Schedule of Benefits

HPHC Insurance Company, Inc.

Clear Choice PPO Access HSA Bronze 7200

MAINE

This Schedule of Benefits states any Benefit Limits and Member Cost Sharing amounts you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

There are two levels of coverage: In-Network and Out-of-Network.

In-Network coverage applies when you use a Plan Provider for Covered Benefits.

Out-of-Network coverage applies when you use a Non-Plan Provider for Covered Benefits. If a Non-Plan Provider charges any amount in excess of the Allowed Amount, you are responsible for the excess amount.

In a Medical Emergency, you should go to the nearest emergency facility or call 911 or other local emergency access number. Your emergency room Member Cost Sharing is listed in the tables below.

Prior Approval

Prior Approval is required for certain benefits. Before you receive services from a Non-Plan Provider or a Plan Provider outside the Service Area, please refer to our website **www.harvardpilgrim.org** or contact the Member Services Department at **1-888-333-4742** if you are covered under an Employer Group plan, or **1-877-907-4742** if you are covered under an individual Member plan for the complete listing of services that require Prior Approval. To obtain Prior Approval, please call:

- **1-800-708-4414** for medical services
- **1-888-333-4742** for Medical Drugs
- **1-800-708-4414** for mental health and substance use disorder treatment

More information about Prior Approval can be found on our website **www.harvardpilgrim.org** and in your Benefit Handbook.

Medical Necessity Guidelines

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our Medical Necessity Guidelines on our website at **www.harvardpilgrim.org** or by calling the Member Services Department at **1-888-333-4742** if you are covered under an Employer Group plan or **1-877-907-4742** if you are covered under an individual Member plan.

Comparable Health Care Service Incentive: Reduce My Costs Program

You can obtain care for certain covered outpatient health care services and diagnostic tests from participating Plan Providers at a lower cost through Harvard Pilgrim's Reduce My Costs program. If you choose to receive care from one of the low-cost providers, you may be eligible to receive a cash reward (there is no limit to the number of rewards). Reward dollars vary depending on the service and the associated cost savings. The medical services and diagnostic tests must be Covered Benefits within the following categories:

- Physical and occupational therapy services
- Radiology and imaging services
- Laboratory services and x-rays

- Infusion therapy services

To participate, call Harvard Pilgrim's Reduce My Costs Program at the toll-free Reduce My Costs number for all HPHC Members. The toll–free number is 1-855-772-8366, and you can call whenever your doctor recommends a diagnostic test or procedure. You will be connected to a trained Reduce My Costs nurse. The nurse will compare the cost of health care facilities near your home or work, will inform you if there are any lower-cost Harvard Pilgrim participating providers available in the area, reschedule your appointment and help with any paperwork, and help you find available information about the quality of the health care providers.

For more information about this program, including details about the specific eligible Covered Benefits and incentive awards, please visit: **www.harvardpilgrim.org/reducemycosts/maine**.

Access to Lower-Priced Services

If you receive specific Covered Benefits from certain Non-Plan Providers located in Maine, New Hampshire, and Massachusetts, you may be able to receive credit for your payment for services provided by such Non-Plan Providers toward your Deductible and Out-of-Pocket Maximum. The specific Covered Benefits include services within the following categories:

- Physical and occupational therapy services
- Radiology and imaging services
- Laboratory services and x-rays
- Infusion therapy services

Go to HPHConnect for more information on this program.

Covered Benefits

Your Covered Benefits are administered on a Calendar Year basis. Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For example, for services provided in a Physician's office, see "Physician and Other Professional Office Visits." For services provided in a Hospital emergency room, see "Emergency Room Care." For inpatient hospital care, see "Hospital - Inpatient Services," and for outpatient surgical procedures, please see "Surgery - Outpatient."

When you receive a service at your home (other than home health care), your Member Cost Sharing will be the same as when the service is provided in an office or facility. For example, if you have a physician visit in your home, see "Physician and Other Professional Office Visits." If you have blood drawn at home, see "Laboratory, Radiology and Other Diagnostic Services."

Pediatric Dental Rider - PPO

HPHC Insurance Company, Inc.

(for children up to the age of 19)
MAINE

The pediatric dental rider identifies the Covered Dental Services as described below for Dependents up to the age of 19 enrolled in the PPO plan (the Plan). Coverage under this rider terminates at the end of the month in which the Dependent reaches the age of 19.

Because this rider is part of your Evidence of Coverage and is a legal document, we want to give you information about the document that will help you understand it. Certain capitalized words have special meanings. We have defined these words in either the *Benefit Handbook* in *Section II: Glossary* or in this rider in *Section 5: Defined Terms for Pediatric Dental Services*.

