, surgical procedures, medical devices and drugs as well as ones with new applications. The team manages the

evidence-based evaluation process from initial inquiry to final policy recommendation in order to determine whether it is an accepted standard of care or if the status is Experimental, Unproven or Investigational. The team researches the safety and effectiveness of these new technologies by reviewing published peer reviewed medical reports and literature, consulting with expert practitioners, and benchmarking. The team presents its recommendations to internal policy committees responsible for making decisions regarding coverage of the new technology under the Plan. The evaluation process includes:

- Determination of the FDA approval status of the device/product/drug in question,
- Review of relevant clinical literature, and
- Consultation with actively practicing specialty care providers to determine current standards of practice.

The team presents its recommendations to internal policy committees responsible for making decisions regarding coverage of the new technology under the Plan.

## K. GOVERNING LAW

---

This Evidence of Coverage is governed by Maine law.

## L. UTILIZATION REVIEW PROCEDURES

---

We use the following utilization review procedures to evaluate the medical necessity of selected health care services using clinical criteria and to facilitate clinically appropriate, cost-effective management of your care. This process applies to guidelines for both physical and mental health services.

- **Prospective Utilization Review (Prior Approval).** We review selected elective inpatient admissions, surgical day care, outpatient/ambulatory procedures, and Medical Drugs prior to the provision of such services to determine whether they meet Medical Necessity Guidelines for coverage. Prospective utilization review determinations will be made within 72 hours or two working days, whichever is less, after obtaining all necessary information. In the case of a determination to approve an admission, procedure or service, we will give notice via the HPHC provider portal within 24 hours of the decision and will send written confirmation to you and the provider within 72 hours or two working days, whichever is less. If a determination is not made within 72 hours, the request for Prior Approval is granted. In the

case of a determination to deny or reduce benefits ("an adverse determination"), we will notify the provider rendering the service by telephone within 24 hours of the decision and will send a written or electronic confirmation of the telephone notification to you and the provider within one working day thereafter. In the case of an urgent care determination not involving concurrent review, we will notify you of a decision within 48 hours after receiving all necessary information.

Special rules apply to any request for a drug in exigent circumstances. An exigent circumstance exists when:

- a. A Member is suffering from a health condition that could seriously jeopardize the life or health of the Member or the ability of the Member to regain maximum function; or
- b. A Member is undergoing a current course of treatment with a non-formulary drug.

HPHC will make a prospective review decision for a medical service that meets criteria a. or b., above, as soon as possible, but not later than 24 hours after receiving the information necessary to make a decision.

- **Concurrent Utilization Review.** We review selected ongoing admissions to inpatient Hospitals, including acute care Hospitals, rehabilitation Hospitals, skilled nursing facilities and skilled home health services to assure that services being provided meet Medical Necessity Guidelines for coverage. Concurrent review decisions will be made within one working day of obtaining all necessary information. In the case of either a determination to approve additional services or an adverse determination, we will notify the provider rendering the service by telephone within 24 hours of the decision. We will send a written or electronic confirmation of the telephone notification to you and the provider within one working day. In the case of ongoing services, coverage will be continued without liability to you until you have been notified of an adverse determination.

Active case management and discharge planning is incorporated as part of the concurrent review process and may also be provided upon the request of your Provider.

The same rules apply to concurrent review of exigent circumstances as described above under "Prospective Utilization Review (Prior Approval)."

- **Retrospective Utilization Review.** Retrospective utilization review may be used in circumstances where services were provided before authorization was obtained. This will include the review of emergency medical admissions for appropriateness of level of care. Retrospective utilization review decisions will be made within 30 days after obtaining all information. In the case of an adverse determination involving clinical review, you will receive written notification that cites the specific rationale upon which the decision was made and includes information about the appeals process and the right to request in writing copies of any Medical Necessity Guidelines applied in a denial of coverage decision.

If you wish to determine the status or outcome of a clinical review decision you may call the Member Services Department toll free at **1-877-907-4742**. For information about decisions concerning mental health and substance use disorder treatment, you may call the Behavioral Health Access Center at **1-888-777-4742**.

In the event of an Adverse Health Care Treatment Decision involving clinical review, your treating provider may discuss your case with a Physician reviewer or may seek reconsideration from us. The reconsideration will take place within one working day of your provider's request. If the adverse determination is not reversed on reconsideration you may appeal. Your appeal rights are described in the VI. *Appeals and Complaints* section. Your right to appeal does not depend on whether or not your provider sought reconsideration.

