Key Highlights of HSA Administration

- Expertise in HSA consultation, education, compliance, enrollment and funding.
- Debit card convenience. Pay at point-of-service/sale, use information to pay provider invoices, use as payment method for mail order pharmacies. One card for all Voya Health Account Solutions card-based plans. Smart card technology and plan stacking rules determine account to debit.
- Over 30 investment options. Minimum investment threshold of \$1,000. Automatic investment sweeps and one-time trades. Complete investment management through HSA portal and mobile app.
- Employees can manage their HSA through a secure online portal and mobile app, including managing investments.
- Employers have anytime access to the secure administrator portal to pull reports on demand, view enrollments and more. One login accesses all of the employer's account-based plans with Voya Health Account Solutions.
