COVID-19 benefits & coverage

We are committed to guiding you through the challenges of the COVID-19 pandemic. For the most up-to-date information, visit www.harvardpilgrim.org/coronavirus.

* You can enroll outside of the open enrollment period under certain circumstances (e.g., involuntary loss of employer-sponsored coverage; marriage; birth; or a move of your principal residence). This is called a Special Enrollment Period. If you believe that you qualify for a Special Enrollment Period, please visit www.HealthCare.gov to review the eligibility guidelines and submit your enrollment.
All the coverage you’ll need

These core benefits are included with each of our plans.

- **UPDATED Acupuncture and chiropractic**: Unlimited acupuncture and chiropractic visits per year.
- **Ambulatory patient services**: Outpatient care without hospital admission.
- **Emergency services**: Trips to the emergency room (ER), when medically necessary.
- **Eye exams**: One preventive screening every year for children up to age 19; every two years for adults.
- **Hospitalization**: Inpatient services, such as surgery.
- **Laboratory services**: Bloodwork, screenings, etc.
- **Mental health and substance use services**: Counseling and psychotherapy.
- **Pediatric vision hardware**: Covers children up to age 19.
- **Pregnancy, maternity, and newborn care**: Care before, during and after pregnancy.
- **Prescriptions**: Access to safe, effective medications.
- **Rehabilitation and habilitative services and devices**: Rehab services, hospital beds, crutches, oxygen tanks.
- **Routine physical exams**: Annual preventive visit with your primary care provider.

Our prescription drug benefits focus on choice and value.

All plans include our 5-tier prescription drug coverage: The lower the tier, the less you pay. Cost sharing for prescriptions may include a combination of copayments, coinsurance and a deductible. You can fill prescriptions at retail pharmacies nationwide or through our mail order program.

We’ve added some over-the-counter drugs to our formularies. With a prescription from a provider, members will pay Tier 1 Rx cost sharing for certain drugs including cough, cold and allergy; dermatology; gastrointestinal; pain; and ophthalmic preparations.

**Is a prescription covered?**

Visit www.harvardpilgrim.org/rx. Select “2021” and “Core NH 5-Tier,” then look up drugs by tier or category.

We’re committed to New Hampshire’s communities

Service is more than good business.

In 2020, more than $1.3 million was contributed to New Hampshire nonprofit organizations.

As a not-for-profit, service inspires our social mission. We’re driven by a human concern for the health challenges facing our neighbors and communities. And we’re dedicated to helping resolve them through our partnerships with nonprofit organizations in New Hampshire. This includes a focus on substance-use disorders and New Hampshire’s opioid crisis.
Helping you choose a plan

These questions can help you decide whether a Gold, Silver, Bronze or Catastrophic plan is best for you.

• What kind of care do you expect to need in the next year?
• Are you willing to pay more for a higher level of coverage?
• Would you rather pay higher monthly premiums in exchange for lower costs when you receive care?

See the 2021 health plan options on the following pages for more details on cost sharing for each plan.

These insurance terms are good to know

Cost sharing
This is the portion you pay for specific health care services like office visits, X-rays and prescriptions. Examples of cost sharing include coinsurance, copayments and deductibles.

Deductible
This is a set amount of money you pay out of your own pocket for certain services. For a $2,000 annual deductible, for example, you will pay $2,000 worth of charges before Harvard Pilgrim helps pay. If you receive care for services that fall under the deductible, the provider will send a bill. If prescription drugs fall under a plan’s deductible, you will need to pay for them when you pick them up from the pharmacy.

Copayments and coinsurance do not count toward a deductible.

Copayments
This is the flat dollar amount you pay for certain services on your plan. There may be different copayments for different services (e.g., primary care visits, specialist visits and prescription drugs). Copayments are normally due at the time of an appointment, or when you pick up a prescription at the pharmacy.

Coinsurance
Coinsurance is a fixed percentage of costs that you pay for covered services. For example, for a plan with coinsurance, you may have to pay 20% of a provider’s bill for care, while Harvard Pilgrim pays 80%. Coinsurance is usually something paid after you have paid an annual deductible.

HSA (health savings account)
This is a savings account that can help you pay for qualified health care expenses. You need to have a federally qualified high deductible health plan, such as the ElevateHealth HMO HSA, to be able to open an HSA. Check with your bank or financial advisor to see if they offer HSAs.

Out-of-pocket maximum
This is a limit on the total amount of cost sharing you pay annually for covered services. This generally includes copayments, coinsurance and deductibles. After you meet the out-of-pocket maximum, Harvard Pilgrim will pay all additional covered health care costs.

Catastrophic plan
You can buy a catastrophic plan if you are under 30 or if you have a hardship exemption or affordability exemption. Catastrophic plans have low monthly premiums and high deductibles. They cover three primary care provider office visits outside of the deductible. You will pay out of your own pocket for most other covered services before the plan helps pay.
