Schedule of Benefits

Harvard Pilgrim Health Care, Inc.

Clear Choice Maine's Choice Plus HMO Gold 2500
MAINE

Please Note: This plan includes a tiered provider network called the "Maine's Choice Plus" Network. In this plan, Members pay different levels of Copayments, Coinsurance or Deductibles depending on the affiliation of the provider delivering a Covered Benefit. If a Provider changes affiliations at anytime, the network of that Provider may also change. Please consult the Maine's Choice Plus HMO Provider Directory or visit the provider search tool at **www.harvardpilgrim.org** prior to your services to determine into which network your provider or facility falls.

This Schedule of Benefits states any Benefit Limits and Member Cost Sharing amounts you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

In a Medical Emergency you should go to the nearest emergency facility or call 911 or other local emergency access number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in the tables below.

Medical Necessity Guidelines

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our Medical Necessity Guidelines on our website at **www.harvardpilgrim.org** or by calling the Member Services Department at **1-888-333-4742** if you are covered under an Employer Group plan or **1–877-907-4742** if you are covered under an individual Member plan.

Member Cost Sharing

Members are required to share the cost of the Covered Benefits provided under the Plan. This section describes the payments for which you are responsible, called Member Cost Sharing. The tables, set forth below, show the specific Member Cost Sharing amounts for the different services covered by the Plan.

There are two types of Plan Providers: (1) Preferred Providers and (2) Standard Providers. Member Cost Sharing for Covered Benefits depends upon what type of Plan Provider you see. Services received by a Preferred Provider will result in lower Member Cost Sharing. Services received by a Standard Provider will result in higher Member Cost Sharing.

The Plan's Provider Directory lists all Plan Providers and network placement. You can access the Provider Directory at **www.harvardpilgrim.org**. You may also obtain a paper copy of the directory, free of charge, by calling Harvard Pilgrim's Member Services Department at **1–888–333–4742** if you are covered under an Employer Group plan or **1–877-907-4742** if you are covered under an individual Member plan.

Please Note: Primary Care Providers are available in the Preferred Network and the Standard Network. Each enrolled Member must choose a PCP in either the Preferred Network or the Standard Network in order to obtain Covered Benefits.

Office Visit Cost Sharing Levels

Office visit cost sharing may include Copayments, Coinsurance, or Deductible amounts, as described throughout this Schedule of Benefits. There are two types of office visit cost sharing that apply to your Plan. A lower cost sharing, known as "Level 1," and a higher cost sharing known as "Level 2." The Preferred Network and the Standard Network each have Level 1 and Level 2 office visit cost sharing.

Level 1 applies to covered outpatient professional services received from the following types of providers: all Primary Care Providers (PCPs); obstetricians and gynecologists; Licensed mental health professionals, certified Nurse midwives; and Nurse practitioners who bill independently.

Level 2 applies to covered outpatient professional services received from specialty care providers.

Your Plan may have other cost sharing amounts. Please see the benefit table below for specific cost sharing requirements.

Covered Benefits

Your Covered Benefits are administered on a Calendar Year basis. Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For example, for services provided in a Physician's office, see "Physician and Other Professional Office Visits." For services provided in a Hospital emergency room, see "Emergency Room Care," and for outpatient surgical procedures, please see "Surgery - Outpatient."

When you receive a service at your home (other than home health care), your Member Cost Sharing will be the same as when the service is provided in an office or facility. For example, if you have a physician visit in your home, see "Physician and Other Professional Office Visits." If you have blood drawn at home, see "Laboratory, Radiology and Other Diagnostic Services."
