Our prescription drug benefits focus on choice and value.

All plans include our 5-tier prescription drug coverage: The lower the tier, the less you pay. Cost sharing for prescriptions may include a combination of copayments, coinsurance and a deductible. You can fill prescriptions at retail pharmacies nationwide or through our mail order program.

We’ve added some over-the-counter drugs to our formularies. With a prescription from a provider, members will pay Tier 1 Rx cost sharing for certain drugs including cough, cold and allergy; dermatology; gastrointestinal; pain; and ophthalmic preparations.

**Is a prescription covered?**

To find out, visit [www.harvardpilgrim.org/rx](http://www.harvardpilgrim.org/rx). Select the year and the plan as shown on the ID card (example: Value 5-Tier), then look up drugs by tier or category.
Maximize your well-being with our Living Well™ programs

These programs and services are included with your plan at no additional cost.

**Living Well™**

Our free online community is packed with activities, tracking tools, well-being challenges and more. Earn points and entries for monthly gift card drawings. Visit [www.harvardpilgrim.org/wellbeingforall](http://www.harvardpilgrim.org/wellbeingforall).

Helping you choose a plan

These questions can help you decide whether a Gold, Silver, Bronze or Catastrophic plan is best for you.

• What kind of care do you expect to need in the next year?
• Are you willing to pay more for a higher level of coverage?
• Would you rather pay higher monthly premiums in exchange for lower costs when you receive care?

See the 2021 health plan options on the following pages for more details on cost sharing for each plan.

With all of our plans, you’ll choose a primary care provider (PCP) to arrange your care.

You may qualify for financial help

Advance Premium Tax Credit (APTC)
You can take this credit in advance to lower your monthly health insurance payment (or premium). When you apply for coverage on the Exchange, you estimate your expected income for the year. If you qualify for the APTC based on your estimate, you can use any amount of the credit in advance to lower your premium. The APTC is available if you earn between 100% and 400% of the federal poverty level, and it may apply to any of the plans we offer through the Exchange.

Cost Sharing Reduction (CSR)
This discount lowers the amount you pay when you receive medical services, such as deductibles, copayments and coinsurance. If your income is up to 250% of the federal poverty level, you can purchase a silver-level CSR plan with lower out-of-pocket costs. These plans are identified on the following pages with CSR 73%, CSR 87% or CSR 94% below the name of the plan. When you fill out your application at www.HealthCare.gov, you will find out if you qualify for either subsidy.

Payment is waived for the first non-routine office visit with a PCP and three outpatient behavioral health visits in the calendar year.

To be eligible to enroll in the Maine’s Choice Plus HMO, you must live in one of the following 10 counties at least nine months out of the year: Androscoggin, Cumberland, Franklin, Kennebec, Knox, Lincoln, Oxford, Sagadahoc, Waldo or York.

Preventive Rx: Deductible does not apply. For HSA (Health Savings Account) plans, a deductible applies before most services are covered.

Available only in Aroostook, Hancock, Penobscot, Piscataquis, Somerset and Washington counties.

The first three PCP and outpatient behavioral health visits in the calendar year are covered.
Maine’s Choice Plus℠ HMO: Where choice and flexibility meet savings

Enhanced features for 2021!

For 2021, Maine’s Choice HMO is becoming Maine’s Choice Plus℠ HMO. Maine’s Choice Plus℠ HMO will continue to feature two provider networks that let you choose from thousands of trusted physicians.

- **Two networks so you can control your costs.** You’ll pay less for care from Preferred Network primary care providers (PCPs), specialists and hospitals.

- **NEW: You have the option to choose a PCP from either network.** You’ll pay lower cost sharing when you receive care from a Preferred Network PCP and higher cost sharing with a Standard Network PCP.

- **Some services are always in the Preferred Network.** These include behavioral health, emergency care, pharmacy, acupuncture and chiropractic services.

- **Some services are on us.** These include copayments for the first non-routine PCP visit, three outpatient behavioral visits per calendar year,* and certain preventive services and tests.

- **Payment and the amount of cost sharing depend on the service and provider’s network.** See the product grids on pages 12 - 21 for details on what you pay for services from Preferred Network and Standard Network providers.

- **Our full network.** Between our Preferred and Standard Networks, members have access to more than 180 hospitals and more than 90,000 doctors and clinicians.

- **To be eligible to enroll in the Maine’s Choice Plus℠ HMO,** you must live in one of the following 10 counties at least nine months out of the year: Androscoggin, Cumberland, Franklin, Kennebec, Knox, Lincoln, Oxford, Sagadahoc, Waldo or York.

These insurance terms are good to know

Cost sharing

This is the portion you pay for specific health care services like office visits, X-rays and prescriptions. Examples of cost sharing include coinsurance, copayments and deductibles.

Deductible

This is a set amount of money you pay out of your own pocket for certain services. For a $2,000 annual deductible, for example, you will pay $2,000 worth of charges before Harvard Pilgrim helps pay. If you receive care for services that fall under the deductible, the provider will send a bill. If prescription drugs fall under a plan’s deductible, you will need to pay for them when you pick them up from the pharmacy.

Copayments do not count toward a deductible.

Copayments

This is the flat dollar amount you pay for certain services on your plan. There may be different copayments for different services (e.g., primary care visits, specialist visits and prescription drugs). Copayments are normally due at the time of an appointment, or when you pick up a prescription at the pharmacy.

Coinsurance

Coinsurance is a fixed percentage of costs that you pay for covered services. For example, for a plan with coinsurance, you may have to pay 20% of a provider’s bill for care, while Harvard Pilgrim pays 80%. Coinsurance is usually something paid after you have paid an annual deductible.

HSA (health savings account)

This is a savings account that can help you pay for qualified health care expenses. You need to have a federally qualified high deductible health plan, such as the HMO HSA or the Maine’s Choice Plus™ HMO HSA, to be able to open an HSA. Check with your bank or financial advisor to see if they offer HSAs.

Out-of-pocket maximum

This is a limit on the total amount of cost sharing you pay annually for covered services. This generally includes copayments, coinsurance and deductibles. After you meet the out-of-pocket maximum, Harvard Pilgrim will pay all additional covered health care costs.

Catastrophic plan

You can buy a catastrophic plan if you are under 30 or if you have a hardship exemption or affordability exemption. Catastrophic plans have low monthly premiums and high deductibles. They cover three primary care provider office visits outside of the deductible. You will pay out of your own pocket for most other covered services before the plan helps pay.
