

Your Virtual Benefits Fair

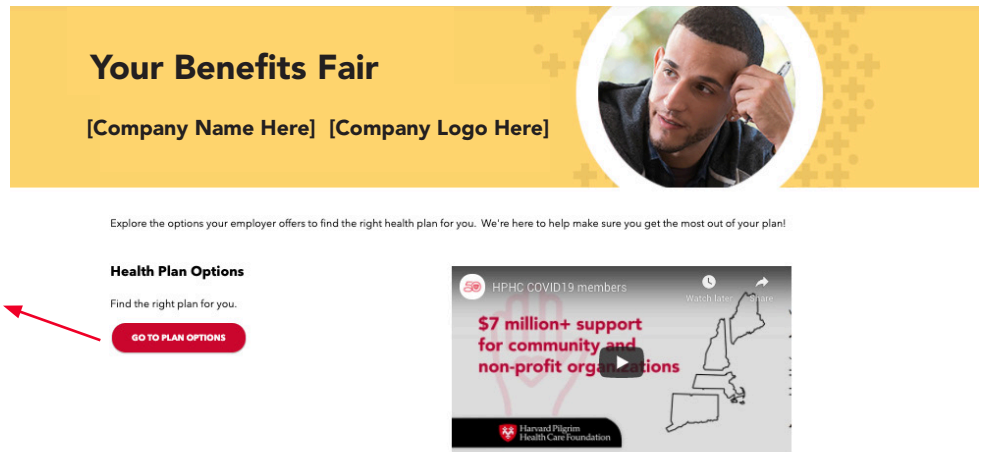

Harvard Pilgrim is here to support you and your employees by offering a Virtual Benefits Fair at no extra cost. It will provide the tools your employees need to understand their plan options, and the opportunity to explore the programs available as part of their coverage.

Promote Open Enrollment with custom features on your Virtual Benefits Fair site:

- Include key dates and text important to your employees
- Convenient "Add to Calendar" button for your scheduled events and meetings
- Include a recorded benefits presentation
- Remove any standard sections at your request

Details about all the plans you offer to help employees make their selection

The screenshot shows a website titled "Your Benefits Fair" for a company. It features a navigation bar with "Your Benefits Fair", "[Company Name Here]", and "[Company Logo Here]". Below the navigation bar is a section titled "Health Plan Options" with a "GO TO PLAN OPTIONS" button. To the right, there is a video player showing a presentation about "HPHC COVID19 members" and "\$7 million+ support for community and non-profit organizations". A red arrow points from the table of plan options to the "GO TO PLAN OPTIONS" button.

Members can explore programs that help them make the most of their health care coverage
