

Harvard Pilgrim Health Care proudly presents the *10th Annual Dr. Martin Luther King, Jr. Creative Expressions Contest*

This year's celebration focuses on the theme *"A drum major for justice, peace and righteousness."*

For our MLK Observance this year, we continue to embrace the teaching of Dr. Martin Luther King Jr. Dr. King stated, *"An individual has not started living until he can rise above the narrow confines of his individualistic concerns to the broader concerns of all humanity."* In today's society, it is crucial for everyone to find their own way of beating the drum to inspire society and American culture to march in the right direction, promoting peace, unity and equality.

Applicants are asked to respond in their own way to the theme above with specific focus on the question: *"What have you done or what are you doing in your community that will bring about change that will continue Dr. King's vision of equality for all?"*

The MLK Creative Expressions Contest is open to students between the ages of 7 and 18. Three award recipients will be selected, and each will receive a \$500.00 scholarship.
