

Save money on select services*

For savings on labs and ambulatory surgery centers

- Click "Hospitals, Urgent Care, Labs and more" on the right, then choose either "General Lab" or "Ambulatory Surgical Center" from the list under "Select Facility Type."

For savings on advanced radiology providers

- Click "Hospitals, Urgent Care, Labs and more" on the right, then choose "Imaging & Radiology" from the list under "Select Facility Type."
- Click "Specialty" on the left under "Filter Your Results," then choose "Computerized Axial Tomography (CAT)," "Magnetic Resonance Imaging (MRI)" or "Positron Emission Tomography (PET)."

For savings on physical, speech and occupational therapy providers

- Click "Specialists" on the right. Click "Specialty" from the list under "Filter Your Results" on the left, then scroll down and choose "Physical Therapy," "Speech Therapy" or "Occupational Therapy" from the list. You can also type the specialty you're looking for in the "Search specialty" box.

Note: HMO plans require a referral from your primary care provider. See the Benefit Handbook for details.

*Members on HSA plans may pay less cost sharing for these benefits once they meet their deductible. All members should review their Schedule of Benefits for details on cost sharing.

The Schedule of Benefits governs in the event that the information in this document is different.
