

# Schedule of Benefits

## Harvard Pilgrim Health Care, Inc.

### Standard Platinum - Flex

### MASSACHUSETTS

This Schedule of Benefits states any Benefit Limits and Member Cost Sharing amounts that you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

In a Medical Emergency you should go to the nearest emergency facility or call 911 or other local emergency access number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in the tables below.

#### Clinical Review Criteria

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our clinical review criteria on our website at [www.harvardpilgrim.org](http://www.harvardpilgrim.org) or by calling **1-888-888-4742**.

**Flex Providers** This Plan includes Flex Providers. A Flex Provider is a Plan Provider who provides certain outpatient services with lower Member Cost Sharing. When you receive these Covered Benefits from a Flex Provider you will pay a lower Member Cost Sharing amount than if you received the same Covered Benefit from a provider that is not listed as a Flex Provider. The table below identifies the outpatient services which may be obtained from a Flex Provider and the applicable Member Cost Sharing.

The Plan's Provider Directory lists all Plan Providers including those providers listed as a Flex Provider. You can access the Provider Directory at [www.harvardpilgrim.org](http://www.harvardpilgrim.org). You may also obtain a paper copy free of charge by calling the Member Services Department at **1-888-333-4742**.

#### Copayment Levels

There are two types of office visit Copayments that apply to your Plan: a lower Copayment known as "Level 1," and a higher Copayment known as "Level 2."

Level 1 applies to covered outpatient professional services from the following types of providers: all Primary Care Providers (PCPs); obstetricians and gynecologists; Licensed Mental Health Professionals; certified nurse midwives; and nurse practitioners who bill independently.

Level 2 applies to most outpatient specialty care.

If a provider is categorized as both a Level 1 provider and a Level 2 provider, Level 1 applies. For example, if a provider is both a PCP and a cardiologist, you will be responsible for a Level 1 Copayment.

Your Plan may have other Copayment amounts. Please see the benefit table below for specific Copayment requirements.

#### Covered Benefits

Your Covered Benefits are administered on a Plan Year basis. Your Plan Year begins on your Employer's Anniversary Date. Please see your Benefit Handbook for more details. If you do not know your Employer's Anniversary Date, please contact your Employer's benefits office or call the
