

ABOUT YOUR Activity Summary

We know health care can be complicated. We created our Activity Summary to help you better understand the claims we've processed for services you've received.

Your Activity Summary is not a bill. Your monthly summary provides helpful information for you to track the progress you've made in satisfying your financial responsibility under your plan, such as deductible, coinsurance (if applicable) and/or other out-of-pocket expenses.

HOW TO USE THIS INFORMATION

- 1 Review your Activity Summary.
- 2 Wait to receive a bill from your provider.
- 3 Compare your provider's bill with the information in your Activity Summary for accuracy. Be sure that the type of service noted on the Summary is the same as the service stated on your provider's bill.
- 4 Remember to check the following:
 - Your own records. You already may have paid a portion of your provider's bill (e.g., you may have paid your copayment amount at the time you received care).
 - Explanation note. Refer to the explanation note for more details on how the claim was processed. For example, the note might indicate that we need additional information to process the claim.
 - Your provider's bill will usually match the "Your Responsibility" column in this Activity Summary.

DEFINITIONS

- 1 Provider Charge** – The dollar amount the provider (e.g., physician, hospital or clinician) billed Harvard Pilgrim for this service.
- 2 Amount Denied** – The dollar amount Harvard Pilgrim did not pay. If an amount appears in this field, refer to the Explanation Note for the reason.
- 3 Explanation Note** – This note will explain whether the claim was paid or denied and the reason for the action taken.

4 Allowed Amount – The maximum amount that Harvard Pilgrim will pay a provider for covered services. If Medicare is the primary payor, this field will show the amount allowed under Medicare. If you have a POS or a PPO plan and you see a non-participating provider, it's possible that the provider will charge more than the allowed amount for the care you received. In that case, you would be responsible for paying the difference. This is sometimes called "balance billing."

5 Harvard Pilgrim Paid – The dollar amount Harvard Pilgrim paid for each service.

6 Deductible Applied – The dollar amount applied to the yearly deductible you must pay before your health plan begins paying for certain covered services. This means you may be required to pay all or part of a provider bill until you have paid your full deductible amount. If you have a \$2,000 annual deductible, for example, you will have to pay \$2,000 worth of charges before Harvard Pilgrim helps pay. Copayments do not count toward your deductible.

7 Coinsurance – A fixed percentage of costs that you pay for certain covered services. For example, if you have a plan with coinsurance, you may have to pay 20% of a provider's bill for your care, while Harvard Pilgrim pays 80%. Coinsurance is usually something you pay after you have paid an annual deductible.

8 Your Copayment – A flat dollar amount you pay for certain covered services. You may have different copayments for different services (e.g., primary care visits, specialist visits and prescription drugs).

Copayments are normally due when you have your appointment or when you pick up prescriptions from the pharmacy.

9 Your Responsibility – The total amount you are responsible for paying. It may include a copayment, deductible, coinsurance and/or denied amounts for services not covered by your plan. You may have already paid your copayment.