When we use the words "we," "us," and "our" in this document, we are referring to Harvard Pilgrim Health Care. When we use the words "you" and "your" we are referring to people who are Dependents, as the term is defined in the *Benefit Handbook* in *Section II: Glossary.*

SECTION 1: ACCESSING PEDIATRIC DENTAL SERVICES

In-Network Benefits

These Covered Benefits apply when you choose to obtain Covered Dental Services from an In-Network Dental Provider. You generally are required to pay less to the provider than you would pay for services from an Out-of-Network provider. In-Network Benefits are determined based on the contracted fee for each Covered Dental Service. In no event, will you be required to pay an In-Network Dental Provider an amount for a Covered Dental Service in excess of the contracted fee.

In order for Covered Dental Services to be paid as In-Network Benefits, you must obtain all Covered Dental Services directly from or through an In-Network Dental Provider.

You must always verify the participation status of a provider prior to seeking services. From time to time, the participation status of a provider may change. You can verify the participation status by calling us and/or the provider. If necessary, we can provide assistance in referring you to an In-Network Dental Provider.

A *Directory of Network Dental Providers* is available online at **https://www.harvardpilgrim.org/public/pediatric-dental-coverage**. You can also call *Customer Service* at **1-800-460-0315** to determine which providers participate in the Network. The telephone number for *Customer Service* is also listed on your ID card.

Out-of-Network Benefits

These Covered Benefits apply when you obtain Covered Dental Services from an Out-of-Network Dental Provider. This includes any Dental Provider outside the country. You will generally pay more for Out-of-Network Benefits than for In-Network Benefits. Out-of-Network Benefits are paid at the 80th percentile of the Out-of-Network Dental Provider's charge up to the Usual, Customary and Reasonable Charge, as defined in this pediatric dental rider. As a result, you may be required to pay an Out-of-Network Dental Provider any amount that is in excess of the Usual, Customary and Reasonable Charge. When you obtain services from Out-of-Network Dental Providers, you must file a claim with us to be reimbursed for Eligible Dental Expenses.

Covered Dental Services

You are eligible for Covered Dental Services listed in this rider. Dental Services must be Medically Necessary and provided by or under the direction of a Dental Provider.

The fact that a Dental Provider has performed or prescribed a procedure or treatment, or the fact that it may be the only available treatment, for a dental disease does not mean that the procedure or treatment is a Covered Dental Service.

Pre-Treatment Estimate

We will provide you with a pre-treatment estimate if:

- The charge for a Dental Service is expected to exceed $300 or
- If a dental exam reveals the need for fixed bridgework.

You or your Dental Provider should send a notice to us, via claim form, within 20 calendar days of the exam. If requested, the Dental Provider must provide us with dental x-rays, study models or other information necessary to evaluate the treatment plan for purposes of benefit determination.

We will determine if the proposed treatment is a Covered Dental Service and will estimate the amount of payment. The estimate will be sent to the Dental Provider and will be subject to all terms, conditions and provisions of the Policy. Clinical situations that can be effectively treated by a less costly, clinically acceptable alternative procedure will be assigned a benefit based on the less costly procedure.

A pre-treatment estimate is not an agreement to pay for expenses. This procedure lets you know in advance approximately what portion of the expenses will be considered for payment.

Pre-Authorization

Pre-authorization is required for all Orthodontic Services. Speak to your Dental Provider about obtaining a pre-authorization before Dental Services are rendered. You or your Dental Provider can request pre-authorization for these services by contacting us at **1-800-460-0315**. If you do not obtain a pre-authorization, we have a right to deny your claim.

You will be responsible for payment of any dental treatment not approved by us. Conditions that can be effectively treated by a less costly, clinically acceptable alternative procedure will be assigned a Benefit based on the less costly procedure.

SECTION 2: BENEFITS FOR PEDIATRIC DENTAL SERVICES

Covered Benefits are provided for the Dental Services stated in this Section when such services are:

A. Necessary.

B. Provided by or under the direction of a Dental Provider.

C. The least costly clinically appropriate service. Conditions that can be treated by a less costly, clinically appropriate alternative procedure will be covered based on the least costly procedure.

D. Not excluded as described in *Section 3: Pediatric Dental Services exclusions* of this rider.

Benefits

Dental Services Deductibles are calculated on a Calendar Year basis.

SECTION 6: DEFINED TERMS FOR PEDIATRIC DENTAL SERVICES

Terms and Definitions

The following definitions are in addition to those listed in *Section II: Glossary of the Benefit Handbook*:

Covered Dental Service - a Dental Service or Dental Procedure for which Benefits are provided under this rider.

Dental Provider - any dentist or dental practitioner who is duly licensed and qualified under the law of jurisdiction in which treatment is received to render Dental Services, perform dental surgery or administer anesthetics for dental surgery.

Dental Service or Dental Procedures - dental care or treatment provided by a Dental Provider to a Dependent up to the age of 19 while the Policy is in effect, provided such care or treatment is recognized by us as a generally accepted form of care or treatment according to prevailing standards of dental practice.

Dental Services Deductible - the amount a Dependent up to the age of 19 must pay for Covered Dental Services in a Calendar Year before we will begin paying for Covered Benefits in that year.

