

ElevateHealthSM Network

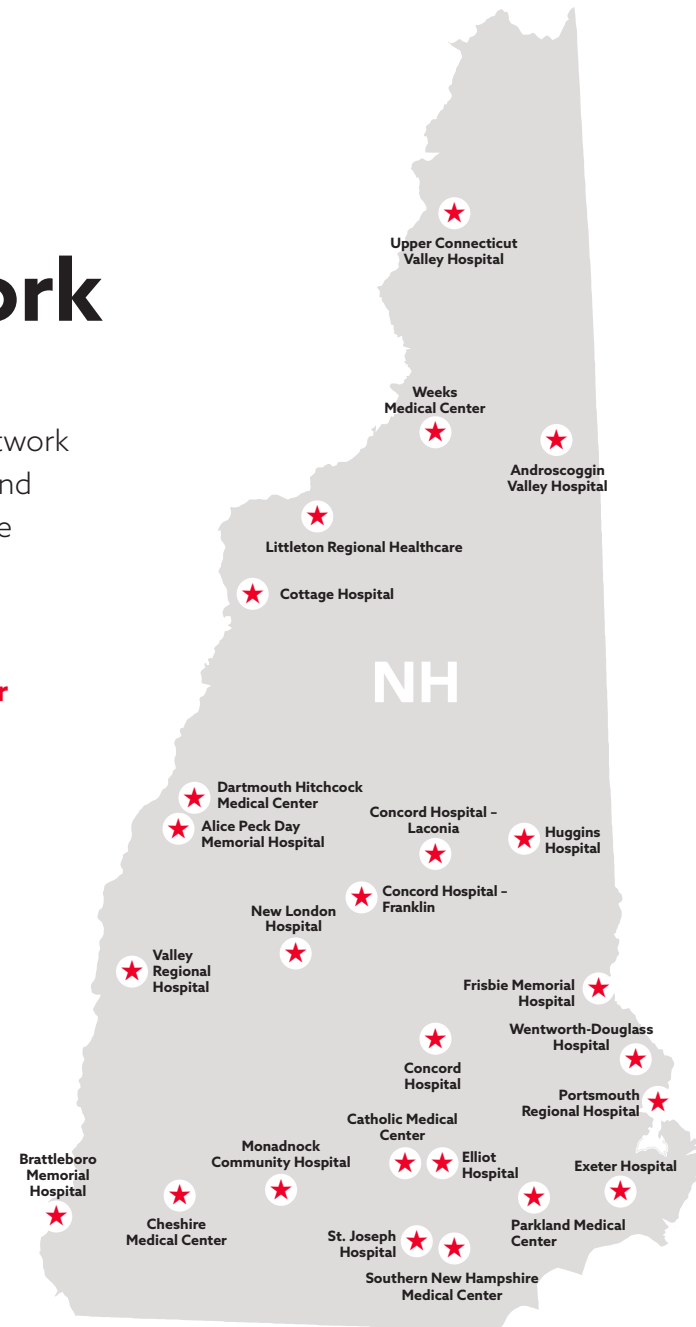

Harvard Pilgrim's ElevateHealth plans are built around a select network of New Hampshire's leading health professionals and hospitals, and focused on strong coordination of care from an efficient, effective team of providers.

The ElevateHealth provider network includes hundreds of primary care providers, thousands of specialists and 24 premier New Hampshire hospitals, plus Brattleboro Memorial Hospital in Vermont.*

Visit [harvardpilgrim.org/providerdirectory](https://www.harvardpilgrim.org/providerdirectory) to find a provider.

*Provider network subject to change at any time.

Harvard Pilgrim Health Care includes Harvard Pilgrim Health Care, Harvard Pilgrim Health Care of New England and HPHC Insurance Company.