## M. QUALITY ASSURANCE PROGRAMS

HPHC has quality controls in place guided by the National Committee for Quality Assurance (NCQA). Our Quality Assurance programs are designed and implemented to ensure consistently excellent health plan services to our Members. Key Quality Assurance programs include:

- **Verification of Provider Credentials** – HPHC credentials our contracted providers by obtaining, verifying and assessing the qualifications to provide care or services by obtaining evidence of licensure, education, training and other experience and/or qualifications.
- **Verification of Facility Credentials** – HPHC credentials our contracted providers by reviewing licensures and applicable certifications based on facility type.

- **Quality of Care Complaints** – HPHC follows a systematic process to investigate, resolve and monitor Member complaints regarding medical care received by a contracted provider.
- **Evidence Based Practice** – HPHC compiles clinical guidelines, based upon the most current evidence-based standards, to assist clinicians by providing an analytical framework for the evaluation and treatment of common health conditions.
- **Performance monitoring** – HPHC participates in collecting data to measure outcomes related to the Health Care Effectiveness Data and Information Set (HEDIS) to monitor health care quality across various domains of evidence-based care and practice.
- **Quality program evaluation**- Annually HPHC develops, plans and implements initiatives to improve clinical service and quality for our members. The Quality Program is documented, tracked and evaluated against milestones and target objectives. The full program description and review is available on our website at <https://www.harvardpilgrim.org/public/about-us/quality>.

#### N. PROCEDURES USED TO EVALUATE EXPERIMENTAL/INVESTIGATIONAL DRUGS, DEVICES, OR TREATMENTS

---

We use a standardized process to evaluate inquiries and requests for coverage received from internal and/or external sources, and/or identified through authorization or payment inquiries. The evaluation process includes:

- Determination of the FDA approval status of the device/product/drug in question,
- Review of relevant clinical literature, and
- Consultation with actively practicing specialty care providers to determine current standards of practice.

Decisions are formulated into recommendations for changes in policy, and forwarded to our management for review and final implementation decisions.

#### O. PROCESS TO DEVELOP MEDICAL NECESSITY GUIDELINES AND UTILIZATION REVIEW CRITERIA

---

We use Medical Necessity Guidelines to make fair and consistent utilization management decisions. Medical Necessity Guidelines are developed in accordance with

standards established by The National Committee for Quality Assurance (NCQA), and reviewed (and revised, if needed) at least annually, or more often if needed to accommodate current standards of practice. This process applies to clinical criteria for both physical and mental health services.

For example, we use the nationally recognized InterQual criteria to review elective surgical day procedures, and services provided in acute care Hospitals. InterQual criteria are developed through the evaluation of current national standards of medical practice with input from Physicians and clinicians in medical academia and all areas of active clinical practice. InterQual criteria are reviewed and revised annually.

Medical Necessity Guidelines used to review other services are also developed with input from Physicians and other clinicians with expertise in the relevant clinical area. The development process includes review of relevant clinical literature and local standards of practice.

#### P. NEW TO MARKET DRUGS

---

New prescription drugs that are introduced into the market are reviewed by the Plan prior to coverage to ensure that the drug is safe and effective. New to market drugs will be reviewed by Harvard Pilgrim's Medical Policy Department and New Technology Assessment Committee or Pharmacy Services Department along with the Pharmacy and Therapeutics Committee within the first 180 days of their introduction to the market. If the new to market drug is covered by the Plan, Prior Authorization and coverage limitations may apply.

#### Q. PAYMENT RECOVERY

---

If we determine that benefit payments under the Plan were made erroneously, we reserve the right to (1) seek recovery of such payments from the Provider or Member to whom the payments were made, and (2) offset subsequent benefit payments to a Provider (regardless of payment source) or Member by the amount of any such overpayment.

## **XII. MEMBER RIGHTS & RESPONSIBILITIES**

Members have a right to receive information about HPHC, its services, its practitioners and providers, and Members' rights and responsibilities.

Members have a right to be treated with respect and recognition of their dignity and right to privacy.

Members have a right to participate with practitioners in decision-making regarding their health care.

Members have a right to a candid discussion of appropriate or medically necessary treatment options for their conditions, regardless of cost or benefit coverage.

Members have a right to voice complaints or appeals about HPHC or the care provided.

Members have a right to make recommendations regarding the organization's members' right and responsibilities policies.

Members have a responsibility to provide, to the extent possible, information that HPHC and its practitioners and providers need in order to care for them.

Members have a responsibility to follow the plans and instructions for care that they have agreed on with their practitioners.

Members have a responsibility to understand their health problems and participate in developing mutually agreed upon treatment goals to the degree possible.

Members have a right to assign benefits for their cause to the provider of the care. Any such assignment does not affect or limit the payment of benefits otherwise payable under the Plan.