Terms and Definitions

Dental Services Out-of-Pocket Maximum - a limit on the amount of Copayments, Coinsurance and Deductible's that you must pay for Covered Benefits in a Calendar Year

Eligible Dental Expenses - Eligible Dental Expenses for Covered Dental Services, incurred while the Policy is in effect, are determined as stated below:

- For In-Network Benefits, when Covered Dental Services are received from In-Network Dental Providers, Eligible Dental Expenses are our contracted fee(s) for Covered Dental Services with that provider.
- For Out-of-Network Benefits, when Covered Dental Services are received from Out-of-Network Dental Providers, Eligible Dental Expenses are the lesser of the Usual and Customary fees, as defined below or the billed charges.

Necessary - Dental Services and supplies under this rider which are determined by us through case-by-case assessments of care based on accepted dental practices to be appropriate and are all of the following:

- Necessary to meet the basic dental needs of the Dependent up to age 19.
- Rendered in the most cost-efficient manner and type of setting appropriate for the delivery of the Dental Service.
- Consistent in type, frequency and duration of treatment with scientifically based guidelines of national clinical, research, or health care coverage organizations or governmental agencies that are accepted by us.
- Consistent with the diagnosis of the condition.
- Required for reasons other than the convenience of the Dependent or his or her Dental Provider.
- Demonstrated through prevailing peer-reviewed dental literature to be either:
- Safe and effective for treating or diagnosing the condition or sickness for which their use is proposed; or
- Safe with promising efficacy
- For treating a life threatening dental disease or condition.
- Provided in a clinically controlled research setting.
- Using a specific research protocol that meets standards equivalent to those defined by the *National Institutes of Health*.

(For the purpose of this definition, the term life threatening is used to describe dental diseases or sicknesses or conditions, which are more likely than not to cause death within one year of the date of the request for treatment.)

The fact that a Dental Provider has performed or prescribed a procedure or treatment or the fact that it may be the only treatment for a particular dental disease does not mean that it is a Necessary Covered Dental Service as defined in this rider. The definition of Necessary used in this rider relates only to Benefits under this rider and differs from the way in which a Dental Provider engaged in the practice of dentistry may define necessary.

Usual, Customary and Reasonable Charge - Usual, Customary and Reasonable Charge is the maximum amount that we will pay for services from Dental Providers. The Usual, Customary and Reasonable Charge is calculated using the 80th percentile of provider reimbursement for services in the same geographic area under the FAIR Health database.

HPHC Insurance Company
Reduce My Costs Program
Maine

Reduce My Costs Program

As part of your plan, you and your dependents have the option of using the Reduce My Costs program. Reduce My Costs will help you identify lower cost Plan Providers for most outpatient services. If you choose to receive services from a lower cost Plan Provider suggested by Reduce My Costs, you may lower your own out-of-pocket costs and may earn a financial reward.

All providers suggested by Reduce My Costs are HPHC Insurance Company providers. They are the same providers available to you through our extensive provider network in Massachusetts, Maine, New Hampshire and Rhode Island. They all meet our credentialing and quality standards.

1. How does the Reduce My Costs Program work?
   If you are scheduled to receive an outpatient test or procedure, you can call Reduce My Costs at **(855-772-8366)**. You should call at the time your provider orders your test or procedure or soon thereafter. Although you may call about any outpatient service, please note that the following services are **not** included in the program: infertility services, mental health care, substance use disorder treatment, emergency care, prescription drugs, sleep studies and sleep therapies. If your service meets the minimum savings threshold, and lower cost Plan Providers are available in your area, you will be told who they are and how much your reward will be if you use a provider suggested by Reduce My Costs. The amount of the reward will range from $10 to $500 depending upon the type of services you receive.
2. What happens when I call Reduce My Costs?
   When you call Reduce My Costs, a nurse will provide you with information about the cost of Plan Providers available in your area. If you choose to obtain the services from a lower cost Plan Provider suggested by Reduce My Costs, they can make the necessary arrangements for your appointment with both the original provider and the new provider. After you receive services from the Plan Provider suggested by Reduce My Costs, they will send you the reward. Reduce My Costs will also work with you to review public sources of information about the quality of care of the providers they suggest.
3. Am I required to call Reduce My Costs?
   The Reduce My Costs program is completely voluntary. You do not have to call Reduce My Costs or use a lower cost Plan Provider they suggest. You may also choose to use the program for some services and not for others.
4. Where can I get more information?
   You can find additional information about the Reduce My Costs program, including the current list of services excluded from the program, on HPHC Insurance Company's web site at **www.harvardpilgrim.org**. You can also call the Member Services Department at **1-888-333-4742**.

The Reduce My Costs program is a health care cost savings program offered by HPHC Insurance Company and administered by Harlowe Health LLC. The Reduce My Costs program may be terminated by HPHC Insurance Company on January 1st of each year upon thirty (30) days' notice.
