

# Medicare Enhance<sup>SM</sup> for the Town of Franklin.

What makes it your best choice for health care coverage? *It's simple!*

Here's what makes our Medicare plan so simple and easy to use.

- **You can live anywhere in the United States and be eligible**—as long as you are enrolled in Medicare Parts A and B.
- **You can visit any doctor or hospital that accepts Medicare patients**—anywhere in the country.
- **Our card will get you where you want to go. While we always recommend that members have a primary care provider (PCP) to coordinate their care**, you are not required to choose a PCP under this plan. In addition, you don't need referrals to visit specialists for covered services, or any kind of prior authorization from HPHC.
- **You'll have coverage for preventive care** such as physicals and routine eye exams, as well as medically necessary services and emergency care.\*
- **Our discounts and savings program** can help you save money on products and services such as nutrition and weight management programs, eyewear, hearing aids, complementary medicine services and more. Visit [www.harvardpilgrim.org](http://www.harvardpilgrim.org) for details.
