

## Save money and earn rewards on your next medical test or procedure.

- Save on out-of-pocket costs for tests like MRIs, labs, bone density studies, ultrasounds and CT Scans
- Earn cash rewards between \$25 and \$75 when you choose Harvard Pilgrim-participating providers who cost less\*

### Example of potential savings

<b>MRI spine, lumbar (without contrast)</b>	Range: <b>\$616 - \$2,270</b> Potential Savings: <b>\$1,654</b>
---	--

Range based on Harvard Pilgrim claims data. Actual service prices vary by provider and location.

\* \$150 minimum savings for reward. Maximum of five SaveOn rewards per calendar year.
