Important Questions	Answers	Why this matters
What is the overall deductible?	Medical & Prescription Drug Deductible: Tier 1: \$7,200 member / \$14,400 family Tier 2: \$8,700 member / \$17,400 family Benefits are administered on a calendar year basis.	Generally you must pay all the costs up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care, Tiers 1 and 2 prescription drugs, and any combination of first 3 Primary Care provider office visits per member, and any combination of first 3 mental/behavioral health and substance use outpatient services per member are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But, a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$8,700 member / \$17,400 family	The <u>out-of-pocket limit</u> is the most you could pay in a year of covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.

Important Questions	Answers	Why this matters
What is not included in the out-of-pocket limit?	Pediatric Dental Care, premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See https://www.harvardpilgrim.org/public/find-a-provider or call 1-888-333-4742 for a list of preferred providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes, some exceptions apply.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.

All <u>copayment</u> and <u>coinsurance</u> cost shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
