

Support for every unique path to parenthood and beyond

Beginning January 1, 2024, you have access to Maven — the world’s largest virtual clinic for women and families offering 24/7 support for building your family, pregnancy and postpartum. With Maven, you can access unlimited virtual appointments with providers spanning 35+ specialties, a dedicated Care Advocate to help you find the right care, plus expert-vetted articles and provider-led classes. Maven is included as part of your Harvard Pilgrim Health Care medical plan. There are no co-pays or in-app costs for Maven visits and resources.

VIRTUAL SUPPORT FOR ALL STAGES

Fertility & Family Building

- Preconception guidance
- IUI/IVF referrals
- Support during fertility treatments
- Adoption & surrogacy coaching
- Mental health support

Maternity & Newborn Care

AT NO COST, MAVEN PROVIDES YOU WITH

A personal Care Advocate who serves as a trusted guide through every step of your journey

Video chat and message with providers and coaches across 35+ specialties

Provider-led virtual classes and vetted articles — tailored to your journey

Available starting January 1, 2024

Maven Clinic is a business associate of Harvard Pilgrim Health Care, Inc. (HPHC). Maven care coordination and coaching services are offered to HPHC members and their dependents enrolled in certain employer sponsored health plans at no additional cost in connection with a pilot program. The pilot program is subject to change and may be discontinued at any time. Those members who opt-into the pilot are eligible to receive Maven services for 12 months from the date of enrollment.
