Section 1 – Introduction

This directory provides a list of Harvard Pilgrim Health Care’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage. You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP.

Your Primary Care Provider (PCP) will provide and oversee your care. You can use this directory to choose a network PCP. In most situations, your network PCP must give you approval in advance before you can use other providers in the plan’s network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. This is called giving you a “referral.” For more information about this, please refer to the Evidence of Coverage. Referrals from your PCP are not required for emergency care or urgently needed services.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

As a member of StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO) or StrideSM Gain RxSM (HMO), you will get your routine or basic care from your PCP. Your PCP is trained to handle the majority of common health needs; however, there may be a time when you need more specialized treatment. In most situations, you may see a plan specialist. Specialists are doctors who are trained to provide health services for a specific disease or part of the body. The PCP you choose works with certain plan specialists he/she uses for referrals, called a “referral circle.” A referral circle is a group of specialists, inpatient facilities, providers and suppliers that are part of your PCP’s network.

As a Health Management Organization (HMO), our members are required to obtain a referral or authorization from our plan as a condition for covering medically necessary services that are covered by our plan. For most types of specialists, you will need to obtain a “referral” from your PCP before you can schedule an appointment with the specialist. StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO) and StrideSM Gain RxSM (HMO) members will not need a referral to obtain outpatient psychiatric services. However, it is important to communicate with your PCP about any health care services you may receive.

An authorization may be required for services received such as inpatient hospitalization. If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care. If you obtain routine care from out-of-network providers neither Medicare nor Harvard Pilgrim will be responsible for the costs. Our plan has contracted with Independent Physician

and Physician Organized Delivery (POD) systems to provide healthcare to our members. A POD system represents a network of physicians with similar referral patterns, organized to administer healthcare services to the plan's membership. Independent Physicians are physicians who operate under their own practice and are not part of a physician group or POD. If you want to use a specialist or hospital, you should check with your PCP to make sure they can make referrals to that specialist or hospital. Harvard Pilgrim Health Care's provider directory is continually being updated; therefore, please contact Member Services to be sure the provider is accepting new patients.

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should contact Member Services or send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. (Please note that we cannot pay a provider who has opted out of the Medicare program.) Check with your provider before receiving services to confirm that they have not opted out of Medicare. If we determine that the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost. Please refer to your Evidence of Coverage for details. You may get emergency medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. Please refer to your Evidence of Coverage for details.

Our plan allows you to get covered emergency medical care whenever you need it, anywhere in the world. Please check your Evidence of Coverage for more information. If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable, and the medical emergency is over. After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

Emergency care can always be obtained in or out of the service area from the nearest available provider. You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers neither Medicare, StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO) nor StrideSM Gain RxSM (HMO) will be responsible for the costs.

If you obtain routine care from out-of-network providers outside of the service area neither Medicare nor Harvard Pilgrim will be responsible for the costs unless arrangements are made prior to services being rendered. Please refer to your Evidence of Coverage for more information.

Behavioral Health services, including mental health and substance abuse services, for

Members and providers may access Optum Behavioral Healthcare Services by **calling 1-888- 777-4742 (TTY/TDD 711)** to arrange for inpatient admission authorization. Outpatient mental health and substance abuse services do not require a referral. Optum Behavioral Healthcare Services is available 24 hours per day, 7 days a week.

Dental services for beneficiaries covered by Harvard Pilgrim's StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), and StrideSM Gain RxSM (HMO) are administered by Dental Benefit Providers, Inc. Members may call **1-800-460-0315 (TTY/TDD 711)** for the most current information regarding participating dentists and accessing their dental benefits. How do you find Harvard Pilgrim Health Care’s providers in your area?

Due to the large size of a printed provider directory, we have created two provider directories, so the hard copy is easier to review. Our “Northern” directory lists physicians in New Hampshire, Maine and Vermont. Our “Southern” directory lists physicians in Massachusetts, Rhode Island and Connecticut.

