Section 1 – Introduction

This directory provides a list of Harvard Pilgrim Health Care's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP.

Your Primary Care Provider will manage your routine care and will refer you to specialists as needed. You can also change your PCP by calling our Member Services department at 1-888-609-0692. TTY users, call 711.

As a Health Management Organization (HMO), our members are required to obtain a referral or authorization from our plan as a condition for covering medically necessary services that are covered by our plan. Depending on your plan, for most types of specialists, you will need to obtain a "referral" from your PCP before you can schedule an appointment with the specialist. Stride℠ Basic Rx (HMO), Stride℠ Value Rx (HMO), Stride℠ Value Rx Plus (HMO), Stride℠ Choice Rx (HMO-POS) and Stride℠ Gain Rx℠ (HMO) members will not need a referral to obtain outpatient psychiatric services. However, it is important to communicate with your PCP about any health care services you may receive. For detailed information regarding referrals and authorizations, please refer to your Evidence of Coverage.

The PCP you choose works with certain plan specialists he/she uses for referrals, called a "referral circle." A referral circle is a group of specialists, inpatient facilities, providers and suppliers that are part of your PCP's network.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers, or obtain services without needing a referral. Please refer to your Evidence of Coverage for further details about services that do not require a referral.

Harvard Pilgrim's HMO-POS plans provide members with the ability to access certain services out-of-network anywhere in the US (territories excluded). Under the Point-of-Service (POS) benefit, you will not pay a higher cost share when using an out-of-network provider. However, if you use an out-of-network provider, you must follow the same referral and prior authorization requirements as when you use an in-network provider. If you get care from an out-of-network provider, that provider must participate in Medicare and accept you as a Harvard Pilgrim Stride℠ (HMO) patient. We cannot pay a provider who has decided not to participate in Medicare or is otherwise precluded

from the Medicare Program. In addition, for Part D prescriptions to be covered, the out-of-network provider who prescribes the medication must also be a Medicare Part D Prescriber. When using your plan's POS benefit, if the out-of-network provider accepts Medicare assignment, you will not be responsible for any amount in excess of the applicable POS copay or coinsurance. If the out-of-network provider does not accept Medicare assignment, however, you may be responsible for additional charges. For physician services, there is a maximum, or limiting, charge for Medicare-covered services.

If you see an out-of-network provider, in cases where out-of-network providers submit a bill directly to you, you should **not** pay the bill but should submit it to Harvard Pilgrim Health Care, for processing and determination of your liability, if any.

You must use network providers except in emergency or urgent care situations, or for out-of-area renal dialysis or cases where the plan authorized use of out-of-network providers. If you obtain routine care from out-of-network providers, neither Medicare nor Harvard Pilgrim Health Care will be responsible for the costs.

Behavioral Health Services, including mental health and substance abuse services, for beneficiaries covered by Harvard Pilgrim's Stride℠ Basic Rx (HMO), Stride℠ Value Rx (HMO), Stride℠ Value Rx Plus (HMO), Stride℠ Choice Rx (HMO-POS) and Stride℠ Gain Rx℠ (HMO) are provided through Optum Behavioral Healthcare Services. Members and providers may access Optum Behavioral Healthcare Services by calling **1-888- 777-4742 (TTY/TDD 711)** to arrange for inpatient admission authorization. Outpatient mental health and substance abuse services do not require a referral. Optum Behavioral Healthcare Services is available 24 hours per day, 7 days a week.

Certain dental services are administered by Dental Benefit Providers, Inc. Members may call 1-**800-460-0315 (TTY/TDD 711)** for the most current information regarding participating dentists and accessing their dental benefits. Please refer to the instructions on page i for more information or refer to our dental provider directory.

How do you find Harvard Pilgrim Health Care's providers that serve your area?
Due to the large size of a printed provider directory, we have created two provider directories, so the hard copy is easier to review. Our Provider Directory for New Hampshire, Maine and Vermont lists physicians in New Hampshire, Maine and Vermont. Our Provider Directory for Massachusetts, Rhode Island or Connecticut lists physicians in Massachusetts, Rhode Island and Connecticut.

This directory provides a list of Harvard Pilgrim Health Care's (HMO)/(HMO-POS) network providers.

To help you find a provider close to your home, this directory is organized as follows:

HOSPITALS	In the first section of our directory, with a header of HOSPITALS, we list all our hospitals that are available in our entire network, listed by state.
PRIMARY CARE PROVIDERS	Following the HOSPITAL section, under the header PRIMARY CARE PROIVERS, we list all our Primary Care Providers (PCPs) that are in the three-state region, of the directory you have requested. Our Provider directories will list PCPs in New Hampshire, Vermont, Maine, Massachusetts, Rhode Island and Connecticut.

	Within each state, the PCPs are listed alphabetically, first by county, then by city/town within that county and then by the PCP's last name. On the top of each page, we list the city/town and the city/town's associated county. Each time the county or city/town changes, we indicate the change by putting a header in a box, that lists the city/town and the county.
SPECIALISTS	Following the PCP section, we list our SPECIALISTS in the same order as our PCPs, alphabetically by county, then within each county by city/town and then by the specialist's last name.
OTHER CARE PROVIDERS	Following the SPECIALISTS, we list our OTHER CARE PROVIDERS – who are other providers that are not PCPs, specialists or a hospital, that are part of our network. For example, Minute Clinics, Dialysis Centers and Laboratories.

If you have questions about Harvard Pilgrim Health care's Stride℠ Plan, or require assistance in selecting a PCP, please call our Member Services department at 1-888-609-0692, TTY: 711. Our Representative are available October 1 – March 31, from 8 a.m. – 8 p.m., 7 days a week and April 1 – September 30, 8 a.m. – 8 p.m., Monday - Friday.

Harvard Pilgrim is an HMO/HMO-POS plan with a Medicare contract. Enrollment in Stride℠ (HMO) depends on contract renewal.

Harvard Pilgrim Health Care includes Harvard Pilgrim Health Care and Harvard Pilgrim Health Care of New England.
