The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, **www.harvardpilgrim.org/public/eoc?pdid=PD0000200095**. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other **underlined** terms, see the Glossary. Important Questions	Answers	Why this matters
What is the overall deductible?	**Medical & Prescription Drug Deductible: Tier 1:** $7,200 member / $14,400 family **Tier 2:** $8,700 member / $17,400 family Benefits are administered on a calendar year basis.	Generally you must pay all the costs up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Preventive care, **Tiers 1 and 2** prescription drugs, and any combination of first **3** Primary Care provider office visits per member, and any combination of first **3** mental/behavioral health and substance use outpatient services per member are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But, a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at **https://www.healthcare.gov/coverage/preventive-care-benefits/**.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out–of–pocket limit for this plan?	$8,700 member / $17,400 family	The out-of-pocket limit is the most you could pay in a year of covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limit until the overall family out-of-pocket limit has been met.

Important Questions	Answers	Why this matters
What is not included in the out–of–pocket limit?	Pediatric Dental Care, premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the **out–of–pocket limit**.
Will you pay less if you use a network provider?	Yes. See **https://www.harvardpilgrim.org/public/find-a-provider** or call **1-888-333-4742** for a list of **preferred providers**.	This **plan** uses a **provider network**. You will pay less if you use a **provider** in the plan's **network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the provider's charge and what your **plan** pays (**balance-billing**). Be aware, your **network provider** might use an **out-of-network provider** for some services (such as lab work). Check with your **provider** before you get services.
Do you need a referral to see a specialist?	Yes, some exceptions apply.	This **plan** will pay some or all of the costs to see a **specialist** for covered services but only if you have a **referral** before you see the **specialist**.

All **copayment** and **coinsurance** cost shown in this chart are after your **deductible** has been met, if a **deductible** applies.
