

Ready for a mindful challenge?

Here's a simple mindfulness practice that can be done at home, at the office, standing in line, or sitting in a waiting room... the possibilities are endless. Use this insert anywhere you think mindfulness has a home — then let us know about it!

Sit or stand comfortably.

Pay attention to your breathing.

Begin a slow count to 4 as you **inhale**. Count to 4 as you **exhale**.

Breathe in...5.
Breathe out...5.

Breathe in...6.
Breathe out...6.

Release the counting and let your breathing return to its natural pace.