To help you find a provider close to your home, this directory is organized as follows:

HOSPITALS	In the first section of our directory, with a header of HOSPITALS, we list all our hospitals that are available in our entire network, listed by state.
PRIMARY CARE PROVIDERS	<p>Following the HOSPITAL section, under the header PRIMARY CARE PROVIDERS, we list all our Primary Care Physicians (PCPs) that are in the three-state region, of the directory you have requested. Our “Northern” directory will list PCPs in New Hampshire, Vermont and Maine. Our “Southern” directory lists PCPs in Massachusetts, Rhode Island and Connecticut.</p> <p>Within each state, the PCPs are listed by alphabetically, first by county, then by city/town within that county and then by the PCP’s last name. On the top of each page, we list the city/town and the city/town’s associated county. Each time the county or city/town changes, we indicate the change by putting a header in a box, that lists the city/town and the county.</p>
SPECIALISTS	Following the PCP section, we list our SPECIALISTS in the same order as our PCPs, alphabetically by county, then within each county by city/town and then by the specialist’s last name.
OTHER CARE PROVIDERS	Following the SPECIALISTS, we list our OTHER CARE PROVIDERS – who are other providers that are not PCPs, Specialists or a hospital, that are part of our network.

If you have questions about Harvard Pilgrim Health Care’s Directory or require assistance in selecting a PCP, please call our Member Service Department at 1-888-609-0692. Our hours are October 1 – March 31, 8 a.m. - 8 p.m., 7 days a week; April 1 - September 30, 8 a.m. - 8 p.m., Monday –Friday. TTY users should call 711. Introduction

This booklet provides a list of Harvard Pilgrim Health Care's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Harvard Pilgrim Health Care's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Harvard Pilgrim Health Care. When it refers to "plan" or "our plan," it means StrideSM Basic (HMO), Rx, Value Rx (HMO), Value Rx Plus (HMO) or Gain Rx (HMO.)

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Harvard Pilgrim Health Care only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of December 2019. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside our service areas in Maine, New Hampshire and Massachusetts, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside the StrideSM BasicRx(HMO), ValueRx(HMO), ValueRxPlus(HMO)andGainRx (HMO)'s Service Area or call Member Services at 1-888-609-0692.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Harvard Pilgrim Health Care.

This directory lists pharmacies in our network alphabetically by state and then city or town. Within each city/town, pharmacies are listed by the pharmacy type, as applicable, in this order: home infusion, long term care (LTC), Indian Health Service/Tribal/Urban Indian Health Program, and retail pharmacies. A description of the different types of pharmacies follows.

www.medimpactdirect.com

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-888-609-0692, TTY 711.

Home Infusion Pharmacies

For more information, please see your Evidence of Coverage.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs under StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), and StrideSM Gain Rx (HMO) through the facility's long-term care pharmacy or another network long-term care pharmacy.

Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO) and StrideSM Gain Rx (HMO)'s pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

Network Pharmacies outside the StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO) and StrideSM Gain Rx (HMO)'s Service Area

We have network pharmacies outside the service area where you can get your drugs covered as a member of our plan. These pharmacies in Massachusetts, Maine and New Hampshire are listed throughout the directory. For network pharmacies in other states, contact Member Services or visit our website, www.harvardpilgrim.org/medicare.

Specialty Pharmacy

As a Harvard Pilgrim Stride member you have the flexibility of filling your medications at the network pharmacy of your choice. If you pay a coinsurance for your specialty medication, your out of pocket costs may be lower should you choose to fill your specialty medication with CVS Specialty Pharmacy. Medications available through CVS Specialty Pharmacy are identified in our drug list with the following note: "Available through CVS Specialty (1-800-237-2767)."

Other Pharmacies are available in our network. Information about what other pharmacies are available in our network can be accessed from the Harvard Pilgrim Health Care Pharmacy Directory (available on our website or by request), or by calling our Medicare Advantage Member Services Department at 1-888-609-0692 or TTY 711, Monday through Friday from 8:00am – 8:00pm EST April 1 to September 30 and 7 days a week from 8:00am – 8:00pm EST October 1 to March 31. Our Member Services representatives will be happy to assist you.
