

Schedule of Benefits

Harvard Pilgrim Health Care, Inc.

Clear Choice HMO Gold 2500

MAINE

This Schedule of Benefits states any Benefit Limits and Member Cost Sharing amounts you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

In a Medical Emergency, you should go to the nearest emergency facility or call 911 or other local emergency access number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in the tables below.

Medical Necessity Guidelines

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our Medical Necessity Guidelines on our website at www.harvardpilgrim.org or by calling the Member Services Department at 1-888-333-4742 if you are covered under an Employer Group plan or 1-877-907-4742 if you are covered under an individual Member plan.

Office Visit Cost Sharing Levels

Office visit cost sharing may include Copayments, Coinsurance, or Deductible amounts, as described throughout this Schedule of Benefits. There are two types of office visit cost sharing that apply to your Plan: a lower cost sharing, known as "Level 1," and a higher cost sharing known as "Level 2."

Level 1 applies to covered outpatient professional services received from the following types of providers: all Primary Care Providers (PCPs); obstetricians and gynecologists; licensed mental health professionals; certified Nurse midwives; and Nurse practitioners who bill independently.

Level 2 applies to covered outpatient professional services received from specialty care providers.

Your Plan may have other cost sharing amounts. Please see the benefit table below for specific cost sharing requirements.

Covered Benefits

Your Covered Benefits are administered on a Calendar Year basis. Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For example, for services provided in a Physician's office, see "Physician and Other Professional Office Visits." For services provided in a Hospital emergency room, see "Emergency Room Care." For inpatient hospital care, see "Hospital - Inpatient Services," and for outpatient surgical procedures, please see "Surgery - Outpatient."

When you receive a service at your home (other than home health care), your Member Cost Sharing will be the same as when the service is provided in an office or facility. For example, if you have a physician visit in your home, see "Physician and Other Professional Office Visits." If you have blood drawn at home, see "Laboratory, Radiology and Other Diagnostic Services."

**Harvard Pilgrim Health Care
Reduce My Costs Program
Maine**

Reduce My Costs Program

As part of your plan, you and your dependents have the option of using the Reduce My Costs program. Reduce My Costs will help you identify lower cost Plan Providers for most outpatient services. If you choose to receive services from a lower cost Plan Provider suggested by Reduce My Costs, you may lower your own out-of-pocket costs and may earn a financial reward.

All providers suggested by Reduce My Costs are Harvard Pilgrim providers. They are the same providers available to you through our extensive provider network in Massachusetts, Maine, New Hampshire and Rhode Island. They all meet our credentialing and quality standards.

1. How does the Reduce My Costs Program work?

If you are scheduled to receive an outpatient test or procedure, you can call Reduce My Costs at **(855-772-8366)**. You should call at the time your provider orders your test or procedure or soon thereafter. Although you may call about any outpatient service, please note that the following services are **not** included in the program: infertility services, mental health care, substance use disorder treatment, emergency care, prescription drugs, sleep studies and sleep therapies. If your service meets the minimum savings threshold, and lower cost Plan Providers are available in your area, you will be told who they are and how much your reward will be if you use a provider suggested by Reduce My Costs. The amount of the reward will range from \$10 to \$500 depending upon the type of services you receive.

2. What happens when I call Reduce My Costs?

When you call Reduce My Costs, a nurse will provide you with information about the cost of Plan Providers available in your area. If you choose to obtain the services from a lower cost Plan Provider suggested by Reduce My Costs, they can make the necessary arrangements for your appointment with both the original provider and the new provider. After you receive services from the Plan Provider suggested by Reduce My Costs, they will send you the reward. Reduce My Costs will also work with you to review public sources of information about the quality of care of the providers they suggest.

3. Am I required to call Reduce My Costs?

The Reduce My Costs program is completely voluntary. You do not have to call Reduce My Costs or use a lower cost Plan Provider they suggest. You may also choose to use the program for some services and not for others.

4. Where can I get more information?

You can find additional information about the Reduce My Costs program, including the current list of services excluded from the program, on Harvard Pilgrim's web site at **www.harvardpilgrim.org**. You can also call the Member Services Department at **1-888-333-4742**.

The Reduce My Costs program is a health care cost savings program offered by Harvard Pilgrim and administered by Harlowe Health LLC. The Reduce My Costs program may be terminated by Harvard Pilgrim on January 1st of each year upon thirty (30) days' notice.
