<u>Section 1 – Introduction</u>

This directory provides a list of Harvard Pilgrim Health Care StrideSM 's network providers.

You will have to choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP.

Your PCP will provide your routine care, preventive care, and treatment for common illnesses. They will also refer you to specialists as needed. You can always change your PCP by calling our Member Services department at **1-888-609-0692 (TTY 711)**.

Your PCP may have a team of specialists called a "referral circle". Your PCP's referral circle includes designated specialists, inpatient facilities, suppliers and other providers. It represents the professionals with whom your PCP has chosen to work. When your PCP sends you to a specialist or anyone else in their referral circle, your PCP is recommending you see a doctor whose opinion they trust and who is qualified to diagnose your condition.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

Harvard Pilgrim StrideSM does not require you have a referral from your PCP to see an in-network specialist, including for outpatient psychiatric services. This means you have direct access to specialized care. However, you are still encouraged to talk to your PCP first. They will work with you to determine the best type of specialist to see, and they will coordinate your care with the specialist.

As a Health Management Organization (HMO), some medically necessary services must be authorized by the plan as a condition of coverage. For more detailed information about authorizations, please refer to your *Evidence of Coverage (EOC)*.

Members of the following StrideSM plans must use in-network providers except for emergency or urgent care situations, out-of-area renal dialysis, or cases where the plan authorized use of an out-of-network provider:

- 1. Basic Rx (HMO)
- 2. Value Rx (HMO)
- 3. Value Rx Plus (HMO)

As a member of one of these three plans, if you obtain routine care from an out-ofnetwork provider, neither Medicare nor Harvard Pilgrim Health Care will be responsible for the cost. In contrast, the StrideSM Choice Rx (HMO-POS) plan helps its members access certain services out-of-network anywhere in the US (territories excluded). When you see an out-of-network provider using the POS benefit, the same authorization requirements are in effect as when you see an in-network provider. Here are some other details about the Choice Rx plan's POS benefit to keep in mind:

- 1. The out-of-network provider must participate in Medicare and accept you as a Harvard Pilgrim StrideSM patient.
- 2. Harvard Pilgrim StrideSM cannot pay a provider who does not participate in Medicare or is otherwise precluded from the Medicare Program.
- 3. For Part D prescriptions to be covered, the out-of-network provider who prescribes the medication must also be a Medicare Part D Prescriber.
- 4. When the out-of-network provider accepts Medicare assignment, you will not be responsible for any amount in excess of the POS copayment or coinsurance. If the out-of-network provider does not accept Medicare assignment, however, you may be responsible for additional charges. For physician services, there is a maximum, or limiting, charge for Medicare-covered services.

If you see an out-of-network provider, in cases where out-of-network providers send a bill to you, you should **not** pay the bill. Instead, submit it to Harvard Pilgrim Health Care, for processing and determining your out-of-pocket costs, if any.

Behavioral Health Services, including mental health and substance abuse treatment programs, are available from Optum Behavioral Healthcare Services. Members and providers may contact Optum Behavioral Healthcare Services by calling **1-888-777-4742 (TTY 711)** 24 hours a day, seven days a week.

It is important to know which providers are part of our network, because with limited exceptions, while you are a member of our plan you must use network providers to get your medical care and services. The only exceptions are emergencies, urgently needed services when the network is not available (generally, when you are out of the area), out-of-area dialysis services, and cases where Harvard Pilgrim Health Care has authorized use of out-of-network providers. Refer to Chapter 3 of your *Evidence of Coverage* for more specific information about emergency, out-of-network and out-of-area coverage.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Harvard Pilgrim Health Care StrideSM will be responsible for the costs.

Providers who offer only telehealth services are listed in Section 3 of this directory, following the directory of providers that offer on-site and/or telehealth services (Section 2.) To outreach these providers, their phone number and website address have been provided. To receive virtual/telehealth services, please contact the provider to confirm that they are licensed to provide services in the state where you are located.

What is the service area for Harvard Pilgrim Health Care StrideSM?

Belknap, Cheshire, Grafton, Hillsborough, Merrimack, Rockingham, Strafford and Sullivan counties in New Hampshire.

Please note that all our plans are offered in the above counties, except for Strafford County, where only our Value Rx Plus (HMO) is offered.

How do you find Harvard Pilgrim Health Care StrideSM providers that serve your area?

Due to the large size of our Stride^{sм} network, Harvard Pilgrim has created two printed directories. Doing so makes them easier to read. One directory lists providers available in New Hampshire and other counties in northern New England. Our second directory lists providers available in counties south of New Hampshire.

