Explanation of Payment Report

An itemized Harvard Pilgrim Explanation of Payment (EOP) report or 835 Electronic Remittance Advice accompanies payment for services rendered to members for both paper and electronic claims submitters.

- Electronic Funds Transfer and companion 835 Electronic Remittance Advice is available through Harvard Pilgrim's EFT vendor Payspan. Review EFT payment, 835 and enrollment information at www.harvardpilgrim.org/provider/resource-center/electronic-tools-and-hphconnect/.
- 835 Electronic Remittance Advice (ERA) for providers receiving paper check can be delivered directly to your organization or clearinghouse. Request for enrollment for the 835 can be found at www.harvardpilgrim.org/provider/resource-center/electronic-tools-and-hphconnect/, go to eTransactions, Remittance Advice.
- The EOP/ERA identifies the paid and denied claims that are associated with a payment number.
- You may receive EOPs or ERAs that do not have a payment associated with them. These will be for claims adjudicated to a zero pay amount (i.e. denied or payable amount applied to member cost share, or in the event of a recoupment of an overpayment).
- The adjudication system selects the appropriate HIPAA compliant Group Codes, Claim Adjustment Reason Codes and Remittance Advice Remark Codes based on final disposition of claim lines. These codes indicate if services have been paid or denied.

Pend Reports

A separate report is created for every product line (commercial and indemnity) to identify any pending claims. Pend reports are mailed bi-weekly, sorted by product line. Pended commercial claims are reported one week and pended indemnity claims are reported the next week. HIPAA compliant Claim Status Codes indicate that services have been pended.

E-Channel Reporting

The following reports are available to direct submitters (*HPHConnect*, NEHEN and EDI-Direct) to help manage accounts receivable:

- **File Acknowledgement/999 Report** — provides confirmation that your claim files have been accepted or rejected by Harvard Pilgrim.
- **277 Claim Acknowledgement Report** — notifies you within 24–72 hours of the payer's claims acceptance or rejection.
- **Electronic Remittance Advice/835 (optional)** — provides you with an electronic Explanation of Payment (EOP) that can be automatically posted to your billing system.
