

Substance Use Treatment

Begin Your Recovery Journey With Comprehensive Support

At Harvard Pilgrim, we're committed to providing high-quality care and support for adolescent and adult members who are grappling with alcohol use disorder, opioid addiction and other mental health challenges. Our comprehensive approach to substance use disorder covers outpatient services and immersive inpatient treatments, ensuring you're supported every step of the way.¹

Spectrum Health Systems

We provide substance use disorder and opioid addiction treatment through Spectrum Health Systems, a nonprofit organization that provides a full range of addiction treatment and behavioral health services across Massachusetts,² including:

- **Inpatient Detoxification:** Safe, controlled environments to guide withdrawal
- **Acute Residential Treatment:** Therapeutic spaces fostering in-depth care and recovery
- **Medication for Substance Use Disorders:** Using the latest evidence-based pharmaceutical treatments
- **Outpatient Counseling:** Guided therapy for sustained recovery

- **Peer Recovery Support:** Access to dedicated Peer Recovery centers, where members can connect with individuals who've walked this path and benefit from their experience
- **Community-Centric Approach:** Focus on treatments deeply rooted in community ties to drive optimal recovery outcomes