To help you find a provider close to your home, this directory is organized as follows:

HOSPITALS	In the first section of our directory, with a header of HOSPITALS, we list all our hospitals that are available in the entire Stride ^{sм} network, listed by state.
PRIMARY CARE PROVIDERS	Following the HOSPITAL section, under the header PRIMARY CARE PROVIDERS, we list all Primary Care Providers (PCPs) that are in the Stride sM network. You will need to choose your PCP from among these providers.
	Within each state, the PCPs are listed alphabetically, first by county, then by city/town within that county and then by the PCP's last name.
	On the top of each page, we list the city/town and the city/town's associated county. Each time the county or city/town changes, we indicate the change by showing the header, in a box, that lists the city/town and the county.
SPECIALISTS	Following the PCP section, we list our SPECIALISTS in the same manner as our PCPs: Alphabetically by county, then within each county by city/town, and then by the specialist's last name.
OTHER CARE PROVIDERS	Following the SPECIALISTS section, we list our OTHER CARE PROVIDERS. These are the providers in our network that are not PCPs, specialists or hospitals. Examples include Minute Clinics, Dialysis Centers, and Laboratories.

PROVIDERS	Section 3 of this directory provides a listing of providers offering only telehealth services. This section providers a listing of PCPs then followed by specialists that offer telehealth
	services only.

If you have questions about Harvard Pilgrim Health Care StrideSM plan, or require assistance in selecting a PCP, please call our Member Services Department at **1-888-609-0692 (TTY 711)**. Our representatives are available October 1 − March 31, 8 a.m. − 8 p.m., seven days a week, and April 1 − September 30, 8 a.m. − 8 p.m., Monday − Friday.

You can also visit www.harvardpilgrim.org/strideproviders.

Harvard Pilgrim is an HMO/HMO-POS plan with a Medicare contract. Enrollment in StrideSM (HMO) depends on contract renewal.

Harvard Pilgrim Health Care includes Harvard Pilgrim Health Care and Harvard Pilgrim Health Care of New England.

Introduction

This booklet provides a list of Harvard Pilgrim Health Care's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), and StrideSM Choice Rx (HMO-POS) formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Harvard Pilgrim Health Care. When it refers to "plan" or "our plan," it means StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), and StrideSM Choice Rx (HMO-POS).

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), and StrideSM Choice Rx (HMO-POS) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of August 2023. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with a obelus symbol (†) to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Optum Rx Home Delivery. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside our service areas in New Hampshire, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this directory on Network Pharmacies outside the StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), and StrideSM Choice Rx (HMO-POS) Service Area or call Member Services at 1-888-609-0692. Our representatives are available October 1 – March 31, 8 a.m. – 8 p.m., seven days a week, and April 1 – September 30, 8 a.m. – 8 p.m., Monday – Friday.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

This directory lists pharmacies in our network alphabetically by state and then city or town. Within each city/town, pharmacies are listed by the pharmacy type, as applicable, in this order: home infusion, long term care (LTC), Indian Health Service/Tribal/Urban Indian Health Program, and retail pharmacies. A description of the different types of pharmacies follows.

Retail Pharmacies, including Chain Pharmacies

All locations associated with the following pharmacies are participating providers. To get locations and direct telephone numbers of the chain pharmacies near your home, please call the numbers listed.

Retail pharmacies in this directory that provide an extended day supply of medications are indicated with an asterisk (*). Mail Order Pharmacy

Optum Rx Home Delivery (855) 524-0380

TTY: 711

www.optumrx.com

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling (855) 524-0380.

Typically, you should expect to receive your prescription drugs within 7 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-888-609-0692, TTY 711.

Home Infusion Pharmacies

Pharmacies that provide prescription drugs to be infused in the home are listed throughout this directory as Home Infusion Pharmacies. For more information, please see your Evidence of Coverage.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), and StrideSM Choice Rx (HMO-POS) through the facility's long-term care pharmacy or another network long-term care pharmacy.

Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), and StrideSM Choice Rx (HMO-POS)'s pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

Network Pharmacies outside the StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), and StrideSM Choice Rx (HMO-POS) Service Area

We have network pharmacies outside of the service area where you can get your drugs covered as a member of our plan. These pharmacies in Maine and Massachusetts are listed throughout the directory. For network pharmacies in other states, contact Member Services or visit our website, www.harvardpilgrim.org/stridepharmacies.

Specialty Pharmacy

As a Harvard Pilgrim Stride member you have the flexibility of filling your medications at the network pharmacy of your choice. If you pay a coinsurance for your specialty medication, your out of pocket costs may be lower should you choose to fill your specialty medication with Optum Specialty Pharmacy.

Optum Specialty Pharmacy
