### Prior Authorization Request

CVS Caremark administers the medical drug prior authorization program on behalf of Harvard Pilgrim Health Care. Your patient's benefit plan requires prior authorization for certain medications. In order to make appropriate medical necessity determinations, your patient's diagnosis and other clinical information is required. **Please complete the information requested on the form below and fax this form to CVS Caremark, toll-free at 1-844-851-0882** to initiate the review process. If you have questions regarding the prior authorization please contact CVS Caremark at **1-844-387-1435**.

The recipient of this fax may make a request to opt-out of receiving telemarketing fax transmissions from CVS Caremark. There are numerous ways you may opt-out: The recipient may call the toll-free number at 877-265-2711, at any time, 24 hours a day/7 days a week. The recipient may also send an opt-out request via email to [do\\_not\\_call@cvscaremark.com](mailto:do_not_call@cvscaremark.com). An opt out request is only valid if it (1) identifies the number to which the request relates, and (2) if the person/entity making the request does not, subsequent to the request, provide express invitation or permission to CVS Caremark to send facsimile advertisements to such person/entity at that particular number. CVS Caremark is required by law to honor an opt-out request within thirty days of receipt.
