# Prescription Drug Coverage CORE ME 5-TIER

Covered prescription medications are available at participating pharmacies.

Covered prescription drugs may be subject to your plan's Deductible (for POS, Access America and PPO plans, covered prescriptions are subject to the In-Network Deductible). This means that you need to pay the full cost of your medications until you reach the required Deductible amount. The full cost will be the lower of the participating pharmacy's retail price or the price of the medication at HPHC's discount rate. See the *Schedule of Benefits* for your plan's Deductible amount.

Once you meet the Deductible for the year, you pay either a Copayment or Coinsurance.

You may purchase up to a 90-day supply of maintenance medications from certain Maine retail pharmacies. When you obtain a 90-day prescription from one of these Maine retail pharmacies, you will pay the Mail Service Prescription Drug Program Member Cost Sharing. Although most maintenance medications are available for a 90-day supply, we may limit drugs for clinical reasons or to prevent potential waste. In addition, specialty drugs, discussed above, are not available for a 90-day supply.

Your plan has an annual Out-of-Pocket Maximum, which is listed on the *Schedule of Benefits*. Once you have reached the Out-of-Pocket Maximum (including Deductible, Copayment and Coinsurance amounts), your prescriptions are covered in full for the rest of the year with no other cost sharing required.

Visit www.harvardpilgrim.org/2026CoreME5T for access to the prescription drug list, finding a network pharmacy and other pharmacy details. Be sure to show your Harvard Pilgrim ID card at the pharmacy to ensure you pay the correct cost-sharing amounts.
