Important Questions	Answers	Why this matters
<p>What is the overall deductible?</p>	<p>Out-of-Network: \$500 member / \$1,000 family Benefits are administered on a Plan Year basis.</p>	<p>Generally you must pay all the costs up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. Prescription drugs, and all In-Network covered services, including preventive care, are covered before you meet your deductible.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But, a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>No.</p>	<p>You don't have to meet deductibles for specific services</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>In-Network: \$2,500 member / \$5,000 family Out-of-Network: \$5,000 member / \$10,000 family</p>	<p>The out-of-pocket limit is the most you could pay in a year of covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limit until the overall family out-of-pocket limit has been met.</p>

Important Questions	Answers	Why this matters
What is not included in the out-of-pocket limit ?	Pediatric Dental Care, prescription drugs, premiums, balance-billed charges, penalties for failure to obtain preauthorization for services and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See https://www.harvardpilgrim.org/public/find-a-provider or call 1-888-333-4742 for a list of preferred providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No	You can see the specialist you choose without a referral .

All [copayment](#) and [coinsurance](#) cost shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
