Schedule of Benefits

THE HARVARD PILGRIM HMO MASSACHUSETTS

This Schedule of Benefits summarizes your Benefits under The Harvard Pilgrim HMO (the Plan) and states the Member Cost Sharing amounts that you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook and Prescription Drug Brochure (if you have the Plan's outpatient pharmacy coverage) for detailed information on benefits covered by the Plan and the terms and conditions of coverage.

Services are covered when Medically Necessary. Subject to the exceptions listed in the section of the Benefit Handbook titled, "How The Plan Works" all services must be (1) provided or arranged by your Primary Care Provider (PCP) and (2) provided by a Plan Provider. These requirements do not apply to care needed in a Medical Emergency.

In a Medical Emergency you should go to the nearest emergency facility or call 911 or other local emergency access number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing, including your Deductible if applicable, is listed in the tables below.

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our clinical review criteria applicable to a service or procedure for which coverage is requested. Clinical review criteria may be obtained by calling **1-888-888-4742 ext. 38723**.

Your Covered Benefits are administered on a calendar year basis.

COINSURANCE

Coinsurance is a percentage of the cost for certain covered services that is payable by the Member. Please see the tables below for the Coinsurance amounts that apply to your Plan.

COPAYMENTS

A Copayment is a dollar amount that is payable by the Member for certain covered services. The Copayment is due at the time services are rendered or when billed by the provider. Different Copayments apply depending on the type of service, the specialty of the provider and the location of service.

Preventive Services and Tests (Continued)

Under federal law the list of preventive services and tests covered above may change periodically based on the recommendations of the following agencies:

a. Grade "A" and "B" recommendations of the United States Preventive Services Task Force;

b. With respect to immunizations, the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention; and

c. With respect to services for women, infants, children and adolescents, the Health Resources and Services Administration.

Information on the recommendations of these agencies may be found on

the web site of the U.S. Department of Health and Human Services at:

https://www.healthcare.gov/what-are-my-preventive-care-benefits/#part=1.

Harvard Pilgrim will add or delete services from this benefit for preventive services and tests in accordance with changes in the recommendations of the agencies listed above. You can find a list of the current recommendations for preventive care on Harvard Pilgrim's web site at **www.harvardpilgrim.org**.
