Important Questions	Answers	Why This Matters
What is the overall deductible?	Medical & **Prescription Drug Deductible**: In-Network: $5,700 member / $11,400 family Out-of-Network: $11,400 member / $22,800 family Benefits are administered on a calendar year basis.	Generally, you must pay all of the costs from **providers** up to the **deductible** amount before this plan begins to pay. If you have other family members on the **plan**, each family member must meet their own individual **deductible** until the total amount of **deductible** expenses paid by all family members meets the overall family **deductible**.
Are there services covered before you meet your deductible?	Yes. Tiers 1, 2, and 3 **prescription drugs**, and the following In-Network services: **preventive care**, **provider** office visits, Non-hospital affiliated facility day surgery, Non-hospital based laboratory and imaging, and **Rehabilitation services** and **Habilitation services** are covered before you meet your **deductible**.	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost-sharing** and before you meet your **deductible**. See a list of covered preventive services at **https://www.healthcare.gov/coverage/preventive-care-benefits/**.
Are there other deductibles for specific services?	No.	You don't have to meet **deductibles** for specific services.
What is the out–of–pocket limit for this plan?	In-Network: $8,500 member / $17,000 family Out-of-Network: $17,000 member / $34,000 family	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limits** until the overall family **out-of-pocket limit** has been met.

Important Questions	Answers	Why This Matters
What is not included in the out–of–pocket limit?	Pediatric Dental Care, premiums, balance-billing charges, penalties for failure to obtain preauthorization for services, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See **https://www.harvardpilgrim.org/public/find-a-provider** or call **1-888-333-4742** for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services."
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without permission from this plan.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
