## 2018 ME Small Group Benefit Designs

## Effective 1/1/2018-12/31/2018

The following are the Maine Small Group Benefit Designs for 1/1/2018 through 12/31/2018.

## Key Changes:

Added higher deductible Maine's Choice HSA HMO plan (4000)

- Increased deductible on Core Coverage HMO plan (5000)

Urgent Care Free Standing Locations are now Level 1 copay
-Emergency Room services are now subject to deductible then coinsurance on all plans excluding all-Maine's Choice plans, which will remain the same at deductible and copay
-Standard Option RX tier 2 Pharmacy copays will now increase from $\$ 20$ to $\$ 25$ on the 30 day supply
Low Option RX will now apply straight copays for all tiers: PPO/POS/HMO - (Retail: $\$ 5 / \$ 25 / \$ 100 / \$ 500 / \$ 750$ PPO/POS - (Mail: $\$ 10 / \$ 50 / \$ 200 / \$ 1,000 / \$ 2,250$ ), HMO - (Mail: $\$ 15 / \$ 75 / \$ 300 / \$ 1,500 / \$ 2,250)$

- Side by Side Pairing (Revised Q4 2017)
- In 2018, SHOP will no longer be offered

## Business Rules

## Minimum Number of Participating Subscribers:

$75 \%$ of those employees who are eligible for health benefits must participate in an HPHC group health plan sponsored by the employer, except during the Small Group Special Open Enrollment Period.
At least 51\% of eligible employees in the account must work within Maine.

## Side-By-Side Rules for Standard Plans and Maine's Choice Plans:

Any plan may be paired with any other plan with no more than a $\$ 3,500$ Deductible difference. A single plan design cannot be offered with the standard and low option RX on a side-by-side basis.

Accounts must have at least 6 eligible employees in order to offer a dual option plan offering. Triple option offerings are allowed if there are at least 20 eligible employees. For the triple option, with Maine's Choice plans, two of the three plans must be Maine's Choice plans.

## Affordable Care Act (ACA):

All plan designs meet applicable Accountable Care Act (ACA) and Essential Health Benefits requirements, including pediatric (under age 19), vision, and dental coverage. All member cost sharing applies to the out-of-pocket maximum.

- The pediatric vision coverage includes 1 pair of glasses (frames and lenses) or contact lenses every 24 months. The first $\$ 50$ is covered in full, followed by $50 \%$ member coinsurance.
- The pediatric dental benefit member cost sharing is a $\$ 100 /$ child, $\$ 200 /$ family deductible followed by the following coinsurance: Tier $1: 20 \%$, Tier $2: 50 \%$, Tier $3: 50 \%$, Tier 4: 50\%.

## Embedded Deductible/OOPM:

All of the 2018 Maine Small Group plans contain Embedded Deductibles and Out of Pocket Maximums

Embedded Deductible refers to a family plan that has two components, an individual deductible and a family deductible. The maximum contribution by an individual towards the family deductible is limited to the individual deductible amount and allows for the individual to receive benefits before the family component is met. When any number of members collectively meet the family deductible, services for the entire family are covered for the remainder of the year.

Embedded OOPM refers to a family plan that has two components, an individual OOPM and a family OOPM. The maximum contribution by an individual towards the family OOPM is limited to the individual OOPM and once met, has no additional cost sharing for the remainder of the year. When any number of members collectively meet the family OOPM, then all members have no additional cost sharing for the remainder of the year.

Notes: For any questions on the application of these rules to a specific account, please call your HPHC representative.
