

Fidelity HSA[®]

Help achieve the outcomes you want and your employees need

Discover how the Fidelity HSA[®] can help you and your employees drive better health and financial outcomes, today and in the future. Fidelity has proven experience in helping employees plan, manage, and invest so they can navigate their journey with confidence. Because every health care decision is also a financial decision.

Why Fidelity HSA[®]?

- › Morningstar named Fidelity the top HSA provider for four years in a row.¹
- › Investor's Business Daily named the Fidelity HSA[®] a "Best HSA Account for 2023."²
- › Assets in the Fidelity HSA[®] have grown 24% year-over-year, three times the rest of the industry.³
- › Fidelity HSA[®] balances are 87% higher than the industry average.⁴
- › Fidelity uses artificial intelligence to create customized communication and educational opportunities for participants.

Highlights of HSA (Health Savings Account) Administration

For employees

Plan — HSA tools, resources, and suggestions to maximize savings opportunities, optimize contributions and initiate auto-investing – all managed on Fidelity's broad brokerage platform.

Manage — No-cost transactions⁵ and easy payment of health care expenses with debit cards, online bill pay, EFT, Apple Pay[®], and Google Pay[™] plus convenient online claims tracking and management.

Invest — Zero account transaction fees⁵, zero separate account fees to invest⁶, zero minimums to invest.⁷

For employers

Service — High level of operational execution and accuracy with security controls that provide peace of mind.

Value — Robust data and reporting combined with detailed analyses of your employees' behaviors and needs to help customize your HSA program design.

Market Size — Plans for groups of 51+ eligible employees.

¹ Morningstar rated 11 retail HSA providers for two distinct use cases: HSAs as a spending account to cover current medical costs, and HSAs as an investment account to save for future medical expenses. Results published in "2019 Health Savings Account Landscape," "2020 Health Savings Account Landscape," and "2021 Health Savings Account Landscape."

² Investor's Business Daily identified "Best HSA Accounts For 2023" based on fees, account features, investing options, and cash savings, as of November 14, 2022.

³ HSA Industry Average data sourced from 2020 Devenir Research Mid-Year HSA Market Statistics and Trends compared to Devenir Research 2021 Mid-Year HSA Market Statistics and Trends.

⁴ General HSA and Industry Average data sourced from Devenir Research 2021 Mid-Year HSA Market Statistics and Trends as of June 30, 2021. Fidelity data represents aggregated data of Fidelity record-kept HSAs as of date indicated from the entire book of business. Industry data also includes providers entire book of business.

⁵ Account transaction fees refers to fees for account features such as account opening, funds transfer, debit cards, excess contributions, etc. and does not include recordkeeping fees, which may be charged to employers. Employers may choose to pass recordkeeping fees on to employees.

⁶ Commissions and other expenses associated with transacting or holding specific investments (e.g., mutual funds) may apply. Refer to the fees and commission schedule for additional detail at [fidelity.com/trading/commissions-margin-rates](https://www.fidelity.com/trading/commissions-margin-rates).

⁷ There may be funds that require a minimum amount to invest, but Fidelity does not require a minimum to start investing.
