

Clarification on SBC format

As of April 1, 2017 the federal government has issued a new format for the *Summary of Benefits and Coverage* (SBC) document. One of the most significant changes to the format is the way deductibles are referenced in the cost-sharing chart. The cost-sharing chart shows copayments and coinsurance **after** the deductible has been met.

- A statement appears at the top of the chart noting that all copayments and coinsurance are **after the deductible has been met**, if a deductible applies (see example below). Please note that this wording appears only at the top of the chart.

All copayments and coinsurance cost shown in this chart after your deductible has been met, if a deductible applies.

- If the deductible does not apply to a benefit, the phrase "deductible does not apply" appears in the chart.
- If the "What You Will Pay" column, indicates "no charge," this means no charge **after** the deductible has been met.

Common Medical Event	Services You May Need	What You Will Pay		Limitations, Exceptions, & Other Important Information
		Network Provider (You will pay the least)	Out-of-Network Provider (You will pay the most)	
If you have a test	Diagnostic test (x-ray, blood work)	X-rays: No charge Laboratory: Select Providers: No charge; <u>deductible</u> does not apply. Other Plan Providers: No charge	Not covered	None
	Imaging (CT/PET scans, MRIs)	No charge	Not covered	Cost sharing may vary for certain imaging services.

We encourage readers to reference *Schedule of Benefits* documents for cost-sharing details. The *Schedule of Benefits* is the contract between a member and Harvard Pilgrim Health Care and is the more complete document.

Important Questions	Answers	Why this matters
What is the overall deductible ?	\$2,000 member / \$5,000 family Benefits are administered on a Plan Year basis.	Generally you must pay all the costs up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Preventive care , provider office visits, services from Flex Providers , prescription drugs, and emergency room care are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But, a copayment or coinsurance may apply.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services
What is the out-of-pocket limit for this plan ?	\$5,750 member / \$11,500 family	The out-of-pocket limit is the most you could pay in a year of covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limit until family out-of-pocket limit has been met.

Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

Important Questions	Answers	Why this matters
What is not included in the out-of-pocket limit ?	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See https://www.providerlookuponline.com/harvardpilgrim/po7/Search.aspx or call 1-888-333-4742 for a list of preferred providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	Yes, some exceptions apply.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist .

All [copayment](#) and [coinsurance](#) cost shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
