

Out-of-Area Dependent Coverage

For members enrolled in an HMO plan

If you're enrolled in a Harvard Pilgrim HMO plan that includes out-of-area dependent coverage, you and your covered family members typically must receive care from in-network providers. But did you know these plans provide coverage for dependents under the age of 26 who live outside of Harvard Pilgrim's enrollment area?* With this benefit, they have access to in-network providers and services through Harvard Pilgrim's national provider network with UnitedHealthcare (UHC) Options.

How does out-of-area dependent coverage work?

We provide limited out-of-area dependent coverage because many dependent children attend schools or colleges outside of the enrollment area where participating providers are not available to provide care. Please note that all dependents under the age of 26 (not just students) may be covered by your HMO plan if they live outside of the enrollment area.

How can my dependent take advantage of this benefit?

Before using this benefit, the plan's subscriber must first call Harvard Pilgrim to register the dependent who lives outside of the enrollment area. To do this, please call Member Services at **888-333-4742**.

Is my dependent required to have a primary care provider (PCP) and get referrals to see specialists?

As with all HMO plans, your registered dependent must have a Harvard Pilgrim network PCP on file with us. When the dependent is within the enrollment area (e.g., for school breaks or visits) and need to see a specialist, they must get a referral from their PCP. While living outside of the enrollment area, they do not need a referral from their PCP to see a specialist, but they will need to choose a specialist from the UHC Options network.

How can my dependent find a provider?

To find a provider outside of the enrollment area, they should search the **Dependent Out-of-Area provider directory**, which is listed under the "Standard Plans" section of our online provider directory at **harvardpilgrim.org**.

What services are covered out-of-area?

Your registered dependent can receive most of the same coverage available to them under the plan as though they

were within the enrollment area. Please refer to your Benefit Handbook and Schedule of Benefits for specific coverage information. Bariatric surgery, infertility treatment and fertility services (when covered under your plan) are not covered outside of the enrollment area.

What about behavioral health services?

To find a behavioral health provider outside of the enrollment area, your registered dependent should search the **Dependent Out-of-Area provider directory**.

What cost sharing applies for out-of-area services?

For services received out-of-area, including urgent care, your dependent's cost sharing will follow your plan's Schedule of Benefits. If your plan includes a tiered network, the cost sharing for the highest tier will apply.

Does my dependent need to get prior approval for certain services?

If your dependent requires certain care, like being admitted to a hospital, home infusion or durable medical equipment, they will need to call Harvard Pilgrim at **800-708-4414** to get approval before they receive the service. Please refer to your Benefit Handbook for specific coverage information.
