Information in this policy does not apply to members with the Choice or Choice Plus products offered through Passport ConnectSM. For UnitedHealthcare's related policies/procedures, please go to www.UnitedHealthcareOnline.com or call 866-314-8166.

General Guidelines

If a claim is due to a workers' compensation (WC) accident, the provider must bill the WC carrier first. If the WC carrier denies the claim, the provider should submit the bill to Harvard Pilgrim with a copy of the denial letter attached to the claim.

Required Information When Filing a WC Claim

To expedite payment, include the following information when filing a WC claim:

- Member name.
- Member identification number.
- Date of WC accident.
- Name and address of WC carrier.

WC Claim-Filing Limit

If a claim is submitted beyond the 90-day filing limit, it must be received within 90 days of the date posted on the WC denial letter.

- Claims will be denied if they are submitted beyond the 90-day filing limit and received:
 - Beyond 90 days from the date on the WC denial letter.
 - With no date on the WC denial letter.
 - Without notification from the WC carrier that the claim has been denied.
- Providers may call Harvard Pilgrim to verify that a WC denial letter has been received.

Connecticut Retroactive Denial

In Connecticut, when coordinating benefits with a primary insurance carrier, the filing limit for claims submission to Harvard Pilgrim is 365 days from the date of the cancellation, denial, or partial payment of the primary insurer to resubmit a claim to Harvard Pilgrim as a secondary carrier. (This only applies when Harvard Pilgrim is the secondary carrier.)

Maine Suspension of Filing Deadlines

In Maine, when coordinating benefits with a primary insurance carrier, the filing limit for claim submission is 120 days from the date that the primary insurer processed the claim or retroactively denied a previously paid claim. The date is indicated on the insurer's Explanation of Benefits (EOB).

New Hampshire Retroactive Denial

In New Hampshire, when coordinating benefits with a retroactively terminated policy, the filing limit for claims submission to Harvard Pilgrim is *180 days* from the date that the primary insurer retroactively denied a previously paid claim. The date is indicated on the insurer's Explanation of Benefits (EOB). (This only applies when Harvard Pilgrim is the secondary carrier and the primary carrier has retroactively terminated the policy. This does not apply if the primary carrier terminated under normal circumstances.)
