## Section 1 - Introduction

This directory provides a list of Stride<sup>SM</sup> Value Rx (HMO) and Stride<sup>SM</sup> Value Rx Plus (HMO)'s network dental providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

The “network providers” listed in this directory have agreed to provide you with your dental care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. Other physicians/providers are available in our network.

If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care. If you obtain routine care from out-of-network providers neither Medicare nor Harvard Pilgrim will be responsible for the costs. Harvard Pilgrim Health Care's provider directory is continually being updated; therefore, please contact Member Services to be sure the provider is accepting new patients.

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should contact Member Services or send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. (Please note that we cannot pay a provider who has opted out of the Medicare program.)

Check with your provider before receiving services to confirm that they have not opted out of Medicare. If we determine that the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost. Please refer to your Evidence of Coverage for details. You may get emergency medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. Please refer to your Evidence of Coverage for details.

Our plan allows you to get covered emergency medical care whenever you need it, anywhere in the world. Please check your Evidence of Coverage for more information. If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

Emergency care can always be obtained in or out of the service area from the nearest available provider.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers neither Medicare nor *Stride<sup>SM</sup> Value Rx (HMO) and Stride<sup>SM</sup> Value Rx Plus (HMO)* will be responsible for the costs.

If you obtain routine care from out-of-network providers outside of the service area neither Medicare nor Harvard Pilgrim will be responsible for the costs unless arrangements are made prior to services being rendered. Please refer to your Evidence of Coverage for more information.

Dental services for beneficiaries covered by Harvard Pilgrim's *Stride<sup>SM</sup> Value Rx (HMO) and Stride<sup>SM</sup> Value Rx Plus (HMO)* are administered by Dental Benefit Providers, Inc. Members may call 800- 460-0315 (TTY/TDD 711) for the most current information regarding participating dentists and accessing their dental benefits.
