Most health and fitness facilities qualify

Fitness reimbursement applies to monthly fees paid to a facility that provides cardiovascular and strength-training equipment for exercising and improving physical fitness, such as: health clubs and fitness centers; YMCA's and YWCA's; Jewish Community Centers; and municipal fitness centers. Qualified facilities also include fitness studios/facilities that offer yoga, Pilates, Zumba, aerobic/group classes, indoor cycling/spinning classes, kickboxing, CrossFit, strength training, tennis, indoor rock climbing and personal training (taught by a certified instructor). The following are not eligible for reimbursement: fees you pay for group classes or personal training *outside* of a fitness facility/studio, and health club initiation fees you pay for instructional dance studios, country clubs, social clubs (such as ski, riding or hiking clubs), spas, gymnastics facilities, martial arts schools, pool-only facilities, road race fees, sport camps, ski passes, sports teams or leagues, and school sports athletic user fees.
