

# Welcome to Harvard Pilgrim. Let's find your HMO doctor.

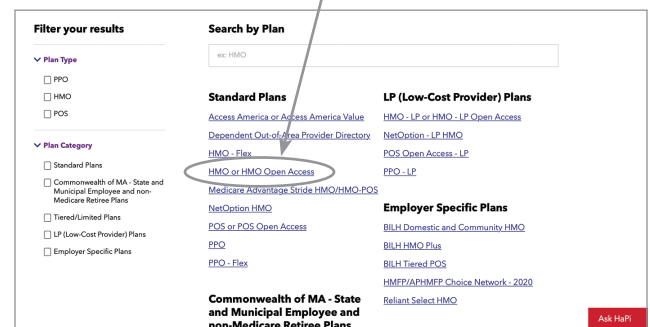

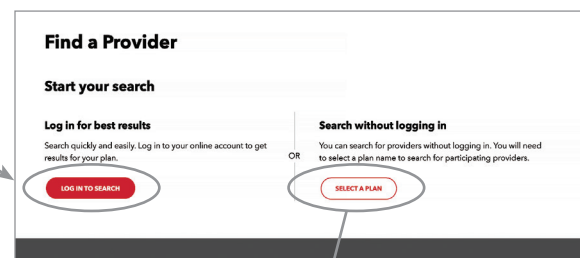

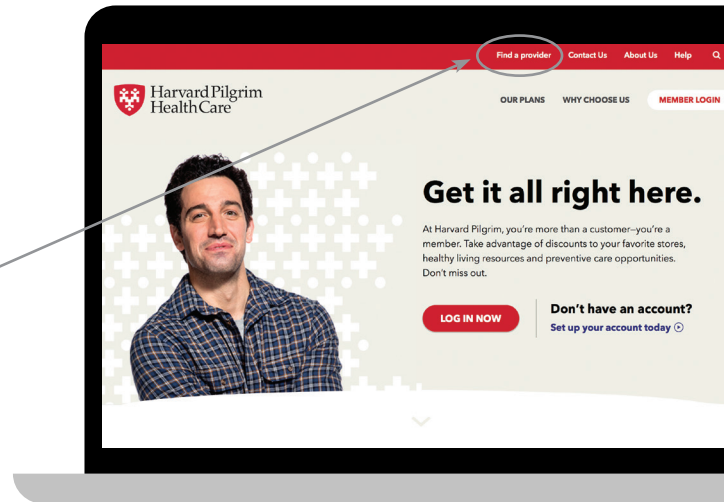

Use "Find a provider" online, which we update weekly, to find participating doctors, hospitals and other clinicians.

## To find Harvard Pilgrim participating HMO providers:

- 1 Visit [harvardpilgrim.org](https://harvardpilgrim.org).
- 2 Click **"Find a Provider."**
- 3 If you have created a Harvard Pilgrim member account, click **"Login to search."** After logging in, you will be taken to your plan's directory.

Or, click **"Select a plan"** then choose **"HMO or HMO Open Access"**.

Within the plan directory, you can search by provider type (primary care providers, specialists, behavioral health providers, hospitals and other care providers) or by specialty.
